**Make Something Good Today** Erin Napier,Ben Napier,2018-10-02 From Ben and Erin Napier, the stars of the hit HGTV show Home Town, comes Make Something Good Today, a memoir that tells us all to seek out the good in life, celebrate the beauty of family and friends, and prosper within our communities because everything we need in life to be happy, is within our grasp. Long before their hugely popular TV show, an expanding family, or demolition day on their dream home, Erin began keeping a daily online journal to help her stay focused on the positive and count her blessings in life. She never expected that her depictions of small-town life in the tiny swath of Mississippi where she Ben call home would catch the eye of a television producer and set them off on the journey of a lifetime. Make Something Good Today offers a behind-the-scenes glimpse into the struggles and triumphs of a couple that America has come to know and love for their easy humor, adoring relationship, and ability to utterly transform a place into something beautiful and personal. This is the poignant story of how Erin and Ben took a small, tight-knit town into their own hands (literally) and used

ingenuity, community, and authenticity to rebuild a once-thriving American Main Street. And how, by combining Ben's carpentry skills with Erin's design eye, Home Town is making it clear to us all that small-town living can feel as big as you make it. Complete with family photographs, Erin's hand-painted sketches, and never-before-heard personal stories, this inspirational memoir reminds us all not to give up hope that great love stories are possible, big things can bloom in small towns, and there is always magic in the ordinary if you know where to look for it.

**The Scandinavian Home** Niki Brantmark, 2017-04-18 Discover classic and contemporary Scandinavian style with specially commissioned photography of homes in Denmark, Norway, Sweden, and Finland. Discover classic and contemporary Scandinavian style with specially commissioned photography of homes in Denmark, Norway, Sweden, and Finland. Scandinavia is famous for its distinctive style: homes are pared-back and simple, and form and function are combined to create aesthetically pleasing and practical interiors. Scandinavians are inspired by light, having an abundance of it in summer but so little of it in winter, and house designs tend to maximize the amount of natural light that enters the home, and allow the inhabitants to make the most of outdoor life during the summer. Similarly, nature and the weather are major influences: homes are made warm and cozy for the freezing winter months—not just literally with log burners, but also through incorporating wood and natural materials. Here Niki Brantmark, owner of the interior design blog My Scandinavian Home, presents a wide-ranging collection of these beautiful homes and explores how the Scandinavian lifestyle is reflected in them all. The first chapter, Urban Living, features styles ranging from minimalist to bohemian, and pale palettes to dramatic dark colors. By contrast, the Country Homes tend to have a softer, calmer feel, through color and textiles, in line with a slower pace of life. Finally, the spectacular Rural Retreats include a mountain cabin, beach house, and rustic summer cottage, and demonstrate how having somewhere to escape to is so important to many Scandinavians. This collection of stunning interiors will put Scandi style within every reader's reach.
