Cry Like a Man Jason Wilson, 2019-01-21 As a leader in teaching, training, and transforming boys in Detroit, Jason Wilson shares his own story of discovering what it means to "be a man" in this life-changing memoir. His grandfather's lynching in the deep South, the murders of his two older brothers, and his verbally harsh and absent father all worked together to form Jason Wilson's childhood. But it was his decision to acknowledge his emotions and yield to God's call on his life that made Wilson the man and leader he is today. As the founder of one of the country's most esteemed youth organizations, Wilson has decades of experience in strengthening the physical, mental, and emotional spirit of boys and men. In *Cry Like a Man*, Wilson explains the dangers men face in our culture's definition of "masculinity" and gives readers hope that healing is possible. As Wilson writes, "My passion is to help boys and men find strength to become courageously transparent about their own brokenness as I shed light on the symptoms and causes of childhood trauma and 'father wounds.' I long to see men free themselves from emotional incarceration—to see their minds renewed, souls weaned, and relationships restored."

Taking Flight With Creativity Len Wilson, Jason Moore, 2010-09-01 Pastors and church leaders in many congregations have attempted to form teams for the purpose of planning, or designing, worship. Getting a group of people together in one room is fairly easy. But whether large or small church, staff or volunteer, most discover that it is difficult to form a team that actually works. Using the metaphor of early flight, this resource analyzes how to be a part of a worship design team that works. Major sections include discovering a strategic approach to worship, tips for team composition, a look at how to overcome a series of obstacles that frequently keep teams from finding success together, and some of the usual "mechanical difficulties" that keep teams grounded.

Gospel-Driven Ministry Jared C. Wilson, 2021-03-02 From the beginning of his ministry, Jesus called and equipped individuals who would serve his community of followers. These shepherds are called to preach, pray, and care for the needs of God's people. But what does it mean to be a pastor? And what is the nature of this ministry, according to the Bible? In *Gospel-Driven Ministry*, Jared Wilson begins by looking at the qualifications for the pastorate, addressing the notion of a call to ministry and how an individual--and a church community--can best identify the marks of maturity and affirm a call. In each chapter, Wilson looks at one of the core practices of pastoral ministry, including: Preaching Sermons Developing a Vibrant Prayer Life Caring and Counseling Pastoring Married and Single Gospel-Centered Leadership Fighting Sin and Spiritual Warfare Resolving Conflict Passing on the Ministry to Others In addition, Wilson provides practical resources including theological insights on baptism and

the Lord's Supper, guidance for wedding and funeral sermons, outlines for leading elder and deacon meetings, tips for interviewing new pastors, questions to ask at ordination, and advice on knowing when and how to leave a pastor role. This is a comprehensive, practical guide to pastoral ministry that prepares new pastors and equips those currently serving for long-term, healthy ministry.

Kingdom Come Jason Byassee, Jeremy Kidwell, Jonathan Wilson-Hartgrove, Leah Wilson-Hartgrove, 2022-09-19 For four decades, the Rev. Dr. Jonathan R. Wilson has cultivated an imagination for “kingdom realism” as a pastor, teacher, theologian, and friend. To celebrate his seventieth birthday, Kingdom Come has gathered reflections from fellow theologians, popular authors, poets, and practitioners to mark both the range of Wilson’s influence on the Christian church and the consistency of his prayer and work for God’s kingdom to come here on earth as it is in heaven.

Portraits of a Pastor Jason K. Allen, 2017-09-05 As a pastor, do you feel like you’re wearing too many hats? If you’re a pastor, you know the tension of balancing (or trying to) the many roles and expectations that come with leading a church. But are you able to distinguish which roles are truly essential? And can you measure how you’re fulfilling them? Portraits of a Pastor features contributions from evangelical leaders like Jason Allen, Jared Wilson, Daniel Akin, and Owen Strachan on the essential roles and aspects of pastoral ministry. Together the book answers three important questions: What does it mean for the pastor to hold all nine roles? Why should the pastor fulfill these roles? How can the pastor most faithfully fulfill them? A pastor must be a preacher, shepherd, missionary, evangelist, church historian, theologian, man of God, leader of his household, and leader of others—a tall order! After reading Portraits of a Pastor, you’ll: Have a clearer vision of the roles you should fulfill in the life of your congregation Be inspired to fulfill your calling by growing in new areas of leadership Know the unbiblical visions of pastoral leadership that may distract you from your core calling It’s true: much is demanded of pastors. But it’s also true that too much is demanded of most pastors. Know what God has called you to, how to fulfill that calling, and what may be distracting you from it.

