**Islam 101** Arshad Khan,2003-01-28 Islam 101: Principles and Practice is a primer on Islam that addresses the information needs of non-Muslims interested in learning about the fastest growing religion in the world—quickly and without being initially encumbered by details. Islam 101 will also benefit young Muslims, especially those living in Western societies, who want to learn the basics of Islam. Islam 101 reviews the fundamental principles, beliefs, and practical aspects of Islam. It covers diverse topics such as morals, good and bad deeds, personal characteristics, rights and obligations, women's rights, Islamic law, sectarian differences, relations with other religions, as well as day-to-day issues. It also indicates how some Muslims, through their practice, have deviated from Islam's true purpose and meaning. Islam 101 is a useful tool for disseminating information about Islam and Muslims. It will help overturn the stereotyping of Muslims that has developed over the years from the actions of adherents who failed to follow true Islamic teachings.

Islam Exposed Floyd C. McElveen,2011-01 Question: How many religions host offensive terrorist training camps? Do the Baptists? Fundamentalists? Catholics? Presbyterians? Russian Orthodox? Jewish? Buddhists? Hindus? Methodists? Lutherans? Christian Scientists? Atheists? Or anyone else except Islam? No, not one. Only the Muslims under the guise of Jihad conduct such camps. Why? Think about it. It is an integral part of the Islamic religion to destroy all others and to control the world. This is obvious, yet it is ignored internationally and especially by mainstream media -- ignored to the peril of all. There seems to be an effort to paint America and/or Israel as the evil empire, and all the while Muslims are killing millions all over the globe today! We must wake up. This book, although brief, explains the history and fundamentals of Islam with definitive descriptions of various confusing Islamic terms. It outlines the Muslim agenda, including their next primary goal of conquering America and Israel, and establishing Sharia law. This is not a fairy tale. The author clearly documents present-day terror, killings worldwide, and the grave threat to all Western nations. - Back cover.

**101 Ways Islam Gives Love to the Bible** Mohamed Moussa Ghounem,2022-12-17 Love in the Quran is bountiful for the Bible followers. Love is provided to the Bible on assorted levels, from narrations on Adam to Jesus Christ. Love brings people together. In a beautiful and melodious method, the Quran also brings harmony between Jews and Christians. Enjoining the scriptures into one, the Quran mediates, reconciles, and unites. Love comes from mutual understanding and coherent communication. The Quran preserved in its original language and version for nearly 1,400 years, has been a clear untainted light of guidance, removing immoral laws and dispelling evil traditions. Numerous curses and questionable killings have been lifted and revealed. According to the Bible, at the final moments of Jesus Christ, despite repeated pleas by the Messiah, God had forsaken Jesus, abandoning Jesus at his time of need: "At about three in the afternoon Jesus cried out with a loud voice, Eli, Eli, lema sabachthani? that is, My God, My God, why have You forsaken Me? (Matthew 27:46) Upon a closer examination, we discover that God throughout the Bible has forsaken humans, while the Quran clarifies the Bible accounts to show how God loves humans, thus providing love to the Bible. While God does forsake evil doers, it is all too evident in the Bible that the righteous are also forsaken. This study will show the ways the Bible forsakes humans compared to the relevant verses in the Quran on how humans are loved.

Allah Shaik Kadir,2016-05-16 This book, Allah: Understanding God in Islam, apart from describing what Islam is, explains that all prophets sent by

God, including Prophet Abraham, Prophet Moses, and Prophet Jesus (Jesus Christ), were Islams prophets too and that Muslims must believe in them. The book specifically informs readers that Allah is the same God of every human being of any race, culture, or religion. The book delves into the messages of the Quran, Islams Holy Book, to highlight the importance of knowing the true nature of God, called Allah in Islam. It points out that the proper knowledge of God would compel people to adhere to His commandments in having faith in Him and His practical guidance to acquire a close and rewarding relationship with Allah and His creations as well as with all human beings, who, though diversified in various nationalities and faiths, can be united in spirit and togetherness. The book also emphasises that following Allahs guidance with understanding would facilitate people to appreciate the natural gifts Allah has given to every person and so, instead of getting overwhelmed by ignorance and falling into the trap of hatred and hostility, enable them to live a happy, peaceful, and harmonious life.
