*The Paris Herald* James Oliver Goldsborough,2014-05-20 Any American traveling in the world today will come across the Paris Herald somewhere, though it now goes under the name the International New York Times. Never mind, at heart it is still the Paris Herald and traces its roots to Paris at the beginning of the 20th Century when it was as familiar in the kiosks of the Left Bank and the Champs Elysées as the latest article in *l'Aurore* by Zola or newest installment by Proust in his never ending search for lost time. The Paris Herald, narrative historical fiction, tells the story of the world's most famous newspaper, focusing on the key years of the 1960s, when the fates of the newspaper and of the regime of Charles de Gaulle became

curiously intertwined. The story centers on intrigue and rivalry among the New York Herald Tribune, New York Times and Washington Post. When the Herald Tribune ceased operations in New York in 1966, the Times, which had started its own European Edition in 1960, expected the Paris Herald to close, too, giving the Times victory in Paris as well as New York. But Herald Tribuneowner Jock Whitney wouldn't sell to the Times, preferring to join with Katharine Graham, who'd taken charge at the Post after her husband's death. Within months, the Times came, hat-in-hand, offering to close its European edition and asking to buy into the new Herald/Post partnership. The Times neither forgave nor forgot its humiliation. The Paris Herald is the story of many people: of Frank Draper, who fought in the Lincoln Brigade; Byron Hallsberg, who joined the Hungarian uprising; Dennis Klein, researching the Nazi occupation of Paris; Suzy de Granville, searching for family roots; Wayne Murray, escaping homophobia; of Steve and Molly Fleming, living the high life; Sonny Stein and Al Lodge and Connie Marshall and Ben Swart and Eddie Jones, paperboy, all finding themselves at the Paris Herald for their own reasons and ending up in the fight to keep the newspaper alive. The 1960s was a tumultuous decade. The conflict in America over race and the Vietnam War spread to Europe, setting off terrorism, riots and revolt across the continent and threatening already shaky regimes. Nowhere was the risk of collapse greater than in France, where the revolt of 1968 nearly toppled the government and led to the resignation of President Charles de Gaulle the

following year. Throughout those difficult times, the Paris Herald was at the center of events. Since being founded in 1887 by James Gordon Bennett, Jr., the Paris Herald has been essential to American expatriate life in Europe. In France, many Americans put down roots, married into French families and became permanent expatriates, in some cases exiles, like Bennett himself. The tense events of the 1960s touched the lives of every American in Paris, including many well-known artistic exiles: James Baldwin, Art Buchwald, William Saroyan, James Jones, Bud Powell, Dexter Gordon, Kenny Clarke, Joe Turner, Memphis Slim. As the crisis deepened, one shadowy man became the link between de Gaulle and the troika of newspaper owners, Whitney, Graham and Arthur Ochs Sulzberger. This man, Henri de Saint-Gaudens, a high French official in the Elysée Palace, understood the Herald's historical importance to Paris. The Paris Herald, a novel, is riveting historical drama, as relevant today as yesterday. It is a story never before told.

*Historical Phases of the New York Herald-Tribune* Heinz-Dietrich Fischer,2022-07-06 This volume concentrates on the history of the acclaimed 'New York Herald-Tribune' (1924 - 1966) and its two forerunners - the 'New York Herald' (1835 - 1924) and the 'New York Tribune' (1841 - 1924), and the

Pulitzer Prizes won by them. In addition, a look is also given to the 'International Herald-Tribune', the newspaper's European Edition, published in Paris. Heinz-Dietrich Fischer, EdD, PhD, is Professor Emeritus at the Ruhr-University of Bochum, Germany

*The Paper: The Life and Death of the New York Herald Tribune* Richard Kluger,2021-04-12 Few American newspapers, perhaps none, have matched the New York Herald Tribune in the crispness of its writing and editing, the bite of its commentators, the range of its coverage and the clarity of its typography. The "Trib", as it was affectionately called, raised newspapering to an art form. It had an influence and importance out of all proportion to its circulation. During the Civil War, Abraham Lincoln went to great lengths to retain the support of its co-founder, Horace Greeley. President Eisenhower felt it was such an important institution and Republican organ that he helped broker its sale to its last owner, multimillionaire John Hay Whitney. The Trib's spectacularly distinguished staffers and contributors included Karl Marx, Tom Wolfe, Walter Lippmann, Dorothy Thompson, Virgil Thomson, Eugenia Sheppard, Red Smith, Heywood Broun, Walter Kerr, Homer Bigart, and brothers Joseph and Stewart Alsop. At the close of World War II, the Herald Tribune, the marriage of two newspapers that had done more than any others to create modern daily journalism, was at its apex of power and prestige. Yet just twenty-one years later, its influence still palpable in every newsroom across

