Digital Reading of Net Generation in China Han Zhang,Jiajie Lu,2023-08-04 With the methodology of eye-tracking experiments, in-depth interviews, and large-scale questionnaires across cities, this book provides a panoramic vision of digital reading and social interaction among the new generations in China. Growing up under the background of social transformation, cultural integration, and technological progress, digital reading of the Chinese net generation presents complex characteristics. People born in the 1980s and 90s are better educated, have democratic consciousness, and have strong motivations for self-expression. Meanwhile, reading behaviours affect their content production, virtual identities, and socialization in the real world. The immense need for digital content fuels the digital reading industries. Internet literature, social media articles, reading apps, and e-reader devices have also benefited from media content and interface innovation in the market. This book provides a solid scientific foundation for reading promotion and guiding strategies in the context of digital media and offers empirical evidence for policy formulation of reading promotion and spiritual civilization in the digital age. The authors expand the perspective of communication studies on digital reading and analyze how the youth reads on digital devices and creates content for interest or profit. The book will be a great read for students and scholars of mass communication, media studies, and digital publishing.

The Rust Programming Language (Covers Rust 2018) Steve Klabnik,Carol Nichols,2019-09-03 The official book on the Rust programming language, written by the Rust development team at the Mozilla Foundation, fully updated for Rust 2018. The Rust Programming Language is the official book on Rust: an open source systems programming language that helps you write faster, more reliable software. Rust offers control over low-level details (such as memory usage) in combination with high-level ergonomics, eliminating the hassle traditionally associated with low-level languages. The authors of The Rust Programming Language, members of the Rust Core Team, share their knowledge and experience to show you how to take full advantage of Rust's features--from installation to creating robust and scalable programs. You'll begin with basics like creating functions, choosing data types, and binding variables and then move on to more advanced concepts, such as: Ownership and borrowing, lifetimes, and traits Using Rust's memory safety guarantees to build fast, safe programs Testing, error handling, and effective refactoring Generics, smart pointers, multithreading, trait objects, and advanced pattern matching Using Cargo, Rust's built-in package manager, to build, test, and document your code and manage dependencies How best to use Rust's advanced compiler with compiler-led programming techniques You'll find plenty of code examples throughout the book, as well as three chapters dedicated to building complete projects to test your learning: a number guessing game, a Rust implementation of a command line tool, and a multithreaded server. New to this edition: An extended section on Rust macros, an expanded chapter on modules, and appendixes on Rust development tools and editions.

2022 2nd International Conference on Management Science and Software Engineering (ICMSSE 2022) Syed Abdul Rehman Khan,Noor Zaman Jhanjhi,Hongbo Li,2023-02-10 This is an open access book. Management science and engineering is a systematic discipline that combines modern information technology and digital technology, and then uses some related discipline methods, such as systems science, mathematical science, economics and behavioral science, and engineering methods. After analyzing and researching some problems arising from social economy, engineering, education, finance, etc., and making corresponding countermeasures. The main purpose is to achieve control and planning, decision-making and adjustment in social, economic, education, engineering

and other aspects, and then make improvements, and finally organize and coordinate. The relevant departments can be combined to achieve system management, so that the allocation of resources and the Management can be rationally optimized, so that individual functions can play the greatest role, minimize resource consumption, and maximize the optimal allocation of resources. This is also the ultimate research purpose. Liangliang Wang said: Management is the productive force, which promotes the development of the country, society and enterprise. The relationship between management practice and management science is the relationship between theory and practice. The research on management science helps to improve the level of management, and then promote the development of the country, society and enterprises. On the other hand, management practice changes with the continuous progress of the times. It is necessary to study the current situation and trend of management science in the new era, which will help to clarify the future development direction of the discipline and discover the deficiencies in management scientific research and grasp it. The focus of management science research, thereby promoting research in management science. Therefore, it is necessary to create a space for management science practitioners, engineering practitioners, researchers and related enthusiasts to gather and discuss this current issue. The 2nd International Conference on Management Science and Software Engineering (ICMSSE 2022) aims to accommodate this need, as well as to: 1. provide a platform for experts and scholars, engineers and technicians in the field of management and software engineering to share scientific research achievements and cutting-edge technologies 2. understand academic development trends, broaden research ideas, strengthen academic research and discussion, and promote the industrialization cooperation of academic achievements 3. Promote the institutionalization and standardization of management science through modern research The conference will focus on software processing and information systems, combining research directions in the field of management. ICMSSE International Conference on Management Science and Software Engineering welcomes papers dealing with management systems research, software programming, management systems optimization, information systems management, etc. The 2nd International Conference on Management Science and Software Engineering (ICMSSE 2022) will be held in Chongqing on July 15-17, 2022. The conference sincerely invites experts, scholars, business people and other relevant personnel from domestic and foreign universities, research institutions to participate in the exchange.

