The two intrepid sisters of the title story grapple with loss and memory on a perfect summer evening; "Impatient Griselda" explores alienation and miscommunication with a fresh twist on a folkloric classic; and "My Evil Mother" touches on the fantastical, examining a mother-daughter relationship in which the mother purports to be a witch. At the heart of the collection are seven extraordinary stories that follow a married couple across the decades, the moments big and small that make up a long life of uncommon love—and what comes after. Returning to short fiction for the first time since her 2014 collection *Stone Mattress*, Atwood showcases both her creativity and her humanity in these remarkable tales which by turns delight, illuminate, and quietly devastate.

Now a Christian, her boldness takes her into the Oval Office of President Carl McKenna. She soon realizes there is a contract out on her life. To defend herself, Tobi uses her most effective weapon: the Word of God. Mitch D'Cambre, a final year student at Yale, stumbles on information linking his father Desmond D'Cambre, author of the State of the World report, to the puzzle. Mitch becomes obsessed with completing the puzzle. Interspersed with historical facts and spiritual intrigue, Tobi and Mitch attempt to put together the jigsaw puzzle that spans centuries. has never fully approved of the questionable things her mother does to subsidize her income. That's why, when her mother encourages her to date a much older man from a family of means, May is torn. Her best friend's warning against an affair has the opposite reaction, and May begins a relationship even though she knows she doesn't really love him. May must make some tough decisions, because although she wants to do right, she is feeling the need to do wrong. Her role models add to her confusion, with some offering real opportunities for jobs and education, while others are caught up in drugs, gambling, and the illegal sale of alcohol. Will she fall into the same trap that holds her mother back from living her best life, or will she ignore that advice and follow her own path to success? May thinks beyond the life she's been born into, but can she achieve what she sees in her mind?
