Instagram: How a Photo-Sharing App Achieved a \$1 Billion Facebook Buyout in 18 Months Sarita Harbour, 2012-07-30 ABOUT THE BOOK On April 5, 2012 Instagram was valued at 500 million dollars as part of a new round of funding with investors. Just a few days later, Mark Zuckerberg, CEO of Facebook, negotiated to buy it for \$1 billion, \$300 million cash and \$700 million in Facebook shares. CNN called it one of the biggest deals in recent business tech history – not too shabby for a business only 18 months old, and a great inspiration to small companies everywhere. However, Facebook's acquisition received mixed reviews and many raised eyebrows in the technology and business world. As details emerge regarding the buyout, and as analysts scramble to make sense of the deal, there are many questions. How did Zuckerberg and Kevin Systrom of Instagram arrive at a figure of \$1 billion? What implications does this deal have for Facebook when it goes public in an expected Initial Public Offering in May, 2012? Why does Facebook want Instagram so badly? What can businesses learn from this deal, and how the heck did a tiny company without any revenue become so desirable in just 18 months? While Instagram's buyout by Facebook was viewed by many as a surprise acquisition, it illustrates the increasing importance of the image-based social-sharing platforms in today's technology business world. Facebook already had a photo-sharing mobile photo-sharing program, but it was slow to load and clumsy to use. For the past several years, a team had been working on developing a solution. As recently as last summer, rumours circulated about a Facebook iPhone photo-sharing application that would make it easier for users to upload, edit and share their photos. With changes in team members and little to show for their work, nothing more was heard of Facebook's progress until February 2012, when Business Insider magazine reported new product boss Dirk Stoop was working on a new solution to the problem. Zuckerberg was reported in the New York Times piece *With Instagram Deal Facebook Shows its Worth* as saying "We don't plan on doing many more of these, if any at all, but providing the best photo-sharing experience is one reason why so many people love Facebook and we knew it would be worth bringing these two companies together." It is safe to assume that Facebook's own product was not working out as hoped, leading Zuckerberg to buy the best photo-sharing experience instead of developing it. In addition to examining details of the acquisition, there are broader issues to address. How can businesses use Instagram and Facebook to build their own brands? What does this deal say about Facebook's predictions for the mobility market and photo-sharing platforms? While Zuckerberg's official statement is that Instagram will continue operating as a separate platform from Facebook, and that people who have Instagram but aren't on Facebook can continue using their favorite app, how will Instagram change now that it is owned by Facebook? In this book, we will address these questions and review a quick history of Instagram. We'll examine the events of Easter weekend that led to the Instagram buyout, and get a glimpse into the fast-moving world of high tech business and multi-billion dollar companies. EXCERPT FROM THE BOOK Mark Zuckerberg and Facebook paid \$1 billion for a business that doesn't have any revenue. Why? In a nutshell, Facebook purchased Instagram to take custody of its users before Facebook competitors did, to strengthen its position in the mobile phone market, and to get rid of a potentially difficult competitor. As people in the tech world often say, money follows the users. The recent availability of Instagram for Android users had Zuckerberg concerned, especially when the Instagram user population jumped by 10 million people in 10 days... ..buy the book to continue reading!

DIY Wood Pallet Projects Karah Bunde, 2014-08-01 Turn simple shipping pallets into stunning crafts for your home! With *DIY Wood Pallet Projects*, you can finally personalize your space without having to spend a fortune on getting that perfect rustic chic look. Language, Society, and New Media Marcel Danesi, 2020-05-18 This book presents an interdisciplinary approach to the scientific study of the relation between language and society, language and culture, language and mind. It integrates frameworks from sociolinguistics and linguistic anthropology and emerging strands of research on language and new media, in order to demonstrate how language undergirds human thought and social behaviors. It is designed as an introductory textbook aimed at students with little to no background in linguistics. Each chapter covers the main aspects of a particular topic or area of study, while also presenting future avenues of study. This edition includes discussions on: ● social media and the creation of identity; ● gestural communication; ● emoji writing; ● multimodality; ● human-computer interaction. Discussions are supported by a wealth of pedagogical features, including sidebars, as well as activities, assignments, and a glossary at the back. The overall aim is to demonstrate the dynamic connections between language, society, thought, and culture, and how they continue to evolve in today's rapidly changing digital world. It is ideal for students in introductory courses in sociolinguistics, language and culture, and linguistic anthropology.

