Daily Doses of Inspiration Sarah Tottle, 2017-10-26 Daily Doses of Inspiration is a short book of quotes to be used daily to help you arise and shine and make positive changes. As a psychologist, I am a huge fan of daily affirmations. Affirmations feed our soul and help us think more creatively, ambitiously, and optimistically. Who doesn't want a daily dose of that? The core of this book is to help people arise and shine. To align their vision with their purpose. To live a life greater than themselves. To aim big. And to live big. Life is too short to live out the mediocre. Now is your time to shine.

*The Last Lecture* Randy Pausch, 2008-04-08 After being diagnosed with terminal cancer, a professor shares the lessons he's learned—about living in the present, building a legacy, and taking full advantage of the time you have—in this life-changing classic. We cannot change the cards we are dealt, just how we play the hand. —Randy Pausch A lot of professors give talks titled The Last Lecture. Professors are asked to consider their demise and to ruminate on what matters most to them. And while they speak, audiences can't help but mull over the same question: What wisdom would we impart to the world if we knew it was our last chance? If we had to vanish tomorrow, what would we want as our legacy? When Randy Pausch, a computer science professor at Carnegie Mellon, was asked to give such a lecture, he didn't have to imagine it as his last, since he had recently been diagnosed with terminal cancer. But the lecture he gave—Really Achieving Your Childhood Dreams—wasn't about dying. It was about the importance of overcoming obstacles, of enabling the dreams of others, of seizing every moment (because time is all you have . . . and you may find one day that you have less than you think). It was a summation of everything Randy had come to believe. It was about living. In this book, Randy Pausch has combined the humor, inspiration and intelligence that made his lecture such a phenomenon and given it an indelible form. It is a book that will be shared for generations to come.

**Inspire! What Great Leaders Do** Lance Secretan, 2004-05-10 A top business consultant and speaker lights the path to a positive, productive work environment What do the best leaders do to achieve greatness in the modern workplace that is muddled by fear, pressure for productivity,

overwork? Inspire! offers business leaders a clear vision of what a positive, productive, inspiring organization looks like in these challenging and chaotic times, and how to get there. The key to extraordinary long-term performance lies in a transformational commitment to inspiring people rather than motivating them. Lance Secretan's Higher Ground Leadership concepts have been widely used to increase profits and quality, slash staff turnover, and achieve record organizational and personal performance. Inspire! describes Lance's breakthrough thinking, often in the words of the pace-setting leaders who are implementing them and building legacies. Countless examples, stories, and case studies demonstrate the magic of these brilliant ideas. Six essential values form the foundation of positive, productive, and profitable organizations and a meaningful and fulfilling life—courage to begin the transformation; authenticity that lets people contribute all of themselves and excel; service that fosters a spirit of cooperation; truth-telling that builds trust and loyalty; love for others that leads to inspired results; and effectiveness, the attainment of results. Inspire! shows leaders in any organization how to foster these essential values that lead to personal and organizational greatness. Lance Secretan (Alton, Ontario, Canada) is one of the world's foremost thinkers on self-improvement and leadership. He is an author, award-winning columnist, philosopher, corporate coach, and a renowned public speaker and business consultant.
