Editorial Reviews – Read the book, took the online course and test, PASSED. – This ITIL exam prep book and course are an invaluable study aid for passing the ITIL Foundation exam. Highly recommended. – I've been an IS project manager for over 10 years. I've studied ITIL materials in preparation, but took no courses or workshops. I studied this book and its accompanying course for 10 days immediately preceding my exam. Read the book about 3 times. – I took the ITIL Foundation exam and got 98% of the questions correct. I think that the study tips in the book and course helped me get about 15-20 questions right that I might have otherwise missed. (your mileage may vary). – The book and course made me confident in sitting the exam, and is the best such book that I've come across. – Worth it especially since you have access to the online learning component as well. – Good focus on ITIL's processes (things important to ITIL Foundation and passing the test that your experience in IT may not help you) – Highly recommended, I passed in one go!