One Good Life Jill Nystul, 2015-05-05 Called "special, amazing" and "very moving" by Ree Drummond, *One Good Life* shares the never-before-told story of the blogger behind *One Good Thing* by Jillee, alongside the tips and wisdom that have earned her millions of devoted followers. Jill Nystul started her blog, *One Good Thing* by Jillee, as a means to take steps forward after emerging from rehabilitation from alcohol dependence and battling a slew of equally tough issues that tested her confidence as a wife and mother. Her goal was to pursue her passion and help others along the way—one day at a time and one step at a time—by writing about one good thing each day. It is clear that Nystul's ability to appreciate the little things has resonated with readers everywhere. Fans have fallen in love with her crafty household endeavors, delicious recipes, and words of wisdom. *One Good Life* presents 75 Good Things by Jillee, fifty of which have never before been published, intertwined with Nystul's personal story, revealed in this book for the first time. Drawing from her own experiences, Nystul shows how she has overcome tremendous hardship to finally re-embrace her faith and appreciate, each day, one good thing.

Instagram For Dummies Jenn Herman, Corey Walker, Eric Butow, 2022-11-02 Are you on Insta? Country specific case studies are also featured.

Home Book of Picture Framing Kenn Oberrecht,1998-04-01 Professional secrets of mounting, matting, framing, and displaying artwork, photos, collectibles, carvings, and more.

Digital Culture & Society (DCS) Ramón Reichert,Annika Richterich,Pablo Abend,Mathias Fuchs,Karin Wenz,2016-12-31 »Digital Culture & Society« is a refereed, international journal, fostering discussion about the ways in which digital technologies, platforms and applications reconfigure daily lives and practices. It offers a forum for critical analysis and inquiries into digital media theory and provides a publication environment for interdisciplinary research approaches, contemporary theory developments and methodological innovation. The third issue »Politics of Big Data« edited by Mark Coté, Paolo Gerbaudo, and Jennifer Pybus, critically examines the political and economic dimensions of Big Data and thus details its contestation. The contributions focus on the materialities and processes which manifest Big Data and explore forms of value beyond the state and capital. These range from open data initiatives, social media metrics, machine learning algorithms, data visualisation to data dashboards, critical data analysis, and new modes of data action research and practice.

Big Screens, Small Forms Lisa Gotto,2022-07-31 We witness an era with more screens than ever before, and within each screen, a multitude of visual varieties. Lisa Gotto investigates this medial diversity as a field of tension between large and small forms of digital image culture. This includes, on the one hand, the immersive potential of large image arrangements, such as digital 3D cinema, and, on the other hand, the compactness of mobile image forms, such as those of the smartphone film or the media practices of Instagram. Weaving together a rich variety of examples and sources, this book presents a multifaceted collection of essays that explore the transformational potential of digital media culture, contextualize its media-technical conditions, and reflect on its social consequences.

