**The Naked Truth about Hedonism II** Chris

Santilli,Scarlett, Oh! Publishing,2010-07 What Happens in Jamaica, Stays in Jamaica? Except in this tell-all, cheeky guide to the world's naughtiest resort, Hedonism II. Everyone returns from Hedonism II with at least one good story no one at home believes. Is Hedonism II a retirement home for worn-out swingers? Is it a testosterone tour-de-force with too few eligible single women to clamor over? Is it a cult that sucks away all your vacation time? Well, the last one might be true. Learn why Hedonism II has a 90% repeat guest rate--even though the facilities are tired, the food is mediocre, and the beach sand hurts your feet--if you are still standing after a week. The Hedo myths: Only young singles go to Hedonism II. People walk around naked everywhere. Open sex is rampant. Someone will try to steal your wife. Every myth has its truth...but Hedonism II is 50% couples--and most guests are over 30, full nudity is only allowed on one beach, the hotel does not condone public sex (but it happens), and your wife--well, that's her choice. But at Hedo you will see what you've never seen before. And you might do it too. Here are the truths and tips that will make your vacation to Hedonism II the most fun trip you'll ever take--again and again. FYI: The resort Hedonism II did not authorize this book; the book includes the good, bad, and the ugly. Although the resort's owners tried to stop distribution of the 1st ed. of the book in federal court in 1998, the author enjoys Hedonism II as a

vacation destination and continues to travel there regularly.

This book is appropriate as a resource in criminology, policing, and criminal justice special topic courses, as well as a variety of violence and police courses such as policing, policing administration, police-community relations, police misconduct, and violence in society. Stinson uses examples from his own research to explore police

violence, acknowledging the difficulty in studying the topic because violence is often seen as a normal part of policing.

*Shot Over Into the Shotover* Richard J. Waugh, 2018 In New Zealand de Havilland DH89 Rapides/Dominies have been continuously flying longer than any other aircraft type - for over 80 years - and with no fatalities. But experienced pilot Brian Waugh's Dominie was forced down by engine failure into Queenstown's Shotover River. This book tells the absorbing story of this unusual accident. The subsequent intrigue involved engine reliability issues, an inadequate accident investigation, and how Waugh, a licensed aircraft engineer, while recovering from his injuries, happened by chance to inspect one of the engines being dismantled for overhaul. What he discovered led him to relentlessly advocate for a proper investigation ...--Publisher's description.
