

Japanese

Rudolf Lange

Japanese Culture and Behavior Takie Sugiyama Lebra, William P. Lebra, 1986-08-01 Every chapter offers insights into one aspect or other of contemporary Japanese life. Newly included are discussions on such topics as dinner entertainment, skiing cross-culturally, male chauvinism as a manifestation of love in marriage, and domestic violence. Ten chapters have been retained from the first edition because they have achieved the status of classics.

Being Japanese American Gil Asakawa, 2015-08-17 This entertaining compendium is a celebration of Japanese American history and heritage. While detailing favorite foods, customs, words, games, and holidays, it explores the painful history of immigration and WWII internment, with suggestions for connecting to your Japanese American community and passing on traditions across generations and into intermarried families. This revised edition has fresh interviews with Japanese Americans about their life experiences and explores contemporary Japanese pop culture like anime and J-pop, with information on traveling to visit your Japanese roots and lists of resources on the Web and social media. Gil Asakawa lives in Denver, Colorado, and is a nationally known journalist, editor, author, speaker, and blogger focusing on Japanese and Asian American issues.

From Japs to Japanese Dennis M. Ogawa, 1971

Japanese Women Takie Sugiyama Lebra, 1985-08-01 Japan, a decade behind the United States, is now expressing its awareness of women as a major social issue. This awareness manifests itself in floods of publications, television coverage, the burgeoning of women's studies groups, court rulings interfering with sex discrimination, appointments of women to prominent positions thus far reserved exclusively for men, admission of women to such institutions as the Self Defense Forces, police, athletics, and so on.

Japanese Foodways, Past and Present Eric C. Rath, Stephanie Assmann, 2010 Spanning nearly six hundred years of Japanese food culture, *Japanese Foodways, Past and Present* considers the production, consumption, and circulation of Japanese foods from the mid-fifteenth century to the present day in contexts that are political, economic, cultural, social, and religious. Diverse contributors—including anthropologists, historians, sociologists, a tea master, and a chef—address a range of issues such as medieval banquet cuisine, the tea ceremony, table manners, cookbooks in modern times, food during the U.S. occupation period, eating and dining out during wartimes, the role of heirloom vegetables in the revitalization of rural areas, children's lunches, and the gentrification of blue-collar foods. Framed by two reoccurring themes—food in relation to place and food in relation to status—the collection considers the complicated relationships between the globalization of foodways and the integrity of national identity through eating habits. Focusing on the consumption of Western foods, heirloom foods, once-taboo foods, and contemporary Japanese cuisines, *Japanese Foodways, Past and Present* shows how Japanese concerns for and consumption of food has relevance and resonance with other foodways around the world. Contributors are Stephanie Assmann, Gary Soka Cadwallader, Katarzyna Cwiertka, Satomi Fukutomi, Shoko Higashiyotsuyanagi, Joseph R. Justice, Michael Kinski, Barak Kushner, Bridget Love, Joji Nozawa, Tomoko Onabe, Eric C. Rath, Akira Shimizu, George Solt, David E. Wells, and Miho Yasuhara.

An English and Japanese and Japanese and English Vocabulary Walter Henry Medhurst, 1830

The Phonetics of Japanese Language P M Suski, 2010-10-18 This book gives true characters of Japanese speech sounds in reference to European speech sounds. When it was first published in 1931, it was the first book of its kind. There are only 5 Japanese vowel elements as opposed to 18 in English, 13 in French and 8 in German. There are 15 Japanese consonants, 26 in English, 22 in French & 23 in German. Because of the lesser number of elements, it follows that the wider range in vowels and consonants is heard by Japanese ears, so this volume gives average sounds uttered by Japanese in the twentieth century in relation to the English sounds.

Jews in the Japanese Mind David G. Goodman, Masanori Miyazawa, 2000 Why are the Japanese fascinated with the Jews? By showing that the modern attitude is the result of a process of accretion begun 200 years ago, this book describes the development behind Japanese ideas of Jews and how these images are reflected in their modern intellectual life

The Chrysanthemum and the Sword Ruth Benedict, 2005 Essential reading for anyone interested in Japanese culture, this unsurpassed masterwork opens an intriguing window on Japan. Benedict's World War II-era study paints an illuminating contrast between the culture of Japan and that of the United States. *The Chrysanthemum and the Sword* is a revealing look at how and why our cultures differ, making it the perfect introduction to Japanese history and customs.