The Pastor's Justification Jared C. Wilson, 2013-07-31 Ministry can be brutal. Discouragement, frustration, and exhaustion are common experiences for all church leaders, often resulting in a lack of joy and a loss of focus. Aiming to encourage and strengthen pastors in particular, Jared Wilson helps readers rediscover the soul-satisfying gospel of grace as he creatively merges biblical exposition and personal confession. In addition to covering topics such as holiness, humility, and confidence, Wilson explores the nature of pastoral ministry through the lens of the five solas of the Reformation. Full of real-world examples from the author's own life and ministry, this book reminds all pastors that their justification is not found in ministry success or audience approval, but rather in the finished work of Christ.

Battle Cry Jason Wilson, 2021-09-21 In a culture that tells men to suppress instead of express, join bestselling author, speaker, and leader Jason Wilson (featured in the award-winning ESPN documentary The Cave of Adullam) as he calls us to unlearn society's definition of masculinity and discover the power of engaging with our emotions. For decades, Jason was losing the war within--the internal battle that many men wage on a daily basis. He struggled to combat his toxic thoughts and emotions, communicating without composure, and ultimately hurting himself and his loved ones. When Jason began to release years of unresolved trauma, he learned how to acknowledge his emotions and express them in a healthy way. He discovered that he was strengthened by transparency and vulnerability, which taught him to forgive, trust, and love without limitations. Soon, Jason's newfound practices began to heal his relationships and transform his life. Throughout his journey of opening up, Jason became a

better husband, father, and leader--and you can, too. Supported by Biblical teachings, the lessons that Jason shares in *Battle Cry* teach us that we can all be empowered to break through what we've been through. Jason calls us to become better versions of ourselves, equipping us with the mental and spiritual weapons needed to redefine modern masculinity and showing us how to: embrace our emotions rather than be ruled by them win internal battles before they become external wars break free from misconstrued masculinity and embrace our humanity communicate more effectively with the people in our lives heal trauma from our past in order to live our fullest lives in the present *Battle Cry* proves that it's possible to live beyond the limitations of your mind and finally experience the full life you've always longed for. What are you waiting for? It's time to win the war within.

Mysteries of the Messiah Rabbi Jason Sobel, 2021-03-23 Are you settling for half the story? Highlighting connections that have been hidden from non-Jewish eyes, Rabbi Jason Sobel will connect the dots between the Old and New Testament, helping you see the Bible with clarity as God intended. Most people—even people of faith—do not understand how the Bible fits together. Too many Christians accept half an inheritance, content to embrace merely the New Testament, while Jewish people may often experience the same by embracing only the Old Testament. But God has an intricate plan and purpose for both the Old and the New. In *Mysteries of the Messiah*, Rabbi Jason Sobel reveals the many connections in Scripture hidden in plain sight. Known for his emphatic declaration “but there’s more!” he guides us in seeing the passion and purpose of the Messiah. *Mysteries of the Messiah: Uncovers connections between the Old and New Testaments Connects the dots for readers with details about Jesus, the Torah, and biblical characters Written with the unique perspective of a rabbi with an evangelical theological degree No matter how many times you have read the Bible, *Mysteries of the Messiah* will bring fresh perspective and insight. God’s Word, written by many people over thousands of years, is not a random selection of people and stories. Rabbi Jason Sobel connects the dots and helps us see with clarity what God intended.*

