Construction Zone Cheryl Willis Hudson,Richard Sobol,2006 Hard hats are required on this exciting virtual tour of a busy construction site where hundreds of workers, thousands of trucks and machines, and millions of nails and bolts are part of a great puzzle that once, pieced together perfectly, will become an architectural masterpiece.

Jack the Builder Stuart J. Murphy,2006-02-28 Jack stacks up blocks high. Two make a robot, five make a boat, and fifteen make...whatever you can imagine! Math becomes child's play as young readers are introduced to the skill of counting on, a first step toward mastering addition.

Meet My Neighbor, the Builder Marc Crabtree,2009 Meet Steven Stewert and his team as they are in the process of building a second story on a house. Engaging text and colorful photos will introduce children to the tools Steven uses and how each one works. Steven also invites young readers into his home to meet his wife and two children.

Builder's Tool Kit Robyn Gale,2019-05 It's a busy day on the construction site and the builders need all the help they can get! Using the themed pop-out play pieces, perfect for little hands to hold, children can help the workers with their jobs and then put the tools back in the right places. With easily recognizable objects such as a hammer and nails, saw, electric drill, and screwdriver, children will love getting into character and acting out real life roles. Once play is over, the pieces double up as a jigsaw puzzle, as children call upon skills of problem solving and logic to decide where the play pieces belong.

Don't know where to go from here? How can you pull off juggling your job, personal life and building a house all at the same time? Taking the first step to building a house can be scary. It's like jumping into freezing cold water then looking for sharks. There are so many things to consider-contractors, permits, banks, subcontracting, materials, pricing and so much more. Follow along as the author takes you step-by-step into his building process from start to finish. You'll learn from his mistakes and successes as you go day-by-day into what it's like to build the house you've been planning all along.
