Japanese Phrase A Day Practice Pad Sam Brier,Keiko Matsuura,2014-01-07 This page-a-day Japanese language pad teaches a new Japanese phrase each day—useful vocabulary that comes in handy for everyday situations when visiting Japan. Although more people are studying the Japanese language than ever before, others are still wary of starting because they believe, it's too difficult. But A Japanese Phrase A Day will show absolute beginners that Japanese is in many ways much easier than other languages and it will help intermediate Japanese learners review and improve upon their past studies and practice Japanese everyday. Japanese is a fascinating language that uses Chinese characters (kanji) as well as two other alphabets (hiragana and katakana). After a few weeks of gradual progress your ability to read Japanese, write Japanese and speak Japanese will grow tremendously. This calendar like desk companion is divided into monthly topics and builds upon itself, one day at a time. Japanese phrases are kept short, simple and functional. Each of the 365 pages include these four components: The phrase or dialogue in Japanese characters A transliteration using English letters (romanji), which gives English speakers a guide to pronunciation The English translation A related note about the phrase, Japan, or Japanese culture to add context. Audio for all of the Japanese Phrase A Day entries is available online. Listening and repeating after the native speakers in the audio files will help you to practice Japanese regularly and polish your spoken Japanese and Japanese listening comprehension. To get started, turn to Day One and begin studying the phrase, its meaning, pronunciation and cultural context. Then tear off the sheet and practice writing it a few times. In a matter of days you'll be on your way to reading and writing Japanese!

Use Japanese at Home, Over 1700+ Phrases with Audio, Japanese Phrase Book for Families Adelaide Olguin,2017-11-08 Yes! This is the phrasebook that allows families to start talking in Japanese at home the same day they start! It's for families who realize learning colors and shapes in Japanese isn't speaking Japanese. To speak a language, you've got to be able to use it.This super cute book is laid out for you to find phrases you USE ALL THE TIME, WANT TO USE, and NEED TO USE. By starting with high-frequency sentences in your home, you'll be able to talk and understand each other faster and more naturally. After all, you learned your first language by being talked to as a baby--not by going to baby grammar school.With this book, every time you get in the car, you can be speaking Japanese: Buckle your seatbelt(s). シトバーuto shimete.Every time your baby wants to be carried, s/he can be speaking Japanese: Carry me! ダッコshite.And every time your children think you're a trashcan, you can say: Throw your wrapper away. ツスミガミsutete. With over 1700+ phrases, there are phrases for all ages. Plus, the book includes a digital download of the audio (by a native speaker!), so you can totally sound the part. All translations and audio are by native speakers to help you sound like you're from their country--not like you stepped out of a language class and are the awkward foreigner. This book is for beginners who can't even read Japanese to Japanese majors who never learned to talk to their family. We are so excited for you to talk in your home in Japanese!!!Learn Japanese | Japanese Phrasebook | Japanese for Kids | Japanese for Families | Japanese Audio

Japanese Hiromi Zeid,Japanese Japanese Academy,2017-05-29 INTRODUCING: Over +2000 Japanese Phrases to Sound Like a Native Japanese (Including Pronunciation Tips & Detailed Exercises) Would you like to try a different way of learning Japanese? Are you tired of the traditional methods teachers tell you to use? What if we told you there is a better, more care-free way of learning Japanese and expanding your vocabulary to unprecedented levels? Well, guess what? There is! One of the best ways to learn Japanese is by using practical conversation guides The problem? You might feel like you don't know where to start, or you may feel lost trying to read whatever pops up on the internet. That's exactly why we created this book. Japanese Phrases + Pronunciation Guides = Faster Learning We know how difficult it may seem to learn a foreign language from scratch, let alone trying to put all that learning into practice. But what you might not realize is that it's fairly easy to fully incorporate the essentials of a language if you use pronunciation guides as a shortcut. Pronunciation guides allow you to virtually read out loud a certain 'pronunciation clue' and without realizing it, you will be speaking almost perfect Japanese. This will in time allow you to expand your vocabulary soon enough to travel to Japan, getting a much better grasp of the Japanese language before you do. Practical conversation guides work because they eliminate the stress of forcing yourself to learn. Instead, when you read out loud the different sections we've prepared for you, you will learn Japanese with much less struggle! Your goal is to simply focus on a section at a time (they only take a few minutes to read). Each chapter takes on multiple topics, including tips on how to build rapport with others, shopping, and asking for directions, just to name a few. We wanted these sections to be fun, interesting, and appealing, motivating you to keep on reading. That's the very best way to learn, don't you think? BONUS: Pronunciation Guides + Detailed Multiple Choice Exercises In this book you'll find over fifteen chapters covering a multitude of topics in Japanese. Each chapter contains tables with three columns. You start by reading the first column -word or phrase in English-, then you move on to the second -translation to Japanese-, and then to the third one and read it out loud -it includes a pronunciation clue for that particular word or phrase. Once you're done with this line, you move on to the next one, and so forth until you complete the chapter. It's that easy and fun. READ: Practical Japanese For Beginners - Over +700 Japanese Phrases & Expressions for Everyday Conversation Practical Japanese For Beginners contains a multitude of vocabulary lists with key words to grow your Japanese vocabulary to unprecedented levels (right before you go to Japan!). We chose each phrase carefully, in order to support both beginners and intermediate students. We are absolutely sure you will love this book, and we sincerely hope it helps you learn Japanese much faster. How Will Your Japanese Skills Improve? You will learn new words without even realizing it You will incorporate key phrases of the Japanese language You will understand how context affects the meaning of certain words You will get a break from all those dusty Japanese grammar books You will have fun reading out loud pronunciation clues You will get a chance to learn before your trip to Japan Most importantly, you will get a better grasp of the Japanese language, feeling more confident with your abilities Conversation guides are ideal to learn Japanese while having fun. All you need

to do is pick a chapter from this book, and start reading. What Are You Waiting For? Get this book now and start learning Japanese. Scroll to the top of the page and click the buy button.