Leading with Billy Graham Jay Dennis, 2005-05-01 Many Christians who want to impact the world mistakenly assume that influence belongs only to the ministry front-man—not to the next tier of leaders and unseen servants. But the life of T. W. Wilson proves otherwise. As Billy Graham's closest friend and longtime personal assistant, T. W. Wilson turned his own valuable leadership skills to the task of supporting Billy and ended up influencing thousands of lives both directly and indirectly. His life is an inspiring testimony to the power of next-level servanthood to maximize the power of the church for the twenty-first century. Filled with interviews and stories from many of Billy Graham's associates and eight pages of photographs, this book offers a fascinating look inside the most successful evangelistic ministry of modern times as well as an inspiring blueprint for purposeful servant-leadership.

Design Matters Jason Moore, Len Wilson, 2010-09-01 Many churches use visual technology in worship. Yet simply adding a screen and projector in a sanctuary doesn't automatically translate into growth and revitalization. This book helps worship-screen producers learn to speak a visual language. These time-tested design principles provide a basic framework for developing a visual literacy. The accompanying DVD includes graphic tutorials for creating art in Adobe Photoshop/Elements, time-saving techniques for achieving special effects, and helpful websites. Letters To The Modern Day Church Jason Dixon, 2023-08-07 In a Church world society where there are so many

differences and yet many similarities we must remain focused on the main thing. We often fight to maintain the fragile balance of purpose, ambition and egos within people who serve in ministry and that of those who make up the faith community. How to love people and find a common ground of unity to become a fully productive faith community minimizing the added created conflicts when self takes center stage. This book will challenge your thinking of established norms in the church and beyond pushing for a new growth mindset that will create positive change and results. Reading this book will be a eye opening mirror experience! Jason Dixon was born in the beautiful city of Toronto Canada. Having relocated to the United States as a teen he attended bible college and excelled into ministry on many levels. From youth leader to state wide evangelism to the missions, ministry is in his blood. In 2016 he was ordained as the senior pastor of The Power Of God Ministries in the city of Port Charlotte Florida. A ministry in which his parents Bishop Aquilla and Fay Dixon had founded in 1997. As another arm of evangelism he founded Jason Dixon International Outreach Ministries which travels hosting faith and miracle crusades both domestic and overseas. He is married to Dr. Franyora Dixon and has 3 children.

Gospel Wakefulness (Foreword by Ray Ortlund) Jared C. Wilson, 2011-10-06 We may know the gospel. We may believe it—even proclaim it. But we also may assume the gospel and become lethargic. In this book Jared Wilson seeks to answer the central question, how do we experience and present the gospel in a fresh, nonroutine way in order to prevent ourselves and others from becoming numb? His answer may be surprising: “by routinely presenting the unchanging gospel in a way that does justice to its earth-shaking announcement.” We don’t excite and awaken people to the glorious truths of the gospel by spicing up our worship services or through cutting-edge, dramatic rhetoric, but by passionately and faithfully proclaiming the same truths we have already been given in Scripture. Wilson’s book will stir churches to live out the power of the gospel with a fervent, genuine zeal. After an explanation of the term “gospel wakefulness,” Wilson unpacks implications for worship, hyper-spirituality, godly habits, and sanctification, as well as other aspects of church life. Pastors, church leaders, and all in ministry, especially those who are tired or discouraged, will be uplifted, emboldened, and empowered by this book.

Digital Storytellers Len Wilson, Jason Moore, 2002 Assists church leaders in moving past a dated multimedia or audio-visual mentality when producing media for worship. The digital culture values story and experience, which means that producers of eWorship in congregations will learn how to represent the Word as image and art in the production of digital eWorship media. New models for worship are offered, and tactics for change are proposed so that timid congregations, as well as small and medium sized congregations can become digital storytellers. System Requirements: DVD compatible with Computer DVD-ROM players and all DVD players (set top players). Click here to download Chapter 8.

