Twelve Years a Slave Solomon Northup, 2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Nortup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes

to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

Filed Rate Doctrine LandMark Publications, 2017-05-04 THIS CASEBOOK contains a selection of U. S. Court of Appeals decisions that discuss, interpret and apply the filed-rate doctrine. The selection of decisions spans from 2010 to the date of publication. Under the filed rate doctrine, any 'filed rate' -- that is, one approved by the governing regulatory agency -- is per se reasonable and unassailable in judicial proceedings brought by ratepayers. *Wegoland Ltd. v. NYNEX Corp.*, 27 F.3d 17, 18 (2d Cir.1994). The doctrine is grounded on two rationales: first, that courts should not undermine[] agency rate-making authority by upsetting approved rates (the principle of nonjusticiability); and, second, that litigation should not become a means for certain ratepayers to obtain preferential rates (the principle of nondiscrimination). *Marcus v. AT & T Corp.*, 138 F.3d 46, 58, 61 (2d Cir.1998); see generally *Keogh v. Chi. & Nw. Ry. Co.*, 260 U.S. 156, 43 S.Ct. 47, 67 L.Ed. 183 (1922). The doctrine reaches both federal and state causes of action and protects rates approved by federal or state regulators. *Wegoland*, 27 F.3d at 20. Its application does not depend on the nature of the cause of action the plaintiff seeks to bring or the culpability of the defendant's conduct or the possibility of inequitable results. *Marcus*, 138 F.3d at 58. Whenever a ratepayer's claim against a rate filer would implicate either the non-justiciability principle or the nondiscrimination principle, it is barred. *Id.* at 59. *Rothstein v. Balboa Ins. Co.*, *ibid.*

The Complex Reality of Pain Jennifer Corns, 2022-06 This book employs contemporary philosophy, scientific research, and clinical reports to argue that pain, though real, is not an appropriate object of scientific generalisations or medical intervention. Each pain experience is complex and idiosyncractic in a way which undermines scientific utility.

Tacky Rax King, 2021-11-02 An irreverent and charming collection of deeply personal essays about the joys of low pop culture and bad taste, exploring coming of age in the 2000s in the age of Hot Topic, Creed, and frosted lip

gloss—from the James Beard Award-nominated writer of the Catapult column “Store-Bought Is Fine” Tacky is about the power of pop culture—like any art—to imprint itself on our lives and shape our experiences, no matter one's commitment to good taste. These fourteen essays are a nostalgia-soaked antidote to the millennial generation's obsession with irony, putting the aesthetics we hate to love—snakeskin pants, Sex and the City, Cheesecake Factory's gargantuan menu—into kinder and sharper perspective. Each essay revolves around a different maligned (and yet, Rax would argue, vital) cultural artifact, providing thoughtful, even romantic meditations on desire, love, and the power of nostalgia. An essay about the gym-tan-laundry exuberance of Jersey Shore morphs into an excavation of grief over the death of her father; in You Wanna Be On Top, Rax writes about friendship and early aughts girlhood; in another, Guy Fieri helps her heal from an abusive relationship. The result is a collection that captures the personal and generational experience of finding joy in caring just a little too much with clarity, heartfelt honesty, and Rax King's trademark humor. Updated as of May 29, 2018 Section 205 of the Credit Card Accountability Responsibility and Disclosure Act of 2009 requires the Federal Trade Commission to issue a rule to prevent deceptive marketing of free credit reports. To that end, the Commission amends the Free Annual File Disclosures Rule to require certain advertisements for free credit reports to include prominent disclosures designed to prevent consumers from confusing these free offers with the federally mandated free annual file disclosures available through the single centralized source. In addition, the final amended Rule requires nationwide consumer reporting agencies to delay advertisements for products and services through the centralized source until after consumers receive their free annual file disclosures, and prohibits other practices that may interfere with the free annual file disclosure process. The final amended Rule also implements certain technical changes to the original Rule. The Dare Harley Laroux,2023-10-31 Jessica Martin is not a nice girl. As Prom Queen and Captain of the cheer squad, she'd ruled her school mercilessly, looking down her nose at everyone she deemed unworthy. The most unworthy of them all? The freak, Manson Reed: her favorite victim. But a lot changes after high school. A freak like him never should have ended up at the same Halloween party as her. He never should have been able to beat her at a game of Drink or Dare. He never should have been able to humiliate her in front of everyone. Losing the game means taking the dare: a dare to serve Manson for the entire night as his slave. It's a dare that Jessica's pride - and curiosity - won't allow her to refuse. What ensues is a dark game of pleasure and pain, fear and desire. Is it only a game? Only revenge? Only a dare? Or is it something more? The Dare is an 18+ erotic romance novella and a prequel to the Losers Duet. Reader discretion is strongly advised. This book contains graphic sexual scenes, intense scenes of BDSM, and strong language. A full content note can be found in the front matter of the book.
