Your 24/7 Online Job Search Guide Lamont Wood, 2002-10-15 Getting a job is a race to the finish line . . . So why walk when you can run? You might think that only techies and geeks look for jobs online and that only high-tech companies list their openings on Web sites. But you'd be wrong. In the information age, going online is often the quickest, easiest, and cheapest way to find what you're looking for—and that holds true for job hunters, too. In fact, if you aren't online, you're missing out on thousands of opportunities in almost every field. And you don't have to be a computer genius. All you need is access to the Internet and a little bit of guidance. Using the Internet—and this book—you can get your name and resume in front of more people in an hour than you can in a week using conventional methods. Your 24/7 Online Job Search Guide is designed for those who don't have much computer experience. Fast, easy, and informative, this book gives you the knowledge you need to get online—and get a job. Topics include: * An introduction to the Internet and the job-search resources you can find online * Assessing your goals and getting started * Protecting yourself from identity theft and other frauds * Building your online resume * Using e-mail, Usenet, mailing lists, and newsgroups * The best job-search sites and industry-specific sites on the Web * Technical terms you might need to know * Using corporate information sites to investigate a particular company * Doing in-person interviews

How to Use the Internet to Get Your Next Job Carmen Glover, Janet Nagle, 2010-01-08 With a looming unemployment rate hovering around 10 percent, finding a new job may be more than you can stomach. But even in this clouded economy, employers are hitting the virtual pavement to find top-tier talent — some employers estimate 75 percent of their staff came through online applications. The search does not have to be daunting: *How to Use the Internet to Get Your Next Job* shows you how to weave through the Web in your next job search. In this book, you will learn how to conduct an effective job search by determining keywords and phrases, creating an online résumé, and also how to research potential employers. But it does not stop there: This book compiles and analyzes the major job sites — Monster.com, Yahoo! Hot Jobs, and CareerBuilder.com — as well as niche sites for every industry, from health care and administrative to accounting and public relations. This book also lists résumé banks and online newspapers to round out your Internet search. *How to Use the Internet to Get Your Next Job* shows how to harness the powerful search capabilities of the Internet to find (and land) your dream job, no matter what industry and no matter what level. The strategies will help you conduct a time saving, low-cost, and high-impact job search. Whether you are searching for your first job out of college or looking to change careers, *How to Use the Internet to Get Your Next Job* gives you the most comprehensive Internet search to help you find your best-suited job.
