**Zan and the Mythical Art of Miz-Management** James Alden,2012-09 The suggestions on management behaviour outlined in this book are in support of the principles of Miz-Management and the theoretical methodology for creating an ideal state of Mizery in the workplace. Miz is simply a contraction of the word miserable and therefore, Miz-Management means miserable management for Mizzies (masochists). While the purpose of this book remains vague, it attempts to outline largely unproven methodologies, supported by unimaginative examples of Miz-Management behaviour, specifically for those who want to be perceived as trying to improve their management skills, but who really want to be anything but successful. With the best of intentions to simply fill the void for a Miz-Management behaviour guide, unfortunately it has also been inadvertently adopted by some masochistically challenged managers for Miz-Use as an inverse guide to impede the advancement of Miz-Management in the workplace. Fortunately this counter culture will not succeed because the Miz-Force is strong.

**Playwrights on Playwriting** Toby Cole,1960 Donated by Sydney Harris.

Put your little comedians in front of a mylar mirror and challenge them to make this no-nonsense goose smile. This delightful read-aloud is guaranteed to create giggles of giggles time and time again! Kimmel's proceeds from sales of THE SERIOUS GOOSE will be donated to Children's Hospital Los Angeles (CHLA) and children's hospitals around the country.

**The James Brown Reader** Nelson George,Alan Leeds,2008-04-29 Nelson George and Alan Leeds have assembled the first comprehensive collection of writings about the late, great Godfather of Soul, creating a fascinating mosaic of the man and the musician. Known as the hardest-working man in show business, James Brown embodied rhythm and blues, funk and soul, and sensuality. His musical innovations in such indelible grooves as "Get Up (I Feel Like Being a) Sex Machine," "I Got You (I Feel Good)," and "Papa's Got a Brand New Bag," transformed American music. To appreciate Brown's immeasurable influence, to chronicle his professional and personal triumphs and struggles, and to capture his essence, writers from four decades weigh in on the legendary Soul Brother Number One. What emerges is a tribute to a trailblazer—one that no dedicated fan or music history buff will want to be without.

**Soul Like a River** ,

**Sabotage** Joe Craig,2014-09-23 Betrayal is explosive Shot down, stranded, and assumed dead, Jimmy faces his greatest struggle yet. The CIA spy plane that was supposed to carry him to safety is in flames, along with vital intelligence about secret missiles. The truth survives only in Jimmy's head. He must get back to warn the CIA—if he can survive long enough. Unsure of whom to trust, Jimmy is worried that his human side is slipping away. Should he let the programing take over? Will it save him or destroy him?

**DEFICIENT** John Gess,2012-06-11 From the fear of a Japanese invasion of the West Coast after Pearl Harbor, to the intense hazing as a plebe at West Point, to the bitter cold on the long march to the Yalu River during the early days of the Korean War, to the midnight scramble to the Czech border during the Cuban Missile crisis, Bob Hayes lived through it all. Then came a shock to his very being, a dubious dismissal from the Army leading him, his wife and their five children into a troubled world of unemployment, alcohol, drugs, foreclosure and mental illness. This is the heart-wrenching story of a highly intelligent, immensely likeable West Point graduate's long, slow descent into a personal hell from which he never escaped.

While Mehroo is loyal and crazy about Jimmy, Jimmy is anything but loyal and crazy about everything else but Mehroo. So while Jimmy charms his way through life naïve Mehroo tries every trick in Pizzazz magazine to seduce her man. Will Mehroo come out of her shell and discover her true self? **At the Foot of the Rainbow** Gene Stratton-Porter,1916 Friends since childhood, Dannie Macnoun has always admired and gone out of his way to help Jimmy Malone and, despite the great harm he suffers at Jimmy's hands, remains blind to his friend's deceitful and spiteful character.

**Send More Idiots** Tony Perez-Giese,2014-12-30 Juarez, Mexico, is murder city, so its not surprising when an American real estate broker vanishes there without a trace. The only person who shows any interest in his disappearance is his brother, Jon. Oddly, Jon seems more intent on trying to go missing himself than he is in actually figuring out what happened to his sibling. Within a matter of days, Jon is sucked into the violent and darkly humorous web of cartel warlords and free-trade profiteers in which his brother was tangled up. As he dodges threats in El Paso and across the river in Juarez, Jon is aided by an alcoholic Iraq War veteran, a disgraced narcotics detective and a local tejana all of whom have scores of their own to settle with the narcotraficantes. Jon finds himself strangely drawn by the danger and flux of the borderland, and he soon realizes that smack in the middle of a raging drug war might be the only place hes ever felt truly alive...but the longer he stays, the more likely he is to be added to the rapidly mounting body count. Fast-paced, frightening, and at times hilarious, Send More Idiots is ripped straight from todays headlines about one of the most bizarre frontiers in the world.

**What's All the Jibbermajoo?** Jim Novotny,2020-10-14 A compilation of over 65 of my original poems and drawings. The book is 100% family-friendly; appropriate for children of all ages, but greatly enjoyed by adults also! Many of my poems, and a lot of my embedded humor, is culled from much of my own life. Also, I have included a list of chosen material that can be used by parents or instructors to teach a particular moral or lesson to students. Many have wonderful lessons for all of us!

**The Claws of Mercy** John Harris,2011-10-31 In Sierra Leone, a remote community crackles with racial tensions. Few white people live amongst the natives of Freetown, where life revolves around an iron mine with a man in charge who dictates peace and prosperity for everyone. But his leadership is a matter of life or death where every decision is like being snatched by the claws of mercy.

