**A Nice Cup of Tea** Celia Imrie, 2019-08-06 In this witty third novel in the Nice series, from beloved actress Celia Imrie, the retired expats in the South of France must rally to save their failing restaurant, and protect Theresa from an unsavory stalker. The beautiful town of Bellevue-sur-Mer, tucked between glitzy Monte Carlo and the plush red carpets of Cannes, is home to Theresa, Carol, William, Benjamin, and Sally: five retired expats who have pooled their resources to set up La Mosaïque, a divine little restaurant. But there is trouble in paradise: the friends are desperately struggling to make ends meet. It will take every bit of their talent and gumption to save La Mosaïque. With fussy customers, obnoxious cruise parties, and a failing delivery van, it's certainly not going to be easy. On top of this, Theresa and Sally have their own distractions. Theresa's teenage granddaughter has run away, and Theresa herself has been getting mysterious phone calls and the strong sense that someone's watching her. Meanwhile, Sally's run into a nasty couple from her acting days, and their barbed jibes are enough to send her on an ill-advised search for the limelight. A Nice Cup of Tea is a delightful cozy mystery, a wickedly fun page-turner that's sassier than a cup of tea, no matter how Nice!

**The Vertical Village** Winy Maas, MVRDV (Firm), Why Factory, Museum of Tomorrow (Taipei, Taiwan), 2012 The architecture practice MVRDV and The Why Factory envision a new model for the development of Asian cities. Their idea is The Vertical Village, a three-dimensional community intended to bring back personal autonomy, diversity, flexibility and neighbourhood life to cities in Asia. As a result of demographic and economic forces, cities in Asia are undergoing rapid change. Traditional urban villages, which formed the core of the cities for centuries, are being replaced at a merciless pace by uniform tower blocks. In tracking the development of nine very distinct Asian cities, The Vertical Village provides insight into the evolution, current situation and future of these 'vertical urban villages'. This book then introduces two tools: The VillageMaker© and The HouseMaker©, with which to design a dream house and find a dream location. The book also offers a glimpse into what it would be like to live in a 'Vertical Village'. Publisher's note.

The God Who Makes Himself Known W. Ross Blackburn, 2013-03-05 The Lord's commitment to make himself known throughout the nations is the overarching missionary theme of the Bible and the central theological concern of Exodus. Countering scholarly tendencies to fragment the text over theological difficulties, Ross Blackburn contends that Exodus should be read as a unified whole, and that an appreciation of its missionary theme in its canonical context is of great help in dealing with the difficulties that the book poses. For example, how is Exodus 6:3 best understood? Is there a tension between law and gospel, or mercy and judgment? How should we understand the painstaking detail of the tabernacle chapters? From a careful examination of Exodus, this New Studies in Biblical Theology volume demonstrates that the Lord humbled Pharaoh so the world would know that only God can save. The Lord gave Israel the law so that its people might display his goodness to the nations, living in a state of order and blessing the Lord dealt with Israel's idolatry severely, yet mercifully, for his goodness cannot be known if his glory is compromised. In the end, Exodus not only sheds

important light on the church's mission, but also reveals what kind of God the Lord is, one who pursues his glory and our good, ultimately realizing both as he makes himself known in Christ Jesus. Addressing key issues in biblical theology, the works comprising New Studies in Biblical Theology are creative attempts to help Christians better understand their Bibles. The NSBT series is edited by D. A. Carson, aiming to simultaneously instruct and to edify, to interact with current scholarship and to point the way ahead.