Japanese in America Elias Manchester Boddy, 1921 It is inconceivable that fewer than 100,000 Japanese, willing to work exceedingly long hours at the hardest of tasks for economic success, could create an international problem. Yet at the present time, such a problem seems to exist. It is the belief of the author that were the average American to know the exact facts of the Japanese American situation, there would be no problem. A full understanding by the public is not at all difficult to arrive at, providing the facts and not propaganda are furnished. A certain section of the American Press has singled out the Japanese for vilification, abuse and slander, for the sole purpose of increasing its circulation by sensational methods. We find the people of California constantly harassed by Anti-Japanese Propaganda, while the rest of the nation looks on, expressing only a nominal interest, and that more in the skill with which the propagandists have plied their art, than in the subject of their discussion. The purpose of the author in the present volume is to present as concisely as possible the history of the diplomatic, industrial, and social relations between Japan and the United States, to review the actual conditions in California, and to present as fully as possible an account of the various forces and interests vitally concerned with the campaign of propaganda which has been and is now being waged. The author is indebted to McMasters' History of the People of the United States, Harper's Encyclopedia of United States History, A History of the Japanese People, by Capt. F. Brinkley (Encyclopedia Britannica); the Japanese Association of America, and Mr. K. Kanzaki.--Introduction.

Modern Japanese Grammar Workbook Naomi McGloin, M. Endo Hudson, Fumiko Nazikian, Tomomi Kakegawa, 2014-05-09 The Modern Japanese Grammar Workbook is an innovative book of exercises and language tasks for all learners of Japanese. The book is divided into two parts: Section A provides exercises based on essential grammatical structures Section B practises everyday functions (e.g. making introductions, apologizing, expressing needs). All sentences are written both in Romanization and in the Japanese script and a comprehensive answer key at the back enables the learner to check on their progress. Key features of the book include: Exercises graded on a 3-point scale according to their level of difficulty Cross-referencing to the related Modern Japanese Grammar Topical exercises drawn from realistic scenarios to help learners develop their vocabulary and practical communication skills Opportunities to practise both written and spoken Japanese. Modern Japanese Grammar Workbook is an ideal practice tool for learners of Japanese at all levels. No prior knowledge of grammatical terminology is assumed and it can be used both independently and alongside the Modern Japanese Grammar (ISBN 978-0-415-57201-9), which is also published by Routledge.

100 Poems from the Japanese, 1955-06-17 It is remarkable that any Westerner—even so fine a poet as Kenneth Rexroth—could have captured in translation so much of the subtle essence of classic Japanese poetry: the depth of controlled passion, the austere elegance of style, the compressed richness of imagery. The poems are drawn chiefly from the traditional Manyōshū, Kokinshū and Hyakunin Isshū collections, but there are also examples of haiku and other later forms. The sound of the Japanese texts is reproduced in Romaji script and the names of the poets in the calligraphy of Ukai Uchiyama. The translator's introduction gives us basic background on the history and nature of Japanese poetry, which is supplemented by notes on the individual poets and an extensive bibliography.

Norwegian Wood Haruki Murakami, 2010-08-11 From the bestselling author of *Kafka on the Shore*: A magnificent coming-of-age story steeped in nostalgia, “a masterly novel” (The New York Times Book Review) blending the music, the mood, and the ethos that were the sixties with a young man’s hopeless and heroic first love. Now with a new introduction by the author. Toru, a serious young college student in Tokyo, is devoted to Naoko, a beautiful and introspective young woman, but their mutual passion is marked by the tragic death of their best friend years before. As Naoko retreats further into her own world, Toru finds himself drawn to a fiercely independent and sexually liberated young woman. Stunning and elegiac, *Norwegian Wood* first propelled Haruki Murakami into the forefront of the literary scene.

Ikigai Héctor García, Francesc Miralles, 2017-08-29 INTERNATIONAL BESTSELLER • 2 MILLION+ COPIES SOLD WORLDWIDE “Workers looking for more fulfilling positions should start by identifying their ikigai.” —Business Insider “One of the unintended—yet positive—consequences of the [pandemic] is that it is forcing people to reevaluate their jobs, careers, and lives. Use this time wisely, find your personal ikigai, and live your best life.” —Forbes Find your ikigai (pronounced ee-key-guy) to live longer and bring more meaning and joy to all your days. “Only staying active will make you want to live a hundred years.” —Japanese proverb According to the Japanese, everyone has an ikigai—a reason for living. And according to the residents of the Japanese village with the world’s longest-living people, finding it is the key to a happier and longer life. Having a strong sense of ikigai—where what you love, what you’re good at, what you can get paid for, and what the world needs all overlap—means that each day is infused with meaning. It’s the reason we get up in the morning. It’s also the reason many Japanese never really retire (in fact there’s no word in Japanese that means retire in the sense it does in English): They remain active and work at what they enjoy, because they’ve found a real purpose in life—the happiness of always being busy. In researching this book, the authors interviewed the residents of the Japanese village with the highest percentage of 100-year-olds—one of the world’s Blue Zones. Ikigai reveals the secrets to their longevity and happiness: how they eat, how they move, how they work, how they foster collaboration and community, and—their best-kept secret—how they find the ikigai that brings satisfaction to their lives. And it provides practical tools to help you discover your own ikigai. Because who doesn’t want to find happiness in every day?

