Oh, Happy Day! Corey Yoder,2022-05-02 Join well-known author, fabric designer, and quilt designer Corey Yoder as she presents ten quilt projects, each with a pillow pattern in an alternate color option. The majority of the finished quilts are lap size, with a baby quilt and a bed-size quilt to round out the pattern selection. With each project, Corey shares her secrets for arranging blocks, choosing fabrics, and finishing to ensure you're set up for stitching success (and happiness along the way). And to make things a bit easier, many of the projects are precut-friendly. Light and pleasing color palettes combined with creative layouts result in projects that will bring joy to your heart and home. Grab your favorite fabrics, settle in to your sewing space, then piece your way through the selection of peaceful projects.

Happy Day features bright, cheery flowers with uplifting sentiments. Each spread features a flower that flips up from the page, a brief description of the flower's meaning, and its special message for the recipient. Oh Happy Day Carmen Callil,2020-11-05 'A triumphant family memoir' Hallie Rubenhold 'Powerfully told...an impressive work' The Times 'Gives a voice to the voiceless' Australian Book Review In this remarkable book, Carmen Callil discovers the story of her British ancestors, beginning with her great-great grandmother Sary Lacey, born in 1808, an impoverished stocking frame worker. Through detailed research, we follow Sary from slum to tenement and from pregnancy to pregnancy. We also meet George Conquest, a canal worker and the father of one of Sary's children. George was sentenced - for a minor theft - to seven years' transportation to Australia, where he faced the extraordinary brutality of convict life. But for George, as for so many disenfranchised British people like him, Australia turned out to be his Happy Day. He survived, prospered and eventually returned to England, where he met Sary again, after nearly thirty years. He brought her out to Australia, and they were never parted again. A miracle of research and fuelled by righteous anger, Oh Happy Day is a story of Empire, migration and the inequality and injustice of nineteenth-century England. 'A remarkable tale...drawing chilling parallels to the inequalities of our times' Observer
