Duck on a Tractor David Shannon,2021-08-03 Bestselling Caldecott Honor artist David Shannon tells the story of a determined duck who decides to jump on a tractor and drive it around the barnyard and through town, with hilarious consequences! Shannon's wildly popular, award-winning Duck on a Bike left children begging him to tell them another story about Duck after seeing him pictured alongside a shiny red tractor. Now Duck is back and turning the farm upside down! Flushed with the success of his trailblazing bike ride around the farm, Duck decides he's ready to drive the tractor. As in the bestselling Duck on a Bike, all the barnyard animals share their humorous comments as they watch Duck do the unthinkable. Then, one by one, they join him on the tractor for a ride! But what happens when Duck drives the big red tractor through town, past the popular diner where all the locals are having lunch? What will those folks really think when they see Duck and all the other animals riding around on Farmer O'Dell's tractor? Filled with entertaining detail and sly jokes, readers will pore over each picture again and again. Perfect for reading aloud!

Shelfie Martha Roberts,2024-09-18 Award-winning journalist, color blogger and shelfie fanatic Martha Roberts shows you how to source, sort and arrange your belongings into stylish shelfies for home and workspace. An interesting response to the clutter-clearing movement has been 'the shelfie' as a decorating trend and social media phenomenon. What started as a label for beautiful bookshelves is now applied to artfully stylish arrangements of collectables, flowers, photos, crafting ephemera, perfume bottles - and of course books. And shelfies don't just appear on shelves but also on tabletops, fireplaces and desks. At a time when we own six times more objects than our parents did, and move house more often, decluttering, and then curating our possessions stylishly, is an important way of having a dedicated space that is a 'little bit of us', injecting stylish personality into the home and workplace. In the first book on the subject, Martha Roberts explores the art of creating great shelfies, explaining color, scale and

composition then showing inspiring shelfies in every room in the house, from the kitchen to the bedroom, the home office to a hallway, allowing you to declutter your surroundings without throwing away the things you love in the ultimate form of self-expression. The book's photographer, Nick Pope, took the photographs for *At Home with Plants*, also published by Mitchell Beazley.
