Poetry Where You Live Raymond A. Foss,2009-05-26 Poetry Where You Live is a state of mind, believing that poetry, like Gods grace, is where you live, not something you have to seek out in some distant place. The beauty of nature, the faith that sustains us, the smile of our daughters, and the love that we share, these are all subjects of my poetry. I have been truly humbled by this gift from God. I have tried to be faithful to the call to write, to share, to spread the good news truly to the ends of the earth. Please visit Poetry Where You Live (www.raymondafoss.blogspot.com), for my 4,000+ poems. I hope these words bring joy, love, peace, and belief to a troubled world. People say that a picture speaks a thousand words. With poetry, I can paint a picture, capture a moment, a smell, a scene in a handful of words. I hope these words paint pictures for you.

Why It's OK to Love Bad Movies Matthew Strohl,2022-01-06 Most people are too busy to keep up with all the good movies they'd like to see, so why should anyone spend their precious time watching the bad ones? In Why It's OK to Love Bad Movies, philosopher and cinematic bottom feeder Matthew

Strohl enthusiastically defends a fondness for disreputable films. Combining philosophy of art with film criticism, Strohl flips conventional notions of good and bad on their heads and makes the case that the ultimate value of a work of art lies in what it can add to our lives. By this measure, some of the worst movies ever made are also among the best. Through detailed discussions of films such as Troll 2, The Room, Batman & Robin, Twilight, Ninja III: The Domination, and a significant portion of Nicolas Cage's filmography, Strohl argues that so-called bad movies are the ones that break the rules of the art form without the aura of artistic seriousness that surrounds the avant-garde. These movies may not win any awards, but they offer rich opportunities for creative engagement and enable the formation of lively fan communities, and they can be a key ingredient in a fulfilling aesthetic life. Key Features: Written in a humorous, approachable style, appealing to readers with no background in philosophy. Elaborates the rewards of loving bad movies, such as forming unlikely social bonds and developing refinement without narrowness. Discusses a wide range of beloved bad movies, including Plan 9 from Outer Space, The Core, Battlefield Earth, and Freddy Got Fingered. Contains the most extensive discussion of Nicolas Cage ever included in a philosophy book.
