The forty motifs explore the roses and wildflowers that appear season to season, as well as the bees and butterflies that enjoy their nectar. The designs here are exquisite, detailed, and artfully rendered. *Brothersong* TJ Klune,2022-09-01 The beloved fantasy romance sensation by New York Times bestselling author TJ Klune, about love, loyalty, betrayal, and joy. The Bennett family has a secret: They're not just a family, they're a pack. Brothersong is Carter Bennett's story. In the ruins of Caswell, Maine, Carter Bennett learned the truth of what had been right in front of him the entire time. And then it—he—was gone. Desperate for answers, Carter takes to the road, leaving family and the safety of his pack behind, all in the name of a man he only knows as a feral wolf. But therein lies the danger: wolves are pack animals, and the longer Carter is on his own, the more his mind slips toward the endless void of Omega insanity. But he pushes on, following the trail left by Gavin. Gavin, the son of Robert Livingstone. The half-brother of Gordo Livingstone. What Carter finds will change the course of the wolves forever. Because Gavin's history with the Bennett pack goes back further than anyone knows, a secret kept hidden by Carter's father, Thomas Bennett. And with this knowledge comes a price: the sins of the fathers now rest upon the shoulders of their sons. The Green Creek Series is for adult readers. Now available from Tor Books. *Penjing: The Chinese Art of Bonsai* Zhao Qingquan,2012-04-10 With hundreds of color photographs and illustrations, this Chinese gardening book is a wonderful introduction to penjing—China's treasured bonsai art. Although most people thing bonsai is a Japanese invention, the art originated in ancient China where it is called penjing. The two Chinese characters for penjing (pot and landscape) capture the essence of this art: sculpting microcosms of the beauty of the natural world from plants, rocks, soil, and water, both as an artistic process and as horticultural cultivation. Both penjing and bonsai are art forms that express the beauty of nature. In China, bonsai, as a part of penjing, is often called tree penjing, or tree in a pot. The Chinese divide penjing into three categories: tree penjing, rock penjing, and water-and-land penjing. This Chinese

gardening book showcases the Chinese art of penjing in all its aspects for the benefit of penjing aficionados and all other readers interested in Chinese culture. It covers the concept, history, categories, aesthetic features, techniques, display, appreciation, and preservation of penjing. It is a feast for the eyes while providing a wealth of information for the academically inclined as well as the practically minded. There are more than 300 lavish illustrations grouped into three different categories of penjing. The reader will not only be awed by the beautiful compositions of penjing, but will also learn about the Chinese approach to nature and to life.