Tony Northrup's DSLR Book: How to Create Stunning Digital Photography Tony Northrup,2014-11-26 The top-rated and top-selling photography ebook since 2012 and the first ever Gold Honoree of the Benjamin Franklin Digital Award, gives you five innovations no other book offers: Free video training. 9+ HOURS of video training integrated into the book's content (requires Internet access). Travel around the world with Tony and Chelsea as they teach you hands-on. Appendix A lists the videos so you can use the book like an inexpensive video course.Classroom-style teacher and peer help. After buying the book, you get access to the private forums on this site, as well as the private Stunning Digital Photography Readers group on Facebook where you can ask the questions and post pictures for feedback from Tony, Chelsea, and other readers. It's like being able to raise your hand in class and ask a question! Instructions are in the introduction.Lifetime updates. This book is regularly updated with new content (including additional videos) that existing owners receive for free. Updates are added based on reader feedback and questions, as well as changing photography trends and new camera equipment. This is the last photography book you'll ever need.Hands-on practices. Complete the practices at the end of every chapter to get the real world experience you need.500+ high resolution, original pictures. Detailed example pictures taken by the author in fifteen countries demonstrate both good and bad technique. Many pictures include links to the full-size image so you can zoom in to see every pixel. Most photography books use stock photography, which means the author didn't even take them. If an author can't take his own pictures, how can he teach you? In this book, Tony Northrup (award-winning author of more than 30 how-to books and a professional portrait, wildlife, and landscape photographer) teaches the art and science of creating stunning pictures. First, beginner photographers will master: CompositionExposureShutter speedApertureDepth-of-field (blurring the background)ISONatural lightFlashTroubleshooting blurry, dark, and bad picturesPet photographyWildlife photography (mammals, birds, insects, fish, and more)Sunrises and sunsetsLandscapesCityscapesFlowersForests, waterfalls, and riversNight photographyFireworksRaw filesHDRMacro/close-up photography Advanced photographers can skip forward to learn the pro's secrets for: Posing men and women. including corrective posing (checklists provided)Portraits (candid, casual, formal, and underwater)Remotely triggering flashesUsing bounce flash and flash modifiersUsing studio lighting on any budgetBuilding a temporary or permanent studio at homeShooting your first weddingHigh speed photographyLocation scouting/finding the best spots and timesPlanning shoots around the sun and moonStar trails (via long exposure and image stacking)Light paintingEliminating noiseFocus stacking for infinite depth-of-fieldUnderwater photographyGetting close to wildlifeUsing electronic shutter triggersPhotographing moving carsPhotographing architecture and real estate

The Selfie, Temporality, and Contemporary Photography Claire Raymond,2021-05-09 This book is a theoretical examination of the relationship between the face, identity, photography, and temporality, focusing on the temporal episteme of selfie practice. Claire Raymond investigates how the selfie's involvement with time and self emerges from capitalist ideologies of identity and time. The book leverages theories from Katharina Pistor, Jacques Lacan, Rögnvaldur Ingthorsson, and Hans Belting to explore the ways in which the selfie imposes a dominant ideology on subjectivity by manipulating the affect of time. The selfie is understood in contrast to the self-portrait. Artists discussed include James Tylor, Shelley Niro, Ellen Carey, Graham MacIndoe, and LaToya Ruby Frazier. The book will be of interest to scholars working in visual culture, history of photography, and critical theory. It will also appeal to scholars of philosophy and, in particular, of the intersection of aesthetic theory and theories of ontology, epistemology, and temporality.

Moms For Hire Deborah Jelin Newmyer,2017-01-31 Moms For Hire is a stylish, eight-step guidebook for moms who want to re-enter the workforce and amp up their professional mojo. Whether you downsized your bustling career to raise your children, or you chose the full-time job of being a stay-at-home mom, you now feel ready to get back in the work game, but re-entry can be intimidating. Using creative exercises, advice, and anecdotes from well-known working moms, this book will become a guide to creating your own successful re-entry strategy. From simply giving voice to your desire to work, to learning how to negotiate the best deal once you land the dream job, Moms For

Hire guides you through each step of the process in a way that keeps you motivated and inspired. The simple promise is this: if you commit one hour a day to this book, you can find rewarding work. The search for fulfilling employment requires plenty of will, stamina, and support; let Moms For Hire be your devoted partner as you step into this new, life-changing adventure.

