The Wonder Book of Bible Stories [electronic Resource] Marshall, Logan,2005

**Short Stories by Jesus** Amy-Jill Levine,2014-09-09 The renowned biblical scholar, author of *The Misunderstood Jew*, and general editor for *The Jewish Annotated New Testament* interweaves history and spiritual analysis to explore Jesus' most popular teaching parables, exposing their misinterpretations and making them lively and relevant for modern readers. Jesus was a skilled storyteller and perceptive teacher who used parables from everyday life to effectively convey his message and meaning. Life in first-century Palestine was very different from our world today, and many traditional interpretations of Jesus' stories ignore this disparity and have often allowed anti-Semitism and misogyny to color their perspectives. In this wise, entertaining, and educational book, Amy-Jill Levine offers a fresh, timely reinterpretation of Jesus' narratives. In *Short Stories by Jesus*, she analyzes these "problems with parables," taking readers back in time to understand how their original Jewish audience understood them. Levine reveals the parables' connections to first-century economic and agricultural life, social customs and morality, Jewish scriptures and Roman culture. With this revitalized understanding, she interprets these moving stories for the contemporary reader, showing how the parables are not just about Jesus, but are also about us—and when read rightly, still challenge and provoke us two thousand years later.

**The Bark of the Bog Owl** Jonathan Rogers,2004 In this fantasy/allegory, Rogers retells the life of biblical character King David.

Flip the page, and children will find a section called Jesus in Me that will inspire them to model Jesus's behavior, conform to His character, and want to be just like Him! Each lesson ends with a short prayer through which children can ask God to help them develop the character of Jesus.

**Wonder Book of Bible Stories** Logan Marshall,2018-06-05 The Bible is one of the two or three oldest books in the world, but unlike most of the ancient books, it is found not only in great libraries, but in almost every home of the civilized world; and it is not only studied by learned scholars, but read by the common people; and its many stories grasp and hold the attention of little children. Happy is that child who has heard, over and over again, the Bible stories until they have become fixed in his mind and memory, to become the foundations of a noble life.