Rediscovering America Peter Duus, Kenji Hasegawa, 2011-09-01 In this extraordinary collection of writings, covering the period from 1878 to 1989, a wide range of Japanese visitors to the United States offer their vivid, and sometimes surprising perspectives on Americans and American society. Peter Duus and Kenji Hasegawa have selected essays and articles by Japanese from many walks of life: writers and academics, bureaucrats and priests, politicians and journalists, businessmen, philanthropists, artists. Their views often reflect power relations between America and Japan, particularly during the wartime and postwar periods, but all of them dealt with common themes—America’s origins, its ethnic diversity, its social conformity, its peculiar gender relations, its vast wealth, and its cultural arrogance—making clear that while Japanese observers often regarded the U.S. as a mentor, they rarely saw it as a role model.

A Text-book of Colloquial Japanese Rudolf Lange, 1907

Japanese for Professionals: Revised (Enhanced with Audio) AJALT, 2021-03-03 From the authors of the best-selling Japanese for Busy People series comes a must have for intermediate and advanced learners who want to focus on building business Japanese language skills. The Association for Japanese-Language Teaching (AJALT), renowned for its Japanese for Busy People series, has developed a comprehensive course for students who need to use Japanese in a real-life business environment. Almost a decade after its first edition, Japanese for Professionals has been revised and updated to reflect current business scenes. Moreover, learners can now practice their listening skills with the newly added audio for the dialogues and exercises from the text. Eight lessons introduce common business situations with the emphasis on how to communicate with Japanese colleagues and clients. Each lesson is consisted with two parts: Part 1 is set to observe the dialogue and Part 2 is set to further enhance comprehension of the dialogue with exercises. Precise definitions for all new vocabulary and lucid explanations of grammar, idioms, and cultural differences provide the reader with powerful communication tools for the office. Exercises and quizzes have been included to help students check their progress. Busy professionals will find the bilingual glossaries a useful reference even after completing all the lessons in this clear and extremely helpful textbook. Japanese for Professionals is specially designed for learners who are familiar with basic Japanese and ideally be at level N2 or N3 of JLPT, Japanese-Language Proficiency Test.

Terry's Japanese Empire, 1914

The Cambridge History of Japanese Literature Haruo Shirane, Tomi Suzuki, David Lurie, 2015-12-17 The Cambridge History of Japanese Literature provides, for the first time, a history of Japanese literature with comprehensive coverage of the premodern and modern eras in a single volume. The book is arranged topically in a series of short, accessible chapters for easy access and reference, giving insight into both canonical texts and many lesser known, popular genres, from centuries-old folk literature to the detective fiction of modern times. The various period introductions provide an overview of recurrent issues that span many decades, if not centuries. The book also places Japanese literature in a wider East Asian tradition of Sinitic writing and provides comprehensive coverage of women's literature as well as new popular literary forms, including manga (comic books). An extensive bibliography of works in English enables readers to continue to explore this rich tradition through translations and secondary reading.

An Introduction to Modern Japanese Richard Bowring, Haruko Uryū Laurie, 1992 This is an extensive one-year introductory course in Japanese, also suitable for those who wish to work at a slower pace. Students who finish this course will have a firm grasp of how the language works and enough knowledge of the writing system to tackle everyday written material with no more than a dictionary. Particular attention is paid to questions of grammar which foreign learners often find difficult, so Book one can also serve as a reference grammar. An Introduction to Modern Japanese uses both spoken and written forms from the outset. There are word lists for each lesson, and a comprehensive vocabulary for the whole course. Book two comprises the exercises and word lists which accompany the fifty-two lessons in Book one. The exercises ensure that the student has understood the grammar explained in the relevant lessons and give further practice in reading and recognising characters. Book two also contains a full vocabulary, Japanese to English and English to Japanese.

Uncover the mysteries within is enigmatic creation, Discover the Intrigue in **Japanese**. This downloadable ebook, shrouded in suspense, is available in a PDF format (*). Dive into a world of uncertainty and anticipation. Download now to unravel the secrets hidden within the pages.

Japanese Introduction

In the digital age, access to information has become easier than ever before. The ability to download Japanese has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Japanese has opened up a world of possibilities. Downloading Japanese provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Japanese has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Japanese. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Japanese. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors,

publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Japanese, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Japanese has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Japanese Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Japanese is one of the best book in our library for free trial. We provide copy of Japanese in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Japanese. Where to download Japanese online for free? Are you looking for Japanese PDF? This is definitely going to save you time and cash in something you should think about.
