Simplifying Timeshare 2nd Edition Karen Holden,2014-10-03 Do you own a timeshare property, but are not sure how use it to its full potential? Perhaps it is the thought of owing a timeshare that scares you? Maybe you have been asked to attend a sales presentation while on your vacation and been afraid of high pressure tactics? Well, fear no more ? this 2nd edition of Simplifying Timeshare is written in a simple straight forward manner that is easy to follow and understand. For current owners - learn how to use it so that you can get the most out of your ownership or maybe just refresh your memory on those things that you may have simply forgotten. From explanations of industry terminology, all those pesky fees, to the chapter on updated exchange options and member benefits, including a newly added chapter on how to handle those email or telephone scams which have appeared in the past few years and much more. For those who are unfamiliar with timeshare and what benefits it may provide for you and your family, the book provides a quick read that contains personal antidotes as well as easy, self-awareness quizzes for you to do in order to help you decide whether timeshare is or is not right for your lifestyle. Covering everything from the history, the major players, laws, the in's and out's of a sales presentation process, real costs and what you should know about buying one. Has the public perception of the industry improved in this new millennium? Has social media impacted the industry? Find out the answers to these questions because as the timeshare industry continues to prove itself as a viable high end vacation alternative to those disappointing, less expensive options. Today s buyers understand the importance of their non-working time and how to help shape their vacations and lifestyle choices. The most important reason you should read the book ? it provides real and factual buying and user information on the timeshare/vacation ownership industry to help to eliminate the negative stigma and perception.

My Fun Life Dr. Peter J. Shield PhD,2014-04-11 Dr. Shield has spent over 25 years in the 'timeshare' and travel industry. He has long felt that there was a need for a definitive work that pulled no punches when it came to discussing this highly controversial subject of travel clubs and the timeshare industry. As someone who has experienced every aspect of the business from both sides of the fence he felt the need to document the immense progress and development that the industry has made over his short time as an active player. In documenting his travels through this business his goal is to provide a better understanding of these great products, not just to perspective and existing owners but to those sales and marketing executives who have a responsibility to present the travel club and timeshare industry for what it really is—the ultimate vacation vehicles! During his first year in the industry, he was taught a phrase that has stayed with him throughout his exciting 25 years in the business; “know the game you’re in!” Whilst this phrase is appropriate for almost any job or career, it is particularly true of the vacation industry—both from the perspective of the seller or buyer. If you are about to embark on a career in the travel industry, this work will give you an insight into the tremendous responsibility and opportunity you have to literally change people’s lives for the better! To enable families to enjoy the opportunity to spend valuable time together. Time that once lost can never be recaptured! Industry statistics report that over 4.4 million households in the USA alone own a week or more of timeshare! There are now over 5,425 beautiful resorts around the world of which over 31% are in the USA. Domestic sales in the USA alone amount to billions of dollars annually.
