Get Different Mike Michalowicz,2021-09-21 From Mike Michalowicz, bestselling author of Profit First, Clockwork, and Fix This Next, a practical and proven guide to standing out in a crowded market. Many business owners are frustrated because they feel invisible in a crowded marketplace. They know they are better than their competitors, but when they focus on that fact, they get little in return. That's because, to customers, better is not actually better. Different is better. And those who market differently, win. In his new marketing book, Mike Michalowicz offers a proven, no-bullsh*t method to position your business, service, or brand to get noticed, attract the best prospects, and convert those opportunities into sales. Told with the same humor and straight-talk that's gained Michalowicz an army of ardent followers, with actionable insights drawn from stories of real life entrepreneurs, this book lays out a simple, doable system based on three critical questions every entrepreneur and business owner must ask about their marketing: 1. Does it differentiate? 2. Does it attract? 3. Does it direct? Get Different is a game-changer for everyone who struggles to grow because their brand, message, product or service doesn't stand out and connect with customers--the long-anticipated answer to the defining business challenge of our time.

The Heart-Led Leader Tommy Spaulding,2015-10-06 New York Times bestselling author Tommy Spaulding shows you how looking inwards--and leading with your heart--can transform your life. In his New York Times bestseller, It's Not Just Who You Know, world renowned leadership speaker and former CEO of Up with People Tommy Spaulding talked about the power of building genuine and lasting relationships both personally and professionally. In The Heart-Led Leader, Spaulding turns his focus to ourselves--to who we are. Authentic leaders, Spaulding says, live and lead from the heart. The values and principles that guide our lives and shape our ability to lead others is far more important than our title, or our ability to crunch numbers, or the impressive degrees we display on our walls. To effect true transformational change, heart-led leaders draw on the qualities of humility, vulnerability, transparency, empathy and love. Illustrated with stories from his own life, and from some of the exceptional leaders he has met and worked with over the years, Spaulding unpacks what those qualities mean, talks about the 18-inch journey from the head to the heart--from our intellect to our emotions--and shows us how to incorporate them into our careers, into how we manage and lead others, and into how we live our lives. It is a vision of leadership that has the power to transform everything we do, and the lives of everyone we touch.

Jersey Shore Food History Karen L Schnitzphan,2008-03-14 “Chock full of photographs, the book dishes on food from the mid-1800s to the mid-1900s, all along the coast from Sandy Hook to Cape May.” —RedBankGreen No trip to the Jersey Shore would be complete without indulging in the cuisine that helps make it famous. These foods we enjoy today are part of a long tradition beginning in the Victorian era, when big oceanfront hotels served elaborate meals. Diverse dishes and restaurants emerged during prohibition and the Great Depression, when fast food appeared and iconic boardwalk treats developed. Predating the farm to table movement, fancy and fast eateries have been supplied by local fishermen and farmers for decades. So whether you indulge in a tomato pie, pork roll or salt water taffy, take a mouthwatering historical tour and discover timeless treats from Sandy Hook to Cape May. “Tells the story of the original farm and sea to table American destination. The book is filled with information about the way the NJ shore has eaten through history and the food establishments that have spanned generations, some still operating today.” —NJ.com “This book also gives us insights into the earliest days of Atlantic City’s fine hotels. The Victorian era menus included in the volume are a treasure. I also loved her inclusion of such iconic former restaurants as Hackney’s and Capt. Starn’s and the still standing Knife and Fork Inn.” —Atlantic City Central “If you enjoy walking the Boardwalk for your pork roll and salt water taffy fix, or if you appreciate the history of the region’s former great restaurants like Hackney’s, Capt. Starn’s and Zaberer’s, this book will be an entertaining read.” —Atlantic City Weekly

By following this advice, he became a member of the National Honor Society, a rookie with 25 career home runs, and the youngest-ever American League player to hit for the cycle.
