**Spine-Tingling** Elizabeth Spann Craig ,2022-05-24 Unintended snooping can mean getting into someone's bad books. The Whitby Library has been a busy place lately, between book clubs, children's storytimes, and students working on research projects. Ann has been busy, too, which is why she's so glad to see some new volunteers to help the staff out. One of the volunteers is worried, though, and comes to Ann with a problem. She's seen something odd . . . maybe even suspicious. Ann tries advising her, but the volunteer still seems troubled. The next day, the woman meets her own suspicious end. Can Ann, with the help of her friends, help solve the mystery before someone else is permanently checked out?

*The Tingling: My Story of a Living Form* Alexandra Porter, PhD,2014-11-26 No man can exist without a maker. In the physical world, we attribute that title to our mother and father. They are the ones we call our parentsour makers. During our early years, it is these people whom we consciously recognize as our first treasures. Then, there comes a time when we begin to grow up and start to look deeper into the subject. As you follow the trail in this book that has been prepared for the reader, I hope that you can find some treasures along the way. This book is my concept of an invisible, formless substance that has become my constant companion. The Tingling is my storythe story of a woman who is in tune with an invisible, formless substance whose idyllic visions are its form of communication. The unique concepts in this book are novel and unexplored areas of healing, which have been in my practice for many years. I wanted to share my visions with you in hope that they would show you a different point of view. I will share with you several meaningful life experiences to best illustrate the methods of communication I maintained with an invisible force I call the Tingling. I hope the framework and patterns of this book enhance your perspective view of the life you are leading. Visit: [www.thetingling.com](http://www.thetingling.com)

Spiny Poems for Tingling People Craig Jackson,2015-12-27 If you're a tingling person, you enjoy all of life's pin pricks, not just excitement and joy but also the sad and the weary. It's all in us. Denying it won't do us any good. In this volume of poetry, I've tried to explore and celebrate the exhilarating, the dark, the happy and, frankly, the down right scary. The great part is that none of these things are permanent. Parts of us that die each day take some of these pin pricks away, while the parts that are born each day bring new ones. Yet, the funny

thing is the pin pricks live on forever in the people you know, changing them forever. That's exactly what these poems are intended to do: create a small part of me in you and change you forever. And it will! The inspiration for this poetry is derived from common every day experiences to which you can surely relate, like the ups and downs of relationships, family, children and friends, physical and mental challenges, art and beauty.

**The Grand Substitution** Dr. Glenn R. Tingling BBA MDiv ThD,2021-10-12 Firmly grounded in scripture, The Grand Substitution, by author Dr. Glenn R. Tingling, provides an explanation of Second Corinthians 5:21. God made his son to be the sacrificial offering for sin so he could justly pardon and remove humanity's sin, and in its place impute his righteousness to them. Consequently, believers in Christ stand in Christ's righteousness: the requirement for eternal life and heaven. The Grand Substitution, a follow-up book to The Imputation Triangle: delivers detailed descriptions and definitions in answering the questions: What is sin? What is the sin nature? How does it behave? How to control it? And, who is a sinner? explains the three types of righteousness: human/practical righteousness, self-righteousness, and imputed righteousness; addresses characteristics and roles of the three agents involved in the substitution transaction: sinful humanity, Christ the mediator, and an offended holy God; and provides, from scripture, a road map to obtaining assurance of salvation for believers in Christ. Tingling blends a wealth of experience of more than sixty years as a practicing and serving Christian, with a strong background in business and academic and theological education, to offer an insightful, challenging,

inspiring, and practical discussion for those who seek a deeper understanding of salvation.
