Lady Gouldian Calia Read,2021-04-17 I was just eight-years-old, looking up at the clouds, when Asa Calhoun became my one true love. He was my brother's best friend. He was stoic and solemn, and always believed everything in life had to be perfect. But I saw past his eccentric mannerisms. I found him fascinating.I was seventeen when I had my debutante ball. Throughout the years, there was a gradual shift between us. I stopped being the little sister he's always known me as and transformed into a lady. By the end of that night, he found me fascinating.I was twenty-one when he first kissed me. My one true love became my soulmate. I was certain nothing would ever come between us.I married at twenty-three. But I wasn't Mrs. Asa Calhoun. At the time I believed it was for the best, leaving Belgrave and my memories of Asa behind.I was twenty-eight when my husband died. The pain was swift and sharp. I saw what could have been and all that I let go of. Including Asa.Nearly seven months later I'm back in Charleston, because six years of a broken heart is too much for anyone to endure.Asa once told me he would always be my home, but will he still mean those words when I walk through the church doors and object to his marriage?

The Dubrow Diet Heather Dubrow,Terry Dubrow, MD, FACS,2018-10-16 When you’ve tried practically every diet and have struggled for years to reach and maintain a healthy weight, what do you do next? If you’re Heather and Terry Dubrow, MD, you create your own diet based on cutting-edge and Nobel-prize winning science that promises not just unprecedented metabolic control, but also an internal cellular rejuvenation with powerful antiaging effects. Then, after creating a diet that can transform your life from the inside out, you want to help as many people as possible look and feel their best, so you write a book about it! In The Dubrow Diet, Orange County’s favorite reality TV couple share the diet and exercise plan they created to end their own decades-long yo-yo dieting and flip on what they call the “ageless switch.” The central concept is called interval eating, a practice based on research showing that when you eat is perhaps the most important factor in weight loss and weight control. With interval eating, the Dubrows will introduce you to a simple eating schedule that can help you: ● reprogram your cells to go after stored fat for fuel. ● lower insulin and normalize blood sugar. ● fight off chronic inflammation linked to almost every major disease. ● activate a process known as

autophagy, your cells’ self-cleaning process and an antiaging game changer. ● increase your energy. ● finally reach your goal weight. ● rejuvenate your skin and overall appearance. So, what are you waiting for? You have more power than you realize over the hormones that regulate your weight and the molecular factors that determine how you age. It’s time to take advantage of this power with a diet that is not only doable but also sustainable and even fun! The Dubrows wouldn’t have it any other way.

Stuffed Jessica Gadziala,2016-10-26 I haven't been home for Thanksgiving in six years. A couple days before I leave to head home, I am informed that my brother's best friend, and also my huge, obnoxious adolescent crush, will be there as well.So among a shaky work situation, a newfound potato chip addiction, and the usual stress of heading home for the holidays, I have a sudden urge to prove that I was no longer the mumbling, bumbling girl in Hogwarts robes and her nose in a book.Not that anything was going to happen between us. Those hopes had died around the time I headed off to college.But maybe....

Cravings Chrissy Teigen,Adeena Sussman,2016-02-23 Maybe she’s on a photo shoot in Zanzibar. Maybe she’s making people laugh on TV. But all Chrissy Teigen really wants to do is talk about dinner. For years, she’s been collecting, cooking, and Instagramming her favorite recipes, and here they are: from breakfast all day to John’s famous fried chicken with spicy honey butter to her mom’s Thai classics. Salty, spicy, saucy, and fun as sin (that’s the food, but that’s Chrissy, too), these dishes are for family, for date night at home, for party time, and for a few life-sucks moments (salads). You’ll learn the importance of chili peppers, the secret to cheesy-cheeseless eggs, and life tips like how to use bacon as a home fragrance, the single best way to wake up in the morning, and how not to overthink men or Brussels sprouts. Because for Chrissy Teigen, cooking, eating, life, and love are one and the same.

Good and Cheap Leanne Brown,2015-07-14 A perfect and irresistible idea: A cookbook filled with delicious, healthful recipes created for everyone on a tight budget. While studying food policy as a master’s candidate at NYU, Leanne Brown asked a simple yet critical question: How well can a person eat on the \$4 a day given by SNAP, the U.S. government’s Supplemental Nutrition Assistance Program informally known as food stamps? The answer is surprisingly well: Broiled Tilapia with Lime, Spicy Pulled Pork, Green Chile and Cheddar Quesadillas, Vegetable Jambalaya, Beet and Chickpea Salad—even desserts like Coconut Chocolate Cookies and Peach Coffee Cake. In addition to creating nutritious recipes that maximize every ingredient and use economical cooking methods, Ms. Brown gives tips on shopping; on creating pantry basics; on mastering certain staples—pizza dough, flour tortillas—and saucy extras that make everything taste better, like spice oil and tzatziki; and how to make fundamentally smart, healthful food choices. The idea for Good and Cheap is already proving itself. The author launched a Kickstarter campaign to self-publish and fund the buy one/give one model. Hundreds of thousands of viewers watched her video and donated \$145,000, and national media are paying attention. Even high-profile chefs and food writers have taken note—like Mark Bittman, who retweeted the link to the campaign; Francis Lam, who called it “Terrific!”; and Michael Pollan, who cited it as a “cool kickstarter.” In the same way that TOMS turned inexpensive, stylish shoes into a larger do-good movement, Good and Cheap is poised to become a cookbook that every food lover with a conscience will embrace.