I Have No Mouth & I Must Scream Harlan Ellison, 2014-04-29 Seven stunning stories of speculative fiction by the author of *A Boy and His Dog*. In a post-apocalyptic world, four men and one woman are all that remain of the human race, brought to near extinction by an artificial intelligence. Programmed to wage war on behalf of its creators, the AI became self-aware and turned against humanity. The five survivors are prisoners, kept alive and subjected to brutal torture by the hateful and sadistic machine in an endless cycle of violence. This story and six more groundbreaking and inventive tales that probe the depths of mortal experience prove why Grand Master of Science Fiction Harlan Ellison has earned the many accolades to his credit and remains one of the most original voices in American literature. *I Have No Mouth and I Must Scream* also includes "Big Sam Was My Friend," "Eyes of Dust," "World of the Myth," "Lonelyache," Hugo Award finalist "Delusion for a Dragon Slayer," and Hugo and Nebula Award finalist "Pretty Maggie Moneyeyes."

Married to the Devil's Son 1 Anthology Jasmine Josef, 2019-07-04 □ Volume 1 - Married to the Devil's Son □ A prince, rumored to be the son of the Devil. He is the definition of Danger. He is the Darkness itself. A princess. Imprisoned in her own home, only to come out once she gets married. But married to whom? *** Once upon a time, the Devil fell in love with one of the King's many wives. One night he went to her room disguised as her husband and made love to her. She got pregnant with his child. Knowing this The King ordered her execution believing his wife cheated on him, but then the Devil appeared to the king making him a deal. In exchange for great power for his Kingdom, the King will let his wife Sire The Devil's Child. The King who was greedy for power agrees to the deal and his Kingdom becomes one of the most powerful Kingdoms and the Devil's Child, the seventh Prince of the Kingdom. Being a princess probably sounds nice. A life full of luxury, beautiful dresses and nice shoes, but for Hazel, there is nothing nice about being a princess. She can never go outside the palace, she can never have friends, she can never eat or say or wear whatever she wants and she can never choose the person she is going to marry. Soon she's getting married to a man she has never met, a prince rumored to be Son of the Devil.

□ Volume 2 - Return of the Devil's Son □ **Sequel to Married to the Devil's son** He is back! This time fiercer, faster and stronger, with only one thing in mind. Revenge! Prince of Darkness, Son of the Devil, Lucian is back, and he has only one thing on his mind. Revenge! That's until he meets her. A woman who entices him beyond reason, but who also claims to be his wife. Surrounded by dark secrets and powerful enemies, Lucian must decide who to trust and who to destroy. After getting her heart broken once, Klara vowed never to fall in love again. But when her brother tries to force her into a marriage and the annoying but wickedly handsome Roshan rescues her, things get difficult. Can she protect her heart from the man whose touch sets her body aflame? Or will she surrender to her desire and risk her heart once again? —————

□ Volume 3 - The Devil In Her Dreams □ THE BEAST AMONGST US Imagine living in a world full of fiery, feral beings, hiding in the shadows, roving in our dreams, creeping under our skin. Eavesdropping, manipulating our minds and exploring our bodies. They are savages, beasts but some of them are companions and childhood friends. Some are dangerous,

others even more dangerous. They live amongst us. Some of us call them Demons, others call them Djinn. But some of them should never be called. THE BEAUTY LOOKING FOR LOVE Heaven, the devil's granddaughter and princess of Decresh has everything in life. Loving parents, beauty, wealth, and status. But one thing is missing. And that is love. Heaven dreams of the kind of love her parents have and now that she has come of age to get married she has to find her dream man and the future king of Decresh. And she has to find him soon. There is one man. A mysterious silver-eyed stranger who keeps appearing in her dreams. Who is he and what does he want? As the line of suitors grows, Heaven's dreams become more vivid forcing her to go on a journey to find the man in her dreams. Could he also be the man of her dreams? Or would he turn out to be a nightmare?

Mated to the Alpha King Jennise K,2016-11-19 You're beautiful and kind and very smart. But best of all, you're mine. Do you remember the stories your Grandma used to tell you every night about cursed beasts, village beauties, girls in red capes and wolves in disguises? Well, maybe, just maybe... they actually do happen. Maybe, beasts do exist. They do. I would know. I am bound to one. Whom, you may ask? Well, I am mated to the Alpha King. How? You will see. You will live through it with me. I am Theia Anderson. I am just like any one of you, human, alive, and breathing. But unlike any one of you, I've stumbled upon a world that until yesterday... I couldn't even fathom into existence. This is my story.

