**The God in the Clear Rock** Lucian Randolph,2011-04-28 Seriously one of the greatest things I've ever read. - - Wil Wheaton In 50 hours, the world as we know it will end... Like a celestial alarm clock, the sun is about to enter a cycle of giant storms that will decimate life on Earth and destroy our modern civilization. It's happened before, but it was long before humans even had writing. Now it will occur again in 50 hours. Amid this imminent catastrophe is the God in the Clear Rock, a mysterious presence influential throughout the history of ancient man on the American continents. And she has a secret. Following stories from history, fast-paced scenes jump across centuries and millennia of time as the mystery of the God in the Clear Rock deepens. Coming together over years, unforgettable characters and epic events throughout the history of man unknowingly countdown in a race against the sun. - - - - - THE GOD IN THE CLEAR ROCK has everything you could want in an epic sci-fi story; ancient civilizations, giant humans, advanced technology, military secrets, artificial intelligence, and a timeline that covers 78 millennia. Engaging, imaginative, and believable writing will drag you into the intrigue and drama as it begins to unfold across the planet. First in a six-book series covering the 50 hour countdown, THE GOD IN THE CLEAR ROCK presents the initial eight-and-a-half hours. But 78,000 years of brutal history and adventure lead up to this first exciting book. The story blends the hour-by-hour style of the TV drama 24 and the intelligent storytelling of Asimov with the twisted plots of George R.R. Martin; the result is a page turner you can't put down. It's filled with science, technology, history and adventure, plus a sci-fi twist on a cliff-hanger ending that will have fans jumping into the second book in the series, THE HOLE IN THE MAGIC SHIELD (available now). Each of the six books is an installment in the 50-hour story. Newly revised second edition.

**The Clear Light** Steve Taylor,2020-09-29 As Eckhart Tolle has written, poetry has been recognized since ancient times as a highly appropriate medium for the expression and transmission of spiritual truth. The Clear Light is Steve Taylor's latest contribution to this poetic tradition, offering short and powerful reflections as a guide to spiritual awakening and as experiential glimpses of the state of enlightenment itself. Taylor ranges widely, through subjects including Making the Human Race Whole, Freedom from the Past, and The Reality of Connection, always in clear and simple language. Best of all, he reminds us of the choices we always have when life feels chaotic and overwhelming: empathy, acceptance, and love. Soothing but also challenging, Taylor's words continually affirm the profound bedrock of peace and even joy in the present that is always available. The book's eponymous reflection says it best: There is nothing that can't be undone no past injury that can't be healed no past mistake that can't be corrected in the clear light of the present. Reading this book is a transformational spiritual experience in itself.

**In the Clear Moonlit Dusk 2** Mika Yamamori,2021-09-21 Yoi Takiguchi is a girl who's called a prince because of her beautiful appearance and the stylish way she carries herself. She had mixed feelings about longing to be like a shojo manga hero. That's when she meets Ichimura-sempai, who is also called a prince. She didn't have a good impression of him at first, but her feelings began to change after he helped her out with something and got more involved with him, and then decided to go out with him as a trial?

**In the Clear Moonlit Dusk 5** Mika Yamamori,2023-07-25 After a tumultuous trial period, Yoi and Ichimura-sempai finally pour their hearts out at the summer festival, and the two officially start going out. It's uncharted waters now for both teenagers, and while Yoi insists on keeping things at a measured pace, Ichimura-sempai is about ready to dive in headfirst. With school out for the summer, it'll be Yoi's first time being in a relationship during a long break, and her boyfriend suggests...a trip to Kobe?!

**In the Clear Moonlit Dusk 1** Mika Yamamori,2021-07-13 Yoi Takiguchi has long legs, a deep voice, and a handsome face...in other words, Yoi is such a good-looking guy that most people don't notice or care that she is, in fact, a girl. Indeed, she's had the nickname Prince as long as she can remember. That is, until she met Ichimura-senpai...the only person who's really seemed to see her for herself. To her surprise, she's not sure how to handle this new relationship, especially when her newfound friend is a prince himself (and a guy prince, at that). The story of the two high school princes starts here!

**Going Clear** Lawrence Wright,2013-01-17 NATIONAL BESTSELLER • NATIONAL BOOK AWARD AND NATIONAL BOOK CRITICS CIRCLE AWARD FINALIST • From the Pulitzer Prize-winning author of The Looming Tower comes “an utterly necessary story” (The Wall Street Journal) that pulls back the curtain on the church of Scientology: one of the most secretive organizations at work today. • The Basis for the HBO Documentary. Scientology presents itself as a scientific approach to spiritual enlightenment, but its practices have long been shrouded in mystery. Now Lawrence Wright—armed with his investigative talents, years of archival research, and more than two hundred personal interviews with current and former Scientologists—uncovers the inner workings of the church. We meet founder L. Ron Hubbard, the highly imaginative but mentally troubled science-fiction writer, and his tough, driven successor, David Miscavige. We go inside their specialized cosmology and language. We learn about the church's legal attacks on the IRS, its vindictive treatment of critics, and its phenomenal wealth. We see the church court celebrities such as Tom Cruise while consigning its clergy to hard labor under billion-year contracts. Through it all, Wright asks what fundamentally comprises a religion, and if

Scientology in fact merits this Constitutionally-protected label.

**The Book of Revelation Made Clear** Tim LaHaye,Timothy Parker,2014-07-15 The Bible’s final book, Revelation, can seem intimidating or downright impossible to comprehend, but this guided tour by Bible scholar Tim LaHaye and renowned puzzle master Timothy E. Parker makes it easily understandable. Filled with complex imagery, vivid depictions of violence, and challenging spiritual references, Revelation is often set aside by readers in favor of more straightforward, easier-to-digest biblical material. Yet the capstone of the canon need not remain a mystery. Cleverly designed for maximum learning and retention, this book covers every verse of Revelation step by step and, for each grouping of verses, includes a short three-question pre-quiz; the passage of scripture being addressed; a precise explanation of what the scripture means; and, finally, the same three questions repeated with the answers provided. By following this method, you will be amazed at how well you retain the teachings. Absorb this book and discover afresh?or for the first time?the richness of Revelation and its God-breathed, life-changing power to deepen your walk of faith.

**Clear-hearers** John DeSouza,2017-09-28 The Clear-Hearers is the story of an investigation. It is the true story of visitation and messages from an incredibly powerful source. It recounts the author's lifelong investigation into the identity of the Great Voice and it depicts the struggles of many Clear-Hearers-historical figures who experienced the Great Voice throughout their lives. Yet, it becomes clear that the reality of the Great Voice will never be revealed by leaders of society but only by Clear-Hearers who live alongside us every day. By letting go of the pat answers that give people comfort (that the Great Voice is God, the angels or the spirits of the dead) we can move forward together and root out the true identity of that Great Voice. Once that truth is unfolded, there will be a new voice in the paranormal, one that has been there all along.
