

Japan

Lock Cee Mangum

Japan Rising Kenneth Pyle, 2009-04-27 Japan is on the verge of a sea change. After more than fifty years of national pacifism and isolation including the lost decade of the 1990s, Japan is quietly, stealthily awakening. As Japan prepares to become a major player in the strategic struggles of the 21st century, critical questions arise about its motivations. What are the driving forces that influence how Japan will act in the international system? Are there recurrent patterns that will help explain how Japan will respond to the emerging environment of world politics? American understanding of Japanese character and purpose has been tenuous at best. We have repeatedly underestimated Japan in the realm of foreign policy. Now as Japan shows signs of vitality and international engagement, it is more important than ever that we understand the forces that drive Japan. In *Japan Rising*, renowned expert Kenneth Pyle identifies the common threads that bind the divergent strategies of modern Japan, providing essential reading for anyone seeking to understand how Japan arrived at this moment—and what to expect in the future.

Lonely Planet Japan Lonely Planet, Chris Rowthorn, Craig McLachlan, 2015-09-01 Lonely Planet: The world's leading travel guide publisher Lonely Planet Japan is your passport to the most relevant, up-to-date advice on what to see and skip, and what hidden discoveries await you. Lonely Planet covers must-see spots but also enables curious travellers to get off beaten paths to understand more of the culture of the places in which they find themselves.

Japan in World History James L. Huffman, 2010-02-04 Japan in World History ranges from Japan's prehistoric interactions with Korea and China, to the Western challenge of the late 1500s, the partial isolation under the Tokugawa family (1600-1868), and the tumultuous interactions of more recent times, when Japan modernized ferociously, turned imperialist, lost a world war, then became the world's second largest economy--and its greatest foreign aid donor. Writing in a lively fashion, Huffman makes rich use of primary sources, illustrating events with comments by the people who lived through them: tellers of ancient myths, court women who dominated the early literary world, cynical priests who damned medieval materialism, travelers who marveled at indecent Western ballroom dancers in the mid-1800s, and the emperor who justified Pearl Harbor. Without ignoring standard political and military events, the book illuminates economic, social, and cultural factors; it also examines issues of gender as well as the roles of commoners, samurai, business leaders, novelists, and priests.

Japan Report, 1977

Japan Magazine, 1925

Japan and North America: The postwar Ellis S. Krauss, Benjamin Nyblade, 2004 This collection makes available key articles on the Japan-North American relationship from the Meiji era to the present. Volume one focuses on the necessity of Japanese modernization post-1868 and examines the build-up to the Japanese bombing of Pearl Harbour. Volume two looks at the post-war period, in which US forces occupied Japan and were instrumental in its rebuilding as an economic superpower. In the years following this Japan and North America enjoyed a close yet occasionally fraught relationship, as competitors and allies. Volume two also examines the cultural ramifications of the influence of North America on Japan, and vice versa. Titles also available in this series include, *Japan and South East Asia: International Relations* (2001, 2 volumes, 295) and the forthcoming title *Japanese Linguistics* (2005, 3 volumes, c.425).

Japan Lafcadio Hearn, 1904 The belief that the dead need affection, that to neglect them is a cruelty, that their happiness depends upon duty, is a belief that has almost cast out the primitive fear of their displeasure. They are not thought of as dead; they are believed to remain among those who loved them... From their shrine they observe and hear what happens in the house; they share the family joys and sorrows; they delight in the voices and the warmth of the life about them. -from *The Religion of the Home* In 1889, Westerner Lafcadio Hearn arrived in Japan on a journalistic assignment, and he fell so in love with the nation and its people that he never left. His love letters to his adopted country, including 1894's *Glimpses of Unfamiliar Japan* and 1896's *Kokoro: Hints and Echoes of Japanese Inner Life* (both available from Cosimo Classics) helped fire global interest in Japanese culture as it was opening to the West in the 1890s, and in 1904, he published this engaging and highly entertaining series of essays. An early Western attempt to decipher the outward strangeness of all things in Japan, and to place the nation and its people in a larger historical context, this is a lyrical work, singing with respect and love. Bohemian and writer PATRICK LAFCADIO HEARN (1850-1904) was born in Greece, raised in Ireland, and worked as newspaper reporter in the United States before decamping to Japan. He also wrote *In Ghostly Japan* (1899).

The Foundations of Japan John William Robertson Scott, 1922

Japan Bobbie Kalman, 2008-09 A colorful and informative book on Japan's geographical characteristics as well as its customs and industries.