Rhythms of the Afro-Atlantic World Ifeoma C.K. Nwankwo, Mamadou Diouf, 2019-02-28 Collecting essays by fourteen expert contributors into a trans-oceanic celebration and critique, Mamadou Diouf and Ifeoma Kiddoe Nwankwo show how music, dance, and popular culture turn ways of remembering Africa into African ways of remembering. With a mix of Nuyorican, Cuban, Haitian, Kenyan, Senegalese, Trinidagonian, and Brazilian beats, Rhythms of the Afro-Atlantic World proves that the pleasures of poly-rhythm belong to the realm of the discursive as well as the sonic and the

kinesthetic. ---Joseph Roach, Sterling Professor of Theater, Yale University As necessary as it is brilliant, *Rhythms of the Afro-Atlantic World* dances across, beyond, and within the Black Atlantic Diaspora with the aplomb and skill befitting its editors and contributors. ---Mark Anthony Neal, author of *Soul Babies: Black Popular Culture and the Post-Soul Aesthetic* Along with linked modes of religiosity, music and dance have long occupied a central position in the ways in which Atlantic peoples have enacted, made sense of, and responded to their encounters with each other. This unique collection of essays connects nations from across the Atlantic---Senegal, Kenya, Trinidad, Cuba, Brazil, and the United States, among others---highlighting contemporary popular, folkloric, and religious music and dance. By tracking the continuous reframing, revision, and erasure of aural, oral, and corporeal traces, the contributors to *Rhythms of the Afro-Atlantic World* collectively argue that music and dance are the living evidence of a constant (re)composition and (re)mixing of local sounds and gestures. *Rhythms of the Afro-Atlantic World* distinguishes itself as a collection focusing on the circulation of cultural forms across the Atlantic world, tracing the paths trod by a range of music and dance forms within, across, or beyond the variety of locales that constitute the Atlantic world. The editors and contributors do so, however, without assuming that these paths have been either always in line with national, regional, or continental boundaries or always transnational, transgressive, and perfectly hybrid/syncretic. This collection seeks to reorient the discourse on cultural forms moving in the Atlantic world by being attentive to the specifics of the forms---their specific geneeses, the specific uses to which they are put by their creators and consumers, and the specific ways in which they travel or churn in place. Mamadou Diouf is Leitner Family Professor of African Studies, Director of the Institute of African Studies, and Professor of History at Columbia University. Ifeoma Kiddoe Nwankwo is Associate Professor of English at Vanderbilt University. Jacket photograph by Elias Irizarry

The Explicit Gospel Matt Chandler, 2014-06-30 You know you know it... But then again, maybe you don't. Even if you go to church, it doesn't mean that you are being exposed (or exposing others) to the gospel explicitly. Sure, most people talk about Jesus, and about being good and avoiding bad, but the gospel message simply isn't there—at least not in its specificity and its fullness. Inspired by the needs of both the over-churched and the unchurched, and bolstered by the common neglect of the explicit gospel within Christianity, popular pastor Matt Chandler writes this best-selling treatise to remind us what is of first and utmost importance—the gospel.

The Gifts of the Small Church Dr. Jason Byassee, 2010-09-01 Dizzying changes have taken place in American religious life in the last half century. Yet in spite of that fact, taking a snapshot of a “typical” Christian church in America would reveal a surprising number of small-to-mid-sized congregations, rooted in a local neighborhood or community, tied to a specific denomination, where most of the members know each others' names, and hence are blessed (and cursed) with being the church together. In this clear-eyed, humorous appraisal, Jason Byassee contends that the “church around the corner” occupies a particular place in the divine economy, that it is especially capable of forming us in the virtues, perspectives, and habits that make up the Christian life. Not that he romanticizes these churches, however. Having been a rural, small membership church pastor, Byassee knows too well the particular vices and temptations to which they are subject. But he also knows the particular graces they've been given, graces like the “prayer ladies,” those pillars of the congregation who, “when one told you she was praying for you it meant something. When one hugged you, you remembered all week. When one cooked for you the casserole tasted like love. And when you were around them you were in the presence of Jesus.” Anyone who serves, or belongs to, a “church around the corner” will find their ministry strengthened by this enlivening, inspiring book.
