Getting the Most from Instagram Joseph Linaschke,2011-06-30 So, you've downloaded the free Instagram app for your iPhone, but how do you use it? What makes sharing your unique, faux-vintage photographs on Facebook so entertaining? Which camera and filter should you use? Getting the Most from Instagram will answer all those questions and more as you learn about the special combination of photography and community that this app creates for social networking. This complete guide to Instagram was written to help you create better images to share, get the most from the included filters, find features you didn't even know were in the app, and see just how deep the Instagram rabbit hole goes! Learn about the ever-growing online services surrounding Instagram, and gain access to a constantly updated webpage with more tips, an in-depth look at filter treatments, and the ever-growing list of third-party solutions! Let this book be your personal tour guide to show you how to get the most out Instagram and your iPhone camera.

Hot Dudes Reading Hot Dudes Reading,2016-04-26 Humans of New York meets Porn for Women in this collection of candid photos, clever captions, and hilarious hashtags about one of the most important subjects of our time: hot dudes reading. Based on the viral Instagram account of the same name, Hot Dudes Reading takes its readers on a ride through all five boroughs of New York City, with each section covering a different subway line. Using their expert photography skills (covert iPhone shots) and journalistic ethics (#NoKindles), the authors capture the most beautiful bibliophiles in all of New York—and take a few detours to interview some of the most popular hot dudes from the early days of the Instagram account. Fun, irreverent, and wittily-observed, this book is tailor-made for book lovers in search of their own happy endings—and those who just want to get lost between the covers for a while.

This Is Happening Bridget Watson Payne, 2013-11-12 Over 100 million people use the Instagram app to take beautiful, lo-fi photos of the special moments in their lives, and then instantly share them with the world. The first-ever crowd-sourced book of Instagram photos, *This is Happening* highlights that single, fleeting moment that makes us happy and just begs to be photographed—the perfect cup of coffee, a scenic moment on the morning commute, the joy of new shoes, a loved one's shy smile. Featuring over 200 stunning shots by many distinctive photographers, this petite yet chunky volume is an inspiring showcase of the easily overlooked details that fill us with wonder each day, all captured through the dreamy lens of Instagram.

San Francisco on Instagram Dan Kurtzman, 2023-03-07 From stunning coastal views to bridges wrapped in dreamy fog, this collection showcases 300 photos of San Francisco and the greater Bay Area captured by more than fifty acclaimed photographers from across the Instagram community. From the Golden Gate Bridge and the Palace of Fine Arts to Salesforce Tower and the Transbay Transit Center's elevated rooftop park, from Point Reyes and Muir Woods to Napa and Sonoma wine country, the San Francisco Bay Area has long been celebrated as the most photogenic region in the United States. Nowhere has that magic glittered brighter than on Instagram, where a community of dedicated photographers has captured and shared some of the most stunning images ever seen of the Bay Area. Following the runaway success of *New York City on Instagram*, this collection encapsulates the San Francisco Instagram experience with fresh takes of familiar icons and fascinating glimpses of the city's newest landmarks and the natural beauty of the Bay Area's most scenic destinations. Complementing the spectacular photography is a list of Most Instagram-Worthy Spots-- the perfect guides for both photo enthusiasts and adventurers seeking to explore the sights featured in the book.

For anyone with a love of the San Francisco Bay Area and Instagram, San Francisco on Instagram will be both the perfect keepsake and a source of inspiration.

Monochromatic HDR Photography: Shooting and Processing Black & White High Dynamic Range Photos Harold Davis,2013-10-15 Update: The Kindle version of Monochromatic HDR Photography: Shooting and Processing Black & White High Dynamic Range Photos currently available for sale has been corrected and updated to address formatting issues. Monochromatic HDR Photography is the first book intended to show photographers how to work at the intersection of two up-and-coming trends that are at the forefront of the digital revolution: Black & White and High Dynamic Range imaging. The book explains techniques for extending dynamic range, monochromatic conversion methods and best practices where the two technologies intersect. Since successful digital monochromatic image creation generally requires using the color information inherent in RAW exposures, most case studies will be presented in full color. In addition, Monochromatic HDR Photography provides extensive coverage of the creative vision required to successfully create monochromatic HDR images and the workflow necessary to make art prints from this specialized image making technique.
