The Encyclopedia of Jewish Prayer Macy Nulman,1996-02-01 Fifteen years in the making, The Encyclopedia of Jewish Prayer is a monumental achievement. Never before has such a comprehensive resource been available to those searching for answers to questions on Jewish prayer. Macy Nulman has provided, in one unique, accessible volume, information on each and every prayer recited in the Ashkenazic and Sephardic traditions, creating an invaluable tool for study or quick reference. Prayer books are essentially cumulative anthologies that evolved over time as new prayers were added. Study of these prayers reveals insights into the history of Judaism, providing a deeper appreciation of the heritage that has sustained the Jewish people throughout the centuries. This volume, through its encyclopedic format, makes such a study easy and enjoyable. Arranged alphabetically by prayer, the encyclopedia entries include extensive liturgical information on the prayers, their composers and development, the laws and customs surrounding them, and their place in the service. All prayers, including not only prayers recited in the synagogue, but also the Grace After Meals and the prayers to be said before going to bed, prayers for special occasions such as weddings and circumcisions, prayers for the funeral ritual and for private devotion, are featured. The entries make extensive use of cross-referencing and bibliographical information to facilitate further study. In addition, the author discusses the many poetic insertions, known as piyyutim, recited on special Sabbaths, Holy Days, and festivals. Concise and easy to consult, The Encyclopedia of Jewish Prayer contains several indexes: two title indexes - one in Hebrew and one in transliteration - as well as an index of biblical verses and a name index. Additionally, a glossary defining technical terms and vocabulary associated with the prayers is provided. This important, one-of-a-kind reference volume is ideal for scholars, students, and others who want to know more about Jewish tradition.

Traditions Avram Davis,Sarah Shendelman,1998-08-19 TRADITIONS is a treasure chest of ancient, traditional, and modern Jewish blessings positioned between two strong currents of reader interest--an enthusiasm for recovering the lost wealth of Judaism and the universal quest for invigorating our daily lives with simple spirituality. Illustrated with stunning modern and archival photography of historical artifacts, religious symbols, and practical elements.

Early Jewish Prayers in Greek Pieter W. van der Horst,Judith. H. Newman,2008-12-10 During the past few decades a great amount of scholarly work has been done on the various prayer cultures of antiquity, both Graeco-Roman and Jewish and Christian. In Jewish studies this burgeoning research on ancient prayer has been stimulated particularly by the many new prayer texts found at Qumran, which have shed new light on several long-standing problems. The present volume intends to make a new contribution to the ongoing scholarly debate on ancient Jewish prayer texts by focusing on a limited set of prayer texts, scil. , a small number of those that have been preserved only in Greek. Jewish prayers in Greek tend to be undervalued, which is regrettable because these prayers shed light on sometimes striking aspects of early Jewish spirituality in the centuries around the turn of the era. In this volume twelve such prayers have been collected, translated, and provided with an extensive historical and philological commentary. They have been preserved on papyrus, on stone, and as part of Christian church orders into which some of them have been incorporated in a christianized form. For that reason these prayers are of great interest to scholars of both early Judaism and ancient Christianity.

Sefer Ha-berakhot Marcia Falk,1999 A collection of blessings, poems, meditations, and rituals presented in English and Hebrew offers a traditional perspective to weekday, Sabbath, and New Moon festival observances.

Ancient Jewish Prayers and Emotions Stefan C. Reif,Renate Egger-Wenzel,2015-11-13 Given the recent interest in the emotions presupposed in early religious literature, it has been thought useful to examine in this volume how the Jews and early Christians expressed their feelings within the prayers recorded in some of their literature. Specialists in their fields from academic institutions around the world have analysed important texts relating to this overall theme and to what is revealed with regard to such diverse topics as relations with God, exegesis, education, prophecy, linguistic expression, feminism, happiness, grief, cult, suicide, non-Jews, Hellenism, Qumran and Jerusalem. The texts discussed are in Greek, Hebrew and Aramaic and are important for a scientific understanding of how Rabbinic Judaism and Early Christianity developed their approaches to worship, to the construction of their theology and to the feelings that lay behind their religious ideas and practices. The articles contribute significantly to an historical understanding of how Jews maintained their earlier traditions but also came to terms with the ideology of the dominant Hellenistic culture that surrounded them.

