Raffaela Di Napoli

Foreign Correspondents in Japan Charles Foreign Corresponden,2011-09-13 Since its founding in 1945, the Foreign Correspondents Club of Japan (FCCJ) has been a haven for working journalists. From its origins at No. 1 Shimbun Alley in the ruins of Tokyo immediately after World War II, the club quickly took on a life of its own. At times it became like a miniature United Nations, meeting the needs of hundreds of foreign journalists from around the world, who used it as a working press center as well as a social oasis. Club members, who include several Pulitzer Prize winners, have personally witnessed and reported on some of the most momentous events of the last half century-the end of World War II and the occupation of Japan; the revolution in China; the Korean War; Vietnam and the student riots of the 1960s; the height of the Cold War; Japan's economic miracle and the subsequent collapse of the bubble economy; the death of Emperor Hirohito; and much more. *Foreign Correspondents in Japan* gives an intimate and colorful look at these journalists who covered Asia for the rest of the world during five decades of sweeping change, and provides first-person accounts of history as it was being written.

Japan Decides 2012 R. Pekkanen,S. Reed,E. Scheiner,2013-07-25 The 2012 election in Japan ejected the governing DPJ and returned the LDP overwhelmingly to power while brand new parties pulled in millions of voters. This book explains what happened, why it happened and what it means. International experts analyze the election results, parties strategies, gender issues, policy implications and more.

Jim and Jap Crow Matthew M. Briones,2013-12-26 Following Japan's attack on Pearl Harbor in 1941, the U.S. government rounded up more than one hundred thousand Japanese Americans and sent them to internment camps. One of those internees was Charles Kikuchi. In thousands of diary pages, he documented his experiences in the camps, his resettlement in Chicago and drafting into the Army on the eve of Hiroshima and Nagasaki, and his postwar life as a social worker in New York City. Kikuchi's diaries bear witness to a watershed era in American race relations, and expose both the promise and the hypocrisy of American democracy. *Jim and Jap Crow* follows Kikuchi's personal odyssey among fellow Japanese American intellectuals, immigrant activists, Chicago School social scientists, everyday people on Chicago's South Side, and psychologically scarred veterans in the hospitals of New York. The book chronicles a remarkable moment in America's history in which interracial alliances challenged the limits of the elusive democratic ideal, and in which the nation was forced to choose between civil liberty and the fearful politics of racial hysteria. It was an era of world war and the atomic bomb, desegregation in the military but *Jim and Jap Crow* elsewhere in America, and a hopeful progressivism that gave way to Cold War paranoia. *Jim and Jap Crow* looks at Kikuchi's life and diaries as a lens through which to observe the possibilities, failures, and key conversations in

a dynamic multiracial America.

Radio Journalism in America Jim Cox, 2013-04-15 This history of radio news reporting recounts and assesses the contributions of radio toward keeping America informed since the 1920s. It identifies distinct periods and milestones in broadcast journalism and includes a biographical dictionary of important figures who brought news to the airwaves. Americans were dependent on radio for cheap entertainment during the Great Depression and for critical information during the Second World War, when no other medium could approach its speed and accessibility. Radio's diminished influence in the age of television beginning in the 1950s is studied, as the aural medium shifted from being at the core of many families' activities to more specialized applications, reaching narrowly defined listener bases. Many people turned elsewhere for the news. (And now even TV is challenged by yet newer media.) The introduction of technological marvels throughout the past hundred years has significantly altered what Americans hear and how, when, and where they hear it.

Japan E.J. Lewe van Aduard, 2013-11-11 The six years between the surrender of Japan on September 2, 1945, and the signing of a Treaty of Peace in San Francisco on September 8, 1951 between Japan and forty-eight of the nations with which she was at war, was a period unique in the history of international affairs. Throughout those six years Japan was occupied by the Allied Powers. Because of what was accomplished during that occupation under the wise leadership of General Douglas MacArthur, it was possible to conclude a peace which showed no trace of angry passion; a peace of reconciliation, not of vengeance. From its inception the Occupation of Japan was inspired by high moral principles, was governed by the magnanimity that comes from true strength and was carried out in a calm and purposeful manner. Japan's war-making power was destroyed and the influence of those who committed her to armed conquest eliminated. Oppressive laws and restrictive practices were removed and guarantees established for freedom of speech, religion and thought and respect for fundamental human rights.

The Anthropocene in Global Media Leslie Sklair, 2020-11-22 This book offers the first systematic study of how the 'Anthropocene' is reported in mass media globally, drawing parallels between the use (or misuse) of the term and the media's attitude towards the associated issues of climate change and global warming. Identifying the potential dangers of the Anthropocene provides a useful path into a variety of issues that are often ignored, misrepresented, or sidelined by the media. These dangers are widely discussed in the social sciences, environmental humanities, and creative arts, and this book includes chapters on how the contributions of these disciplines are reported by the media. Our results suggest that the natural science and mass media establishments, and the business and political interests which underpin them, tend to lean towards optimistic reassurance (the 'good' Anthropocene), rather than pessimistic alarmist stories, in reporting the Anthropocene. In this volume, contributors explore how dangerous this 'neutralizing' of the Anthropocene is in undermining serious global action in the face of the potential existential risks confronting humanity. The book presents results from media in more than 100 countries in all major languages across the globe. It covers the reporting of key environmental issues, such as the impact of climate change and global warming on oceans, forests, soil, biodiversity, and the biosphere. We offer explanations for differences and similarities in how the media report the Anthropocene in different regions of the world. In doing so, the book argues that, though it is still controversial, the idea of the Anthropocene helps to concentrate minds and behaviour in confronting ongoing ecological (and Coronavirus) crises. The Anthropocene in Global Media will be of interest to students and scholars of environmental studies, media and communication studies, and the environmental humanities, and all those who are concerned about the survival of humans on planet Earth.

The Dispute Over the Diaoyu/Senkaku Islands T. Hollihan, 2014-08-07 The small unpopulated islands in the East China Sea that the Chinese call the Diaoyu and the Japanese call the Senkaku, have long been a source of contention. This volume will undertake an examination of the controversy as it plays out in legacy and new social media in China, Japan, and the West.

Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Japanese News 221 eBooks, including some popular titles.

FAQs About Japanese News 221 Books

What is a Japanese News 221 PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Japanese News 221 PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Japanese News 221 PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Japanese News 221 PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Japanese News 221 PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. **How do I compress a PDF file?** You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. **Can I fill out forms in a PDF file?** Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various

online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
