**Human-Like Machine Intelligence** Stephen Muggleton,Nicholas Chater,2021-07-15 In recent years there has been increasing excitement concerning the potential of Artificial Intelligence to transform human society. This book addresses the leading edge of research in this area. The research described aims to address present incompatibilities of Human and Machine reasoning and learning approaches. According to the influential US funding agency DARPA (originator of the Internet and Self-Driving Cars) this new area represents the Third Wave of Artificial Intelligence (3AI, 2020s-2030s), and is being actively investigated in the US, Europe and China. The chapters of this book have been authored by a mixture of UK and other international specialists. Some of the key questions addressed by the Human-Like Computing programme include how AI systems might 1) explain their decisions effectively, 2) interact with human beings in natural language, 3) learn from small numbers of examples and 4) learn with minimal supervision. Solving such fundamental problems involves new foundational research in both the Psychology of perception and interaction as well as the development of novel algorithmic approaches in Artificial Intelligence.

Some of the stormy weather of the past few seasons seems to have finally lifted for the Quinns. After a year apart, and an ill-fated affair with the Winter Street Inn's old Santa Claus, Mitzi has returned to rule the roost; Patrick is about to be released from prison; Kevin has a successful new business and is finally ready to tie the knot with Isabelle; and best of all, there's hopeful news about Bart, who has been captured by enemy forces in Afghanistan. That doesn't mean there aren't a few dark clouds on the horizon. Kelley has recently survived a health scare; Jennifer can't quite shake her addiction to the drugs she used as a crutch while Patrick was in jail; and Ava still can't decide between the two lovers that she's been juggling with limited success. However, if there's one holiday that brings the Quinn family together to give thanks for the good times, it's Christmas. And this year promises to be a celebration unlike any other as the Quinns prepare to host Kevin and Isabelle's wedding at the inn. But as the special day approaches, a historic once-in-a-century blizzard bears down on Nantucket, threatening to keep the Quinns away from the place--and the people--they love most. Before the snow clears, the Quinns will have to survive enough upheavals to send anyone running for the spiked eggnog, in this touching novel that proves that when the holidays roll around, you can always go home again. *Copper Dragons* Timothy Cole,2010-08 When an unspeakable tragedy destroys Jennifer Bergin's happy rural life, she finds herself alone in a torrential sea of manic depression. Disoriented and confused in her self-imposed solitude, Jennifer hides from a past that she would sooner forget. Her mind is being flooded by memories and retrocognitive visions; of a blood stained statue; of a woman slowly deteriorating in a mental institution; of a young girl who was robbed of her youth - now trapped and tortured by a demonic creature. As Jennifer slips further from reality, she faces a fear greater than anything she has ever imagined; an urban legend - in the form of a charismatic gentleman - has unearthed himself to seduce her weakened soul and lay waste to her already ravaged sanity. The ghost of Nicholas Feragamo is manipulating Jennifer's dreams into nightmares, and using her to commit sinister acts of aggression against herself and the unsuspecting people of the little town of Honey Brook, Pennsylvania. Some say she suffers from Multiple Personality Disorder, others suggest she is possessed, but one thing is certain - Jennifer's life is hanging in the balance between reality and an ever encroaching darkness. Her only chance of survival is her estranged husband, Sean, who must pull her from the icy grasp of a dead man's passion. To do this, he will have to unravel the mystery behind Jennifer's past and uncover the legend of a man known as the Incubus.