A Jewish Woman's Prayer Book Aliza Lavie,2008-12-02 A beautiful and moving one-of-a-kind collection that draws from a variety of Jewish traditions, through the ages, to commemorate every occasion and every passage in the cycle of life, including: Special prayers for the Sabbath, holidays, and important dates of the Jewish year Prayers to mark celebratory milestones, such as bat mitzva, marriage, pregnancy, and childbirth Prayers for companionship, love, and fertility Prayers for healing, strength, and personal growth Prayers for daily reflection and thanksgiving Prayers for comfort and understanding in times of tragedy and loss On the eve of Yom Kippur in 2002, Aliza Lavie, a university professor, read an interview with an Israeli woman who had lost both her mother and her baby daughter in a terrorist attack. As Lavie stood in the synagogue later that evening, she searched for comfort for the bereaved woman, for a reminder that she was not alone but part of a great tradition of Jewish women who have responded to unbearable loss with strength and fortitude. Unable to find sufficient solace within the traditional prayer book and inspired by the memory of her own grandmother's steadfast knowledge and faith, Lavie began researching and compiling prayers written for and by Jewish women. A Jewish Woman's Prayer Book is the result—a beautiful and moving one-of-a-kind collection that draws from a variety of Jewish traditions, through the ages, to commemorate every occasion and every passage in the cycle of life, from the mundane to the extraordinary. This elegant, inspiring volume includes special prayers for the Sabbath and holidays and important dates of the Jewish year; prayers to mark celebratory milestones, such as bat mitzva, marriage, pregnancy, and childbirth; and prayers for comfort and understanding in times of tragedy and loss. Each prayer is presented in Hebrew and in an English translation, along with fascinating commentary on its origins and allusions. Culled from a wide range of sources, both geographically and historically, this collection testifies that women's prayers were—and continue to be—an inspired expression of personal supplication and desire.

Jewish Men Pray Stuart M. Matlins, Rabbi Kerry M. Olitzky, 2013-04-30 A celebration of Jewish men's voices in prayer—to strengthen, to heal, to comfort, to inspire from the ancient world up to our own day. An extraordinary gathering of men—diverse in their ages, their lives, their convictions—have convened in this collection to offer contemporary, compelling and personal prayers. The words published here are not the recitation of established liturgies, but the direct address of today's Jewish men to ha-Shomea Tefilla, the Ancient One who has always heard, and who remains eager to receive, the prayers of our hearts. —from the Foreword by Rabbi Bradley Shavit Artson, DHL This collection of prayers celebrates the variety of ways Jewish men engage in personal dialogue with God—with words of praise, petition, joy, gratitude, wonder and even anger—from the ancient world up to our own day. Drawn from mystical, traditional, biblical, Talmudic, Hasidic and modern sources, these prayers will help you deepen your relationship with God and help guide your journey of self-discovery, healing and spiritual awareness. Together they provide a powerful and creative expression of Jewish men's inner lives, and the always revealing, sometimes painful, sometimes joyous—and often even practical—practice that prayer can be. Jewish Men Pray will challenge your preconceived ideas about prayer. It will inspire you to explore new ways of prayerful expression, new paths for finding the sacred in the ordinary and new possibilities for understanding the Jewish relationship with the Divine. This is a book to treasure and to share.

Hours of Devotion Dinah Berland, 2008-11-26 Written in the nineteenth century, rediscovered in the twenty-first, timeless in its wisdom and beauty, *Hours of Devotion* by Fanny Neuda, (the daughter of a Moravian rabbi), was the first full-length book of Jewish prayers written by a woman for women. In her moving introduction to this volume--the first edition of Neuda's prayer book to appear in English for more than a century--editor Dinah Berland describes her serendipitous discovery of *Hours of Devotion* in a Los Angeles used bookstore. She had been estranged from her son for eleven years, and the prayers she found in the book provided immediate comfort, giving her the feeling that someone understood both her pain and her hope. Eventually, these prayers would also lead her back to Jewish study and toward a deeper practice of her Judaism. Originally published in German, Fanny Neuda's popular prayer book was reprinted more than two dozen times in German and appeared in Yiddish and English editions between 1855 and 1918. Working with a translator, Berland has carefully brought the prayers into modern English and set them into verse to fully

realize their poetry. Many of these eighty-eight prayers, as well as Neuda's own preface and afterword, appear here in English for the first time, opening a window to a Jewish woman's life in Central Europe during the Enlightenment. Reading "A Daughter's Prayer for Her Parents," "On the Approach of Childbirth," "For a Mother Whose Child Is Abroad," and the other prayers for both daily and momentous occasions, one cannot help but feel connected to the women who've come before. For Berland, Hours of Devotion served as a guide and a testament to the mystery and power of prayer. Fanny Neuda's remarkable spirit and faith in God, displayed throughout these heartfelt prayers, now offer the same hope of guidance to others.

Davening Rabbi Zalman Schachter-Shalomi, 2012-10-01 Experience the living taste of prayer in your heart, the deep and gentle glow of prayer in your soul. Many who live their lives as Jews, even many who pray every day, live on a wrapped and refrigerated version of prayer. We go to synagogue dutifully enough. We rise when we should rise, sit when we should sit. We read and sing along with the cantor and answer 'Amen' in all the right places. We may even rattle through the prayers with ease. We sacrifice vitality for shelf-life, and the neshomeh, the Jewish soul, can taste the difference. —from the Introduction This fresh approach to prayer is for all who wish to appreciate the power of prayer's poetry and song, jump into its ceremonies and rituals, and join the age-old conversation that Jews have had with God. Reb Zalman, one of the most important Jewish spiritual teachers in contemporary American Judaism, offers you new ways to pray, new channels for communicating with God and new opportunities to open your heart to God's response. With rare warmth and authenticity, Reb Zalman shows you: How prayer can engage not just spirit, but mind, heart and body Meditations that open the door to kavanah, the focus or intention with which we pray How to understand the underlying "deep structure" of our prayer services How to find and feel at home in a synagogue How to sing and lead niggunim, the simple, wordless tunes that Jews sing to get closer to God and more