the nation, the Trib was gone. This is the story The Paper, a 1986 finalist of the National Book Award for Nonfiction and winner of the George Polk Prize, tells. "Probably the best book ever written about an American newspaper. But it is more than that – a brilliant piece of social history that recounts in vivid and telling detail the changing conception of 'news' in America... The book is chockablock with marvelous yarns... And what a cast of characters Kluger has to work with... Some of the most vivid pages in The Paper are Kluger's portraits of these arresting personalities." – J. Anthony Lukas, The Boston Globe "Monumental... with a narrative sweep that is always absorbing and sometimes breathtaking... What invigorates this history is Mr. Kluger's enthusiasm for his subject, which is apparent everywhere in the loving detail with which he tells the story... and in the liveliness of the prose with which he profiles some of the Tribune's more unusual personalities." – Christopher Lehmann-Haupt, The New York Times "Engrossing... if there is a better book about an American newspaper, I am unaware of it... It is loaded to the gunnels with newspaper anecdotes, but at its core The Paper is a book about the relationship between the press and the powerful, the press and the wealthy." – Jonathan Yardley, Washington Post Book World "The romance of The Front Page, genteel anti-Semitism, the disaster of newspaper labor relations, and the rise and fall of newspaper fortunes. All are there in The Paper. It is irresistible." – Anthony Lewis "Compelling... most delightfully so when Mr. Kluger is limning the words and

deeds of the people who made The Paper crackle with vitality for more than a century... He does a remarkable job of bringing these people to life on the printed page.” – David Shaw, The New York Times Book Review “Remarkable... a fascinating account of a greatness that once was... This book will hold you in its narrative grip as you revel in a story of a grand venture and epic characters... Here the history of a newspaper is a graphic presentation of a nation’s life.” – Kirkus Reviews “Richard Kluger is uniquely qualified to tell this tale... He brings a novelist’s imagination to some vivid material.” – Paul Gray, Time Magazine “Fascinating from start to finish, the best book about American journalism since Swanberg’s Citizen Hearst. Huge and engrossing.” – Larry Lee, San Francisco Chronicle “A magnificently romantic history not only of the ill-fated New York Herald Tribune but of New York newspapering generally... peopled with unforgettable heroes and knaves.” – Robert Sherrill, Chicago Sun-Times

Encyclopedia of Journalism Christopher H. Sterling, 2009-09-23 Written in a clear and accessible style that would suit the needs of journalists and scholars alike, this encyclopedia is highly recommended for large news organizations and all schools of journalism. –Starred Review, Library Journal Journalism permeates our lives and shapes our thoughts in ways we’ve long taken for granted. Whether we listen to National Public Radio in the morning,

view the lead story on the Today show, read the morning newspaper headlines, stay up-to-the-minute with Internet news, browse grocery store tabloids, receive Time magazine in our mailbox, or watch the nightly news on television, journalism pervades our daily activities. The six-volume Encyclopedia of Journalism covers all significant dimensions of journalism, including print, broadcast, and Internet journalism; U.S. and international perspectives; history; technology; legal issues and court cases; ownership; and economics. The set contains more than 350 signed entries under the direction of leading journalism scholar Christopher H. Sterling of The George Washington University. In the A-to-Z volumes 1 through 4, both scholars and journalists contribute articles that span the field's wide spectrum of topics, from design, editing, advertising, and marketing to libel, censorship, First Amendment rights, and bias to digital manipulation, media hoaxes, political cartoonists, and secrecy and leaks. Also covered are recently emerging media such as podcasting, blogs, and chat rooms. The last two volumes contain a thorough listing of journalism awards and prizes, a lengthy section on journalism freedom around the world, an annotated bibliography, and key documents. The latter, edited by Glenn Lewis of CUNY Graduate School of Journalism and York College/CUNY, comprises dozens of primary documents involving codes of ethics, media and the law, and future changes in store for journalism education. - International Herald Tribune Introduction**
- Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than

ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and

much more. One notable platform where you can explore and download free International Herald Tribune PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations,

to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This

efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free International Herald Tribune PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and

intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of International Herald Tribune free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners,

contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### **FAQs About International Herald Tribune Books**

1. Where can I buy International Herald Tribune books?  
Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer

- a wide range of books in physical and digital formats.
