- 📖 *TECHNOLOGY FOR THE LANGUAGE CLASSROOM* Leo Mercado, 2017-09-16 This volume in the ALLC series offers current and soon-to-be professionals in the ESL / EFL field a comprehensive guide to how to make the best use of technology to enhance the English language learning experience. The book has a predominant focus on practical insights that are based on successful real-life experiences at the classroom and study program level, including contributions from teachers in various countries. Nevertheless, there is also a strong foundation in existing research and literature as they relate to the needs of English language teachers. To promote reflective and exploratory practice, there is plenty of ‘food-for-thought’ for the reader. Although pre-service and in-service teachers represent the primary audience, the book is likely to be just as useful for language program administrators, researchers, curriculum and materials writers, and e-learning developers.

- 📖 *AXEL* Harper Sloan, 2018-04-12 Fate hasn’t always been friends with Isabelle West. In fact, fate has been a downright bitch. Isabelle has learned the hard way how hard life can be when fate isn’t by your side. It can hand you dreams on silver platters, but it can snatch them right back and hand you nightmares. One thing Isabelle knew for sure fate was consistent with was taking away everything she ever loved. For the last two years Isabelle has been slowly clearing the clouds of her past. Happiness is finally on the horizon. She has a thriving business, great friends, and her life back. All she has to do is jump over the last hurdle...her ex-husband. When problems start causing her to fear her new life, and memories that are better left forgotten start rushing to the surface the last thing she needs is a ghost from her past to come knocking on her door. Axel never thought he would look into the eyes of Isabelle West again, and he wasn’t sure he wanted to now. He’s carried his anger for so long he isn’t sure he can just turn it off, but when he is faced with protecting her and an unexpected desire to have her again, life gets a little more complicated. Even so, Leah wants nothing to do with her family’s legacy. But when she’s summoned to her selection by the Vampire Dominion, under familial pressure, she has no choice but to go. Lucien has been living under the strict edicts of the Vampire Dominion for centuries but he’s tired of these ancient laws stripping away everything that is the essence of the vampire. So he’s taking it back. This is because Lucien has been watching and waiting for decades for Leah to become available for a selection and he will not be limited with what he can do with her. He will have her, all of her. Therefore, Lucien is going to tame Leah, even if he gets hunted and killed for doing it. What neither Leah nor Lucien expects is the strong bond that will form between them, connecting them on unprecedented levels for mortals or immortals. And what will grow between them means they will challenge their ways of life and their union will begin the prophecies which makes them one of three couples who will save humanity...or die in the effort.

I can’t tell him anything. There are too many people looking for me. He’s pretty persuasive, though, and he convinces me to go home with him so he can keep me safe from this harsh city where I find myself. It’s not my home. It’s his. He belongs. I don’t. Logan lives with four brothers in the inner city. Yet I’ve never felt more safe than I do when I’m with him. I want him. But he won’t let me have a darn thing, aside from his friendship, unless I’m willing to tell him my secrets. But they’re mine, and I can’t share them. Not unless I want them to come and get me. Logan she catches my eye because she’s so beautiful she takes my breath. But that’s not all that I love about her. I love the way she smells. The way she smiles. The way she plays the guitar is unlike anything I have ever seen. She sleeps in my bed every night, and drives me crazy with her touch. But I can’t take what she offers because I need all of her. I need for her to tell me her secrets. I need for her to trust me. From the back of the book: She’s locked up tight. But he might be the key. Logan Reed is tall, tatted and tempting. Kit’s a woman with a mean right hook and a secret. Kit wants a tattoo, but Logan sees more than she intends to share in the drawing of the tat she wants. He sees her in ways no one ever has. Logan’s not disabled; but he hasn’t spoken in eight years. He hasn’t needed to. Until he meets Kit. Logan doesn’t know everything about Kit. Kit doesn’t know anything about herself, until she has to sacrifice all she ever wanted to save what’s most important to him.
- 📖 *PRESENT PERFECT* Alison Bailey, 2013 I’ve been unsure about many things in my life except for one thing, that I have always loved him. Every single minute of every single day that I have been on this earth, my heart has belonged to him. It has never been a question, never a doubt. The love had taken on many different forms over the years, but it had always been a constant. Everyone has their definition of love. There have been countless songs sung about it. A gazillion books, articles, and poems written about it. There are experts on love who will tell you how to get it, keep it, and get over it. We’re led to believe love is complicated. It’s not the love that’s complicated. It’s all the crap that we attach to it and put in front of it that makes it difficult. If you’re smart, you’ll realize this before it’s too late and simplify. ----- Amanda Kelly spent her entire life trying to control every aspect of it, while striving for perfection. Her obsession with being perfect, along with her feelings of worthlessness, consumed her. The one thing she thought was perfect in her life was the bond she shared with her best friend, Noah. Everything was going according to her life plan until she woke up one day and realized she had fallen in love with him. The one thing she couldn’t control was the affect he had on her. Noah had the power to give her one hundred lifetimes of happiness, which also gave him the power to completely devastate her. He was the one thing in her life that was perfect, but she couldn’t allow herself to have him. Her life begins to unravel. Events take over and force her to let go of her dreams and desires. She needs to realize that a person cannot control the events in their life, only their reaction to them...but will it be too late for her to save her relationship with her best friend? Present Perfect is a story of how past events have present consequences and how perfect your present could be if you stopped fighting and just allowed it to happen. -----