Internet Literature in China Michel Hockx,2015-02-10 Since the 1990s, Chinese literary enthusiasts have explored new spaces for creative expression online, giving rise to a modern genre that has transformed Chinese culture and society. Ranging from the self-consciously avant-garde to the pornographic, web-based writing has introduced innovative forms, themes, and practices into Chinese literature and its aesthetic traditions. Conducting the first comprehensive survey in English of this phenomenon, Michel Hockx describes in detail the types of Chinese literature taking shape right now online and their novel aesthetic, political, and ideological challenges. Offering a unique portal into postsocialist Chinese culture, he presents a complex portrait of internet culture and control in China that avoids one-dimensional representations of oppression. The Chinese government still strictly regulates the publishing world, yet it is growing increasingly tolerant of internet literature and its publishing practices while still drawing a clear yet ever-shifting ideological bottom line. Hockx interviews online authors, publishers, and censors, capturing the convergence of mass media, creativity, censorship, and free speech that is upending traditional hierarchies and conventions within China—and across Asia.

The Way to Go Ivo Balbaert,2012 This book provides the reader with a comprehensive overview of the new open source programming language Go (in its first stable and maintained release Go 1) from Google. The language is devised with Java / C#-like syntax so as to feel familiar to the bulk of programmers today, but Go code is much cleaner and simpler to read, thus increasing the productivity of developers. You will see how Go: simplifies programming with slices, maps, structs and interfaces incorporates functional programming makes error-handling easy and secure simplifies concurrent and parallel programming with goroutines and channels And you will learn how to: make use of Go's excellent standard library program Go the idiomatic way using patterns and best practices in over 225 working examples and 135 exercises This book focuses on the aspects that the reader needs to take part in the coming software revolution using Go.

The Gates Of Neptune Gilbert Morris,1994-09-09 In the second book of the series, the adventurous seven battle terrifying creatures and evil Lord Necros to save lost Atlantis.

Toxic Capitalism Gilbert Van Kerckhove,2012 Gilbert has written the book we all wish we could write. It offers a very concise description of the world's economic, environmental, social, and governmental problems, but more importantly, it tells us what we can do about them now, before it is too late. The book is jam-packed with interesting data, much of which is from China the new epicenter of toxic capitalism. Although it can be used as a great reference, it is not merely an academic tome. It has an armchair feel and is a terrific read. Bravo! Frank T. Gallo, Ph.D., Chief Leadership Consultant, Aon Hewitt Greater China, and the author of Business Leadership in China

Beg For It Megan Hart,2019-11-12 She had never been more beautiful to him than when she was making him hurt. Corinne was young once. Reese wasn't her first lover, but he was the first to submit to her. For a while they had something special, but it ended badly. She's a little older now — and the wealthy businessman who just bought the company she works for bears little resemblance to that boy. He's commanding, domineering, and seems hell-bent on pushing her past her limits. In a flash of anger, she falls back into their old pattern—and Reese falls right in with her. Before she knows it, she's testing him. Then tasting him. Corinne knows she can't afford to get involved again. Her life is complicated enough without throwing in a slew of kink. Now if only Reese would stop making her feel like the goddess she used to be...and showing her who's been the boss all along. But if he wants her, he's going to have to beg for it.

Married by Mistake: Mr. Whitman's Sinner Wife Sixteenth Child, Madeline Crawford has loved Jeremy Whitman for twelve years, but ultimately it was him who sent her to prison. In between her suffering and pain, she had to witness her man fall in love with another woman...Five years later, she has returned with renewed strength, no longer the same woman he belittled years ago!With this newfound strength, she will tear apart those who pretend to be pure and step on the scums of this earth. However, just as she is about to have her revenge with the man who wronged her... He suddenly turns from a cold, unfeeling psychopath, to a caring, warm and loving man!In fact, he even kisses her feet in front of a crowd, all while promising her, "Madeline, I was wrong to love another. From now on, I will spend the rest of my life trying to make it up to you." To which Madeline replies, "I'll only forgive you if you....die."

A C++ Toolkit Jonathan S. Shapiro,1991 Less than one quarter of one percent of the code written is used more than once, even when a second program requires the same tool as the first. One of the strengths of the C++ language is its ability to build reusable components and this book is about building reusable components in C++.

Ireader Offline Introduction

In the digital age, access to information has become easier than ever before. The ability to download Ireader Offline has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Ireader Offline has

opened up a world of possibilities. Downloading Ireader Offline provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Ireader Offline has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Ireader Offline. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Ireader Offline. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Ireader Offline, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect

themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Ireader Offline has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
