Art and Letters, Love and Desires Jack Leissring, Ellen Koment, 2011-03-05 Ellen

Koment first met Jack Leissring in 1969, when he came to her studio in Valley Ford, CA., and bought the first of many of her paintings. Since then they have been mutual inspirations and good friends. Jack was the collector (perhaps patron) that every artist dreams of, Ellen was the artist that every lover of art hopes to find. In 1995 they were in a French Cafe in San Francisco, where Jack suggested that men, in general, and, specifically he, didn't really understand how women thought. Ellen responded that, while she couldn't speak for all women, she would try to share her responses to art, relationships, and love, any and all things that friends share. These letters, by email, were what came from the conversation.