Quick Learn Japanese Language zenegy,2021-08-01 Japanese language is not difficult to learn, as long as we are willing to memorize practical vocabulary, as well as various simple sentences that are often used in daily conversations. Moreover, if we often watch Anime, J-Drama, or listen to J-POP, then we will be familiar with the various sayings in this book. Japanese for Fun Taeko Kamiya,2013-11-30 This is a concise guide to learning beginner Japanese and includes an accompanying audio CD This pocket book is intended for people who want to learn the basics of the Japanese language quickly. Whenever you have a few minutes—waiting in a hotel lobby, riding on a train, or whatever—open this book and you can learn phrases you'll use again and again during your stay in Japan. The book is divided into twenty-one chapters, each covering a specific topic. Each chapter includes the following three sections: Words & Expressions: This section introduces words and expressions needed in specific situations. Vocabulary is presented systematically for quick and easy understanding. Expressions in Context: This shows how to use in context the words and expressions given in the preceding section. Gives you confidence in using new words in original sentences. Additional Words & Expressions: This section enables you to create many new sentences using the patterns just learned. There's no need to memorize all the words or phrases presented here: concentrate on just those you want to use. To use this book, start by reading the first three chapters of the book. These introduce many of the most commonly used words and phrases and familiarize you with the basic sentence structures. After Chapter 3, go straight to any chapter that interests you. If you want to know what to say on the phone, read Chapter 14: if you have to take a train, a few minutes with Chapter 6 should enable you to reach your destination quickly and conveniently. Although this book contains over three hundred carefully selected words and expressions, there is very little grammar included and there is no need for hours of rote memorization. All that is required is a few minutes of your time.

Contemporary Japanese Textbook Volume 2 Eriko Sato,2020-08-04 Contemporary Japanese is a textbook series for beginning students of Japanese at the college or high school level. It is intended for classroom use as well as self-study. Each lesson in the books is very short--meant to be covered in just an hour--and has a single, clearly-defined objective. All lessons make use of the active discovery approach which encourages rapid learning through guess and try problem-solving and participation as opposed to rote memorization. This highly effective method uses real-life conversations that make learning fun by involving you in a conversation with your peers. It also removes the fear of saying something wrong! This book, the second volume in the series, contains 45 short lessons grouped into 12 chapters--each of which presents a wide variety of activities and exercises and yet is designed to be covered in a single session. This daily multivitamin approach to language learning makes it easy to track your progress and to review later! Free online audio files can be downloaded, providing native speaker recordings and giving correct pronunciations for the dialogs and vocabulary in each lesson. In this book you'll learn more about: Kanji and their meanings Japanese verb forms Comparison and stating preferences Using common set phrases and making requests Evaluating facts and expressing opinions Sightseeing, food cravings and tastes Insights into Japanese culture Accompanying the textbook is Contemporary Japanese Workbook Volume 2--it serves as a supplementary material as well as a standalone comprehensive workbook for practicing and reviewing the language.

Japanese Parallel Audio - Learn Japanese with 501 Random Phrases Using Parallel Audio - Lingo Jump, 2018-03-08 Let's Talk We will have you speaking Japanese in no time! Lingo Jump's parallel audio language learning system makes it easy to learn languages at your leisure. Whether you're relaxing or on the go, our simple, clear, and fun audio lessons help you learn through imitation of our speakers. Immerse yourself in a new language with confidence—we're here to get you talking using phrases that you'll learn with ease through parallel audio. Listen and Learn Parallel audio is the key to Lingo Jump's language-learning methodology. Through repetition of clearly pronounced words and phrases at a tempo that's easy to follow, you'll not only find it easier to understand and speak Japanese, you'll also improve your memory, boost your listening skills, and pick up the correct accent. Our speakers follow a specific speech pattern throughout the audiobook, making phrases predictable, and helping you understand words and phrases through context. We keep you solely focused on the language, without any distracting background music. Talk Like a Local We know that not everyone speaks in the same way. Dialects, tempos, and accents can vary among a country's regions, and even among quarters within a city. So when you start, you'll hear our audiobook narrators using different intonations of repeated phrases, slowing them down, speeding them up, and placing emphasis on different parts of the phrases. This helps accelerate your ability to understand and speak the language naturally. Fast, Effortless, and Fun! Lingo Jump's unique parallel audio language learning system combines repetition, different speeds, and predictable speech patterns. Simply listening to the repeated phrases helps you pick up languages by instinct, preparing your brain for a language's repeated patterns. It's like we're throwing a ball to you in the same way over and over so that soon you can catch it without thinking about it. Perfect for All Levels Lingo Jump is ideal to get beginners speaking a Japanese almost immediately. The parallel audio system also helps intermediate and advanced speakers achieve fluency in a new language. As you progress, the parallel audio system has you repeat phrases at their natural tempo, removing the slower versions. You can put your newly acquired listening and comprehension skills to the test in the final chapters, where you'll listen to the phrases without any parallel audio. This motivating feature helps you track your improvement, and gets you speaking Japanese with confidence. Swift Self-improvement We've designed the first two chapters so that they offer easy immersion. Our speakers break down each word into their distinct syllables and speak slowly. This helps you catch every nuance of the language, making it easier for you to improve your listening and speaking skills all by yourself. Learn Anywhere We've specifically developed our language courses for audio learning, so you can complete other tasks while learning Japanese. You can learn while you are running, working out, walking, driving, or even when you are doing chores. Our parallel audio learning system teaches you wherever you are, without requiring a reference manual.