Instagram Tama Leaver, Tim Highfield, Crystal Abidin, 2020-01-22 Instagram is at the heart of global digital culture, having made selfies, filters and square frames an inescapable part of everyday life since it was launched in 2010. In the first book-length examination of Instagram, Tama Leaver, Tim Highfield and Crystal Abidin trace how this quintessential mobile photography app has developed as a platform and a culture. They consider aspects such as the new visual social media aesthetics, the rise of Influencers and new visual economies, and the complex politics of the platform as well as examining how Instagram's users change their use of the platform over time and respond to evolving features. The book highlights the different ways Instagram is used by subcultural groups around the world, and how museums, restaurants and public spaces are striving to be 'Insta-worthy'. Far from just capturing milestones and moments, the authors argue that Instagram has altered the ways people communicate and share, while also creating new approaches to marketing, advertising, politics and the design of spaces and venues. Rich with grounded examples from across the world, from birth pictures to selfies at funerals, Instagram is essential reading for students and scholars of media and communication.

The Theory and Practice of Motion Design R. Brian Stone, Leah Wahlin, 2018-06-19 This collection offers an expansive, multiplatform exploration of the rapidly-expanding area of motion design and motion graphics, taking into account both theoretical questions and creative professional practice. Spanning interaction design, product interfaces, kinetic data visualizations, typography, TV and film title design, brand building, narrative storytelling, history, exhibits and environments, editors R. Brian Stone and Leah Wahlin offer an interdisciplinary range of academic essays and professional interviews that together form a dialogue between motion design theory and professional practice. Written for both those critically engaged with motion design as well as those working or aspiring to work professionally in the field, the book features a range of international contributors and interviews with some of the best-known designers in the field, including Kyle Cooper, Karin Fong, and Daniel Alenquer. The Theory and Practice of Motion Design seeks to illuminate the diverse, interdisciplinary field of motion design by offering a structured examination of how motion design has evolved, what forces define our current understanding and implementation of motion design, and how we can plan for and imagine the future of motion design as it unfolds.

Trade Names Dictionary Donna J. Wood, 1988 A complete listing of product trade names, with a brief description of the product, name of the distributing company, and a status and directory code.

The Simple Guide to Home Electronics, 2017 Mark Schutte, 2017-05-26 The Simple Guide to Home Electronics helps the average person navigate the bewildering array of choices in the ever-changing world of home electronics that impact our day to day lives. A wide variety of topics from lightbulbs to the Internet, TV, Telephone, Cameras, and the Internet of Things (IoT) are explained without all the tech savvy jargon. Each chapter begins with a general overview and practical advice followed by more in-depth information that will give you an understanding of the type of products available and how they work. If you have ever considered disconnecting your cable TV, a smart thermostat or turning on the lights with a voice activated product, then this book is for you. The author's light conversational style along with his own engaging stories, humor and points of view make these complex topics easy to understand. The information is presented in free-standing independent chapters that can be referenced over and over again as you replace and update the technology in your home.

Getting the Most from Instagram Joseph Linaschke, 2011-06-30 So, you've downloaded the free Instagram app for your iPhone, but how do you use it? What makes sharing your unique, faux-vintage photographs on Facebook so entertaining? Which camera and filter should you use? Getting the Most from Instagram will answer all those questions and more as you learn about the special combination of photography and community that this app creates for social networking. This complete guide to Instagram was written to help you create better images to share, get the most from the included filters, find features you didn't even know were in the app, and see just how deep the Instagram rabbit hole goes! Learn about the ever-growing online services surrounding Instagram, and gain access to a constantly updated webpage with more tips, an in-depth look at filter treatments, and the ever-growing list of third-party solutions! Let this book be your personal tour guide to show you how to get the most out of Instagram and your iPhone camera.

Mason Jar Crafts Lauren Elise Donaldson, 2013-07-02 Provides instructions for transforming Mason jars into a variety of home decor items and gifts, including a lamp, clock, terrarium, cake stand, piggy bank, and ornaments.
