Jewel Bret Lott,2011-11-15 In the backwoods of Mississippi, a land of honeysuckle and grapevine, Jewel and her husband, Leston, are truly blessed; they have five fine children. When Brenda Kay is born in 1943, Jewel gives thanks for a healthy baby, last-born and most welcome. Jewel is the story of how quickly a life can change; how, like lightning, an unforeseen event can set us on a course without reason or compass. In this story of a woman's devotion to the child who is both her burden and God's singular way of smiling on her, Bret Lott has created a mother-daughter relationship of matchless intensity and beauty, and one of the finest, most indomitable heroines in contemporary American fiction.

Never Broken Jewel,2015-09-15 New York Times bestselling poet and multi-platinum singer-songwriter Jewel explores her unconventional upbringing and extraordinary life in an inspirational memoir that covers her childhood to fame, marriage, and motherhood. When Jewel's first album, *Pieces of You*, topped the charts in 1995, her emotional voice and vulnerable performance were groundbreaking. Drawing comparisons to Joan Baez and Joni Mitchell, a singer-songwriter of her kind had not emerged in decades. Now, with more than thirty million albums sold worldwide, Jewel tells the story of her life, and the lessons learned from her experience and her music. Living on a homestead in Alaska, Jewel learned to yodel at age five, and joined her parents' entertainment act, working in hotels, honky-tonks, and biker bars. Behind a strong-willed family life with an emphasis on music and artistic talent, however, there was also instability, abuse, and trauma. At age fifteen, she moved out and tasked herself with a mission: to see if she could avoid being the kind of statistic that her past indicated for her future. Soon after, she was accepted to the prestigious Interlochen Arts Academy in Michigan, and there she began writing her own songs as a means of expressing herself and documenting her journey to find happiness. Jewel was eighteen and homeless in San Diego when a radio DJ aired a bootleg version of one of her songs and it was requested into the top-ten countdown, something unheard-of for an unsigned artist. By the time she was twenty-one, her debut had gone multiplatinum. There is much more to Jewel's story, though, one complicated by family legacies, by crippling fear and insecurity, and by the extraordinary circumstances in which she managed to flourish and find happiness despite these obstacles. Along her road of self-discovery, learning to redirect her fate, Jewel has become an iconic singer and songwriter. In *Never Broken* she reflects on how she survived, and how writing songs, poetry, and prose has saved her life many times over. She writes lyrically about the natural wonders of Alaska, about pain and loss, about the healing power of motherhood, and about discovering her own identity years after the entire world had discovered the beauty of her songs.

The Mind of a Millionairess Jewel Tankard,2021-10-05 It's time for women to become more empowered to invest than ever before. No matter what business a woman is in, it's key that she is not just entrepreneurial minded but investment minded. Most women are one paycheck or one man away from being bankrupt or homeless. Even those with businesses pour their earnings back into the business, and in the end, never truly see long-term wealth. It's time for that to change. The days of us just waiting for someone to save us financially are over. It's time for us to save ourselves. It's time for women to embrace their own financial instinct.

The Motor Boat ,1906

The King of Diamonds Rena Pederson,2024-04-02 The thrilling story of a brazen, uncatchable jewel thief who roamed the homes of Dallas high society—and a window into the dark secrets lurking beneath the surface of the Swinging Sixties. As a string of high profile jewel thefts went unsolved, the King of Diamonds, as he was dubbed by the press, eluded police and the FBI for more than a decade and took advantage of the parties and devil-may-care attitude of the Swinging Sixties. Like Cary Grant in *To Catch a Thief*, the King was so bold that he tip-toed into the homes of millionaires while they were watching television, or hosting parties. He hid in their closets. And dared to smoke a cigarette while they were sleeping not far away. Rena Pederson, then a young cub reporter at the Dallas Morning News, heard the police reports trickle in while she managed the night desk. With gymnastic skill, this thief climbed trees or crawled across rooftops to get into these sprawling mansions. He took jewels from heiresses, oil kings, corporate CEOs. These were not just some of the richest people in Texas; they were some of the richest people of their time. Scotland Yard and Interpol were on the look-out. But the thief was never caught and the jewels never recovered. To follow the tracks of the thief, Rena has interviewed more than two hundred people, from veteran cops to strippers. She went to pawn shops, Las Vegas casinos, and a Mafia hangout—and discovered that beneath the glittering façade of Dallas debutantes and raucous parties was a world of sex trafficking, illegal gambling, and political graft. When one of the leading suspects was found dead in highly unusual circumstances, the story darkened. What seemed to be taken from the pages of an Edna Ferber story now crashed head-first into Mickey Spillane. Like the stories of *Fantomas* or *Raffles*, the odd psychological aspects of the *The King of Diamonds* give us different

kind of crime story. Detectives were stumped: Why did the thief break into houses when his targets were inside, increasing the risk of being captured? Why did he hide in their closets? Many times, he was so close he could hear their breathing as they slept. As one socialite put it, “It was a very peculiar business.”

The Jewel Palace Jo Ann Ferguson,2015-04-07 Miranda Gallagher hears someone downstairs as she waits for her husband, Seamus, on their wedding night. It’s not her husband, but an intruder. With all the gold-mad people crowding into Seattle on their way to the Yukon, Miranda meets the intruder with her late father’s gun. She is shocked when the man, who calls himself Russ Foster, tells her that her husband sold the house to Russ so he would have money to get to the Klondike. A search for her husband ends with a corpse, and Miranda discovers Russ, though he now owns her house, doesn’t intend to throw her out into the street. Instead, he asks her to be his business partner when he turns her home into The Jewel Palace, a gentlemen’s club. Not a brothel, but certainly not the respectable life Miranda had. But she has nowhere else to go. Russ, who is an excellent businessman, has seen that the best way to get rich is to supply the men going north and to help the men who hit a strike spend their money when they return to Seattle. Miranda tries not to fall in love with Russ, but she’s charmed by his kindness and sense of humor. Then the past intrudes, and everything they have done to make The Jewel Palace a success is threatened. Is their love strong enough to save them?
