The Island Lilly Mirren,2022-08-09 I've met someone else... we're in love... I want a divorce. Beatrice is starting her life over after her husband broke the news of his affair moments before their anniversary party and vow renewal. His revelation derails her. Her children have left home and she'd always imagined she and her husband would travel and grow old together. But now she's unsure of where her life is headed. With nowhere left to turn, she goes home to Coral Island to visit her estranged father. She stays in the old beach cottage from her childhood years and uncovers a hidden roll of fifty-year-old undeveloped photos. Who put them there and why? Will she find answers & purpose on the island, rekindling old friendships and rediscovering a long-lost love? Or will she be driven back to the city and her failed marriage? The perfect beach read, this women's divorce fiction novel will take you on a heartwarming journey of renewal with its cast of endearing characters and scenic coastal vistas. If you love women's fiction and small-town clean romance, take a trip to Coral Island today. The Coral Island series is full of family drama, friendship, sweet romance, second chances and mystery. This is the first book in an ongoing series and ends on a cliff hanger.

Fire Island Lighthouse Bill Bleyer, 2017-05-15 The first Fire Island Lighthouse was constructed in 1826 after numerous shipwrecks along the barrier island. A replacement tower built in 1858 incorporated innovations in lighthouse design such as the Fresnel lens. Vessels anchored offshore, known as lightships, augmented the lighthouse for many years. The Coast Guard shut down the site in 1973. Through the efforts of the Fire Island Lighthouse Preservation Society and the National Park Service, the beautiful structure was meticulously restored and the tower relit in 1986. Along with a selection of wonderful color photographs depicting the grandeur of the lighthouse, author Bill Bleyer charts the history of Long Island's cherished Fire Island Lighthouse.

Deceiving Darkness Sarra Cannon, 2018-10-31 In this war, trust is a dangerous game... Toxicological Chemistry and Biochemistry, Third Edition
Stanley E. Manahan, 2002-09-25 This unique book bridges the gap between toxicology and chemistry at a level understandable by a wide spectrum of readers with various interests and a broad range of backgrounds in chemistry, biochemistry, and toxicology. The third edition has been thoroughly updated and expanded to reflect recent advances in important areas of research, including toxicogenetics and toxic effects on various body systems. Toxicological Chemistry and Biochemistry, Third Edition begins by outlining the basic concepts of general chemistry, organic chemistry, and biochemistry needed to understand the topics in the book. The author then presents an overview of environmental chemistry so that you can understand the remainder of the material covered within that framework. He also discusses biodegradation, bioaccumulation, and biochemical processes that occur in water and soil. The new chapter on toxic effects considers toxicities to the endocrine and reproductive systems, and the section on xenobiotics analysis deals with the determination of toxicants and their metabolites in blood and other biological materials. The chapter on the genetic aspects of toxicology discusses the ways in which chemical damage to DNA can cause mutations, cancer, and other toxic effects on specific body systems, and it considers the role of genetics in determining individual susceptibilities to various toxicants. Toxicological Chemistry and Biochemistry, Third Edition retains the basic information and structure that made the first two editions popular with students and industry professionals, while enhancing the usefulness of the book and modernizing it in important areas. Review questions and supplementary references at the end of each chapter round out the third edition of this bestselling work.

Authors Elizabeth Guss, Janice O'Mahony and Mary Richardson offer a compelling anthology that captures the history behind the intentional protection and restoration of natural and cultural areas on the island. Each story sheds new light on Whidbey Island's rich heritage. From the early settlements of Native Americans and Europeans, to federal involvement with the Civilian Conservation Corps and the U.S. Navy, continuing through the activism in the 1960s and 1970s, to today, this is the story of Whidbey Island.

Surviving the Island of Grace Leslie Leyland Fields,2008

Women's Encounters with the Mental Health Establishment Elayne Clift,2014-01-27 Explore women's first-person experiences with the mental health establishment! This unique contemporary anthology of women's experiential writing shares women's realities, perceptions, and experiences (positive and negative) within the therapeutic environment. These artistic expressions of personal experience will help women understand their own encounters in a new light. They are also instructive and enlightening for any practitioner working with women in a mental health setting. Charlotte Perkins Gilman's famous short story (included here), *The Yellow Wallpaper*, which inspired this title, has come to represent the struggle of contemporary women to be understood by the therapeutic milieu from whom they seek psychological support and psychiatric treatment. An icon of

feminist writing, the 1892 story symbolizes affirmation and validation for the female experience regarding mental health and therapy. This anthology, in the spirit of Gilman's work, gives voice to today's women so that their own encounters with the mental health establishment can be validating and affirming to others. It will also enlighten those in the helping professions as they extend their services to women in a time of growing need and shrinking resources. In addition to *The Yellow Wallpaper* and a foreword and afterword by noted psychiatric professionals, *Women's Encounters with the Mental Health Establishment: Escaping the Yellow Wallpaper* also contains works by authors including: Sylvia Plath Kate Millett Anne Sexton Lauren Slater Martha Manning Elayne Clift and many more! Through prose and poetry, the contributors to this volume offer a creative, artistic, and highly readable contribution to the literatures of women's studies and psychology!
