**Inspiring Islamic Stories for Boys and Girls Volume 1** Julia Hanke,2020-11-04 Inspirational, simple Islamic Stories and authentic Islamic Facts for Kids The Book *Inspiring Islamic Stories* is not like other Islamic Books for Kids! It contains three stories; one of them is the most inspiring and unforgettable story of all - Prophet Muhammad (Peace and Blessings of Allah be upon him). This Islamic bedtime book for Toddlers is filled with good Islamic morals and manners, teaching your child age three and above about Allah and to understand the importance of good and bad actions. It has been created in recognition of the need for books that tell real, authentic Islamic stories for children. Most of the Islamic children's books available today lack authenticity or are written in a complicated

language for young Muslims to understand. Inspiring Islamic Stories is written in a way that even very young kids can easily understand. The author made these stories as authentic as possible by taking stories and information from the Quran, Tafseer Ibn Katheer, Bukhari, Muslim, and other authentic Hadith books and simplifying the language and adding context children can understand, without changing the intended meaning. This simple language results from an interactive reading process between the author and her children. If you are looking for a good Islamic children's book with inspirational, simple stories for kids 2-10, this colorful picture book is a great choice. Don't be surprised if it quickly becomes one of their favorite books they ask to read again and again. Editorial Reviews: I thought this book was enlightening and entertaining. Also, I think there are many similarities across religions with respect to their morals and values for a life well spent. I cannot say whether the book might be confusing for very small children from different faiths, but I think it would be great for Islam children of various ages and for older children from other faiths. -Dr. Jay [The] idea would have been to buy the book.. brand it to MC and give it away free. But you will make more money selling it it seems. Jzk.-Head Admin of Muslim Central whose co-director is Mufti Ismail Menk (Zimbabwe) And as a children's book author myself, I like to see what 'new' books are out there. This book is VERY nicely illustrated (calming color scheme; enchanting overall) and evenly paced. It can be hard to write for a very young audience, especially about religions, but this book gets it right. In addition, I would also recommend this book for older non-Muslim children and teens, who simply want to learn more about Islam. Well done! -Christy Burbidge, Author, Copy Editor, MSW (Simmons University) and PhD in Expressive Therapies (Lesley University) The last story about the gardens of Sheba was by far the best and illustrated wonderfully.-Nikki Lewen, 5 Stars Award winning American Author, who was featured at the National John Steinbeck Center About the Author Julia Hanke was

born and raised in Germany. She converted to Islam at the age of 17 and took the name Hafsa to have a Muslim identity. Hafsa studied Education and Islamic Sciences at a famous German University and achieved her Bachelor's degree. At the moment, she is homeschooling her three children. Note that the quotes from the Koran and Hadith are illustrated in more than ten unique Illustrations.