A Handbook of Modern Japan Ernest W. Clement, 2023-11-20 A Handbook of Modern Japan by Ernest W. Clement. Published by Good Press. Japan David Murray,1894

Beautiful World Japan Lonely Planet,2019-05-01 Delve inside the myriad landscapes of Japan with this stunning collection of photographs and discover the nation's extraordinary diversity of places, people and experiences - from moments in awe-inspiring cities to quiet escapes in remote, exotic corners. Beautiful World Japan is the perfect way to lose yourself in the country. Striking photos fill each page, while special gatefolds open to reveal magnificent panoramas. If you've been, retrace your steps and relive the time you spent there. If you haven't, this book is the perfect way to start planning an adventure. We've divided the contents into states and territories. Begin your journey in Hokkaido, Japan's northernmost island, a place of hot springs, wilderness, forests and volcanoes, before moving through the country to the southern island of Okinawa, home to amazing cuisine, unique traditions and turquoise waters. On this journey you'll find powdered ski resorts, snow-covered national parks, indigenous animals and birds, gorges and dramatic waterfalls. You'll then discover sprawling neon jungles, Tokyo in cherry blossom season, ancient temples of Kyoto, powerful memorials, lush rice fields and delectable cuisine. About Lonely Planet: Lonely Planet is a leading travel media company and the world's number one travel guidebook brand, providing both inspiring and trustworthy information for every kind of traveller since 1973. Over the past four decades, we've printed over 145 million guidebooks and grown a dedicated, passionate global community of travellers. You'll also find our content online, on mobile, video and in 14 languages, 12 international magazines, armchair and lifestyle books, ebooks, and more. Important Notice: The digital edition of this book may not contain all of the images found in the physical edition.

Glimpses of Unfamiliar Japan: Second Series Lafcadio Hearn,2019-11-22 Glimpses of Unfamiliar Japan: Second Series by Lafcadio Hearn is an insightful and resourceful book that takes readers on a deep dive into Japan's culture. From how gardens are curated to household shrines and even the way men and women smile and the meaning behind them, Hearn took care to write about important yet often overlooked parts of Japanese heritage and daily life which are still relevant today.

Japan and the United States Jackson Treat,1921

The Japan That Never Was Beason, Richard,Dick Beason,Dennis Patterson,Distinguished Professor of Law Dennis Patterson,2004-03-11 Contests conventional wisdom on Japan's postwar economic success and its economic and political problems in the 1990s, providing a new account of these conditions.

Travel to Japan Matt Doeden,2022-01-01 Japan is an island nation in East Asia with a culture dating back thousands of years. Explore the mountains and coasts of Japan, discover its rich history, and tour modern-day Japan in this fun overview.

Japan and America Carl Crow,1916

Introducing Japan Through Books Japan. Gaimushō. Jōhō Bunkakyoku,1968

China and Japan Ezra F. Vogel,2019-07-30 A Financial Times “Summer Books” Selection “Will become required reading.” –Times Literary Supplement “Elegantly written...with a confidence that comes from decades of deep research on the topic, illustrating how influence and power have waxed and waned between the two countries.” –Rana Mitter, Financial Times China and Japan have cultural and political connections that stretch back fifteen hundred years, but today their relationship is strained. China’s military buildup deeply worries Japan, while Japan’s brutal occupation of China in World War II remains an open wound. In recent years both countries have insisted that the other side must openly address the flashpoints of the past before relations can improve. Boldly tackling the most contentious chapters in this long and tangled relationship, Ezra Vogel uses the tools of a master historian to examine key turning points in Sino–Japanese history. Gracefully pivoting from past to present, he argues that for the sake of a stable world order, these two Asian giants must reset their relationship. “A sweeping, often fascinating, account...Impressively researched and smoothly written.” –Japan Times “Vogel uses the powerful lens of the past to frame contemporary Chinese–Japanese relations...[He] suggests that over the centuries–across both the imperial and the modern eras–friction has always dominated their relations.” –Sheila A. Smith, Foreign Affairs

Blurred Images Japan Lock Cee Mangum,2021-05-12 Stories of Life in Japan for “off the beaten path” foreigners of various extractions, their interactions with Japanese people, and Japanese interactions with them. Over the last few decades, majestic and historical Japan has seen a steady rise of visitors and of those a considerable portion seek work. One of the main popular employment options came in the form of Language Instruction, the dominant of such being English, drawing instructors from nearly every corner of the globe to travel abroad and teach. Some find alternate means to grind and find a better way of life, while others fail miserably. BLURRED IMAGES Japan is a collection of abbreviated tales not for the faint of heart and not likely to be the colorful testimonials found on tourist brochures...

Reviewing **Japan**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence.
