The Ex-Mas Holidays Zoe Allison, 2023-09-26 It's hard to escape your ex when you're working together over Christmas in the Scottish Highlands, but being stuck together might be the best possible present in this sparkling new contemporary romance. Maya Bashir is dreading her drive home for Christmas and having to explain that she's just left her high-paying job and a long-term relationship, so a brief detour to her friend's festive party doesn't seem like such a bad idea. Until Maya walks in to find the last person she wants to see. Sam, the boy who broke her heart eight years ago. And he's serving drinks. Naked. Sam Holland is working an extra job on the sly to help his friend get by. But little did he expect Maya Bashir to come barrelling back into his life, learning about his secret side-hustle and taking back her old job alongside him at his daytime role as a ski instructor on the slopes of the Scottish Highlands. As both Sam and Maya realize that their reason for heartbreak so many years ago wasn't entirely as it seemed, they must learn to stand up for what they want the most...or else miss their second chance at love.

**Tinder Nightmares** Unspirational, 2017-01-21 "Will have you in hysterics over truly epic Tinder fails . . . it captures real life conversations potential couples have exchanged over the app." –Spy Tinder Nightmares is a hilarious look at some of the most epic fails of the often racy, always ridiculous, "romantic" exchanges on Tinder. The

Instagram account of the same name has skyrocketed to popularity for its captivating—and sometimes titillating—ability to capture the real-life conversations between people who are looking to connect with that special someone. *Tinder Nightmares* is organized by theme, with chapters such as Bad English, Broetry, Strange Requests, Sneak Attacks, and more. This book explores everything from pickup lines to breakups, and all the moments that come in between. It's the perfect gift for anyone who has ever suffered through online dating. Praise for the *Tinder Nightmares* Instagram account "Taking submissions from womankind worldwide, the account posts the funniest and most tragic lines, which serve to make us simultaneously jubilant with comfort that others out there are enduring the same terror, and weepy at our complete loss of faith in humanity." —*Cosmopolitan* "So, for anyone who has ever had a nightmarish experience on Tinder, *Tinder Nightmares* is here to remind you that you're not alone. Because when life gives you innocuously bizarre Tinder messages, make jokes." —*HuffPost*

The Business of Media Distribution Jeffrey C. Ulin, 2019-05-30 In this updated edition of the industry staple, veteran media executive Jeff Ulin relates business theory and practice across key global market segments—film, television, and online/digital—providing you with an insider's perspective that can't be found anywhere else. Learn how an idea moves from concept to profit and how distribution dominates the bottom line: Hollywood stars may make the headlines, but marketing and distribution are the behind-the-

scenes drivers converting content into cash. The third edition: Includes perspectives from key industry executives at studios, networks, agencies and online leaders, including Fox, Paramount, Lucasfilm, Endeavor, Tencent, MPAA, YouTube, Amazon, and many more; Explores the explosive growth of the Chinese market, including box office trends, participation in financing Hollywood feature films, and the surge in online usage; Illustrates how online streaming leaders like Netflix, Amazon, Apple, YouTube, Hulu and Facebook are changing the way TV content is distributed and consumed, and in cases how these services are moving into theatrical markets; Analyzes online influences and disruption throughout the distribution chain, and explains the risks and impact stemming from changing access points (e.g., stand-alone apps), delivery methods (over-the-top) and consumption patterns (e.g., binge watching); Breaks down historical film windows, the economic drivers behind them, and how online and digital delivery applications are changing the landscape. Ulin provides the virtual apprenticeship you need to demystify and manage the complicated media markets, understand how digital distribution has impacted the ecosystem, and glimpse into the future of how film and television content will be financed, distributed and watched. An online eResource contains further discussion on topics presented in the book.

In *Girl in a Band* she tells with complete openness the story of her family, her work in the visual arts, her move to New York City, the men in her life, her marriage, her relationship with her daughter, her music and her band. It is a rich and beautifully written memoir, taking us back to the lost New York of the 1980s and '90s that gave birth to and nurtured Sonic Youth and the alternative revolution in popular music they spearheaded. But at its core, *Girl in a Band* is an examination of what partnership means - and what happens when it dissolves.
