Minjie Lin

and professor of New Testament To embark on writing a book is a courageous beginning, and to finish it is a great accomplishment, especially in a context where writing and reading are rarely part of the culture. By publishing this book, Wasihun Senbeta Gutema has set a good example for many teachers and preachers, as well as other potential writers if we are to effectively share our knowledge with the present generation and preserve a repertoire of lessons for the future generations. I applaud Wasihun for providing A Student in the School of Christ – a revised and coherent compilation of his teachings in the form of a book. The book is a reflection of an experienced, yet aspiring, gospel teacher who has not ceased being a disciple – A Student in the School of Christ. As it describes what it means to be “a student of Christ”, it discerns wrong assumptions about the same. The book is written in a simple-to-follow and understandable style. It is worth reading. —Gutu Olana Wayessa, PhD