**The Bureaucrat of Last Resort** Eric Rosenblatt,2008-03 Richard Gillies is a brilliant technocrat in a Lower East

Side Welfare office, manipulating a broken bureaucracy and crude computer system to keep at least a few sad and hurting claimants going. But Richard is coming to the breaking point himself, helplessly pining for warm, zaftig co-worker Marilyn. One night, to his shame, Richard approaches an oddly alluring and shy street-prostitute, only to recognize a lovely but deeply disturbed woman he had been unable to help at the office. The woman is more upset at the encounter than Richard, and experiences a seizure. In his efforts to find help, he confronts the charismatic General, who commands a homeless community in an abandoned subway station. But the General turns the tables on Richard. He had been to Richard's office and seen his command of that terrain. He insists Richard must now decide what he thinks is more important, Christina's life or a bunch of empty bureaucratic rules he is surely clever enough to break. Pity defeats fear and Richard tricks the system into helping Christina. It's the first thing that has felt good in a long while. Even Marilyn notices the difference in him. Now, can he stop playing Robin Hood?

*Jimmy McGuire And The Escapades At South County High* Jack Freedman,2008-03 Jimmy McGuire and the rest of the South County football team strive to win the state championship, bury old rivalries and solve a thrilling mystery.

**Sunny Jim** Jimmy Breslin,2012-02-14 An evocative portrait of the Triple Crown-winning racehorse trainer: "sportswriting as good as it could ever possibly be" (New York Daily News). At seventy-seven, James "Sunny Jim" Fitzsimmons should have been considering retirement. His six-decade career stretched back to 1885, when, as an eleven year-old, he began working as a stable boy. After failing as a jockey, Fitzsimmons—or Mr. Fitz to those in the know—started training horses, eventually winning three Kentucky Derbys, two Triple Crowns, and more than two thousand races. But by 1951, glory seemed to be behind him. His wife's sudden death took the light from his eyes, and retirement loomed. And then he met Nashua. She was the kind of horse trainers dream of. Big, powerful, with a windpipe that could suck down enough air to keep her running for weeks. Mr. Fitz knew he had a winner. It was only a matter of time before he realized that he had also just met the most remarkable horse of his long, storied career. This ebook features an illustrated biography of Jimmy Breslin including rare photos and never-before-seen documents from the author's personal collection.

**Understanding Cyber Warfare** Christopher Whyte,Brian M. Mazanec,2018-12-07 This textbook offers an accessible introduction to the historical, technical, and strategic context of cyber conflict. The international relations, policy, doctrine, strategy, and operational issues associated with computer network attack, computer network exploitation, and computer network defense are collectively referred to as cyber warfare. This new textbook provides students with a comprehensive perspective on the technical, strategic, and policy issues associated with cyber conflict as well as an introduction to key state and non-state actors. Specifically, the book provides a comprehensive overview of these key issue areas: the historical emergence and evolution of cyber warfare, including the basic characteristics and methods of computer network attack, exploitation, and defense; a theoretical set of perspectives on conflict in the digital age from the point of view of international relations (IR) and the security studies field; the current national perspectives, policies, doctrines, and strategies relevant to cyber warfare; and an examination of key challenges in international law, norm development, and the potential impact of cyber warfare on future international conflicts. This book will be of much interest to students of cyber conflict and other forms of digital warfare, security studies, strategic studies, defense policy, and, most broadly, international relations.

**Jimmy Failla** Jimmy Press,2024-02 In the vibrant heart of New York City, a place where dreams are as bright as the neon lights of Times Square, Jimmy Failla was born on a chilly winter day, December 17, 1976. The city's cacophony of sounds, its diverse tapestry of people, and the relentless hustle would shape Jimmy into the man he was destined to become - a beacon of laughter in a world often too serious.As a young boy, Jimmy's keen eye for the absurdities of everyday life and his innate ability to find humor in the mundane set him apart. He was the kid who could always crack a joke, the one who lightened the mood in any room. It wasn't long before he realized that his passion for making people laugh was more than just a pastime; it was his calling.His journey into the world of comedy began on the stages of small, dimly lit clubs in New York. Night after night, he honed his craft, his jokes echoing off the walls, filling the rooms with laughter. It was here, under the spotlight, that Jimmy transformed from a witty New Yorker into a distinguished comedian, his humor resonating with people from all walks of life.As his reputation grew, so did his opportunities. Jimmy found himself hosting the Fox Across America radio show on Fox News Radio. His voice, once confined to the comedy clubs of New York, now reached millions, spreading laughter and light-hearted commentary across the nation. He became a familiar presence on television, hosting shows like Off the Meter, Richard Hammond's Crash Course, and Gotham Comedy Live, each show a new chapter in his ever-growing story of success.

*The New Basics* Dr. Michel Cohen, M.D.,2009-10-13 Dr. Michel Cohen, named by the New York Post as the hip, must-have pediatrician, has an important message for parents: Don't worry so much. In an easy-reference alphabetical format, *The New Basics* clearly lays out the concerns you may face as a parent and explains how to solve them -- without fuss, without stress, and without harming your child by using unnecessary medicines or interventions. If after several months your baby is still not sleeping through the night, *The New Basics* will provide you with tried-and-true methods to help ease this difficult transition for babies and parents. Dr. Michel recognizes that you're probably asking the same questions his own patients' parents frequently ask, so he includes a section called Real Questions from Real Parents throughout the book. You'll find important answers about treating asthma, head injuries, fevers, stomach bugs, colic, earaches, and other ailments. More than just a book on how to care for your child's physical well-being, *The New Basics* also covers such parenting challenges as biting, hitting, ADD, separation anxiety, how to prevent the terrible twos (and threes and fours ...), and preparing your child for a new sibling.

whatever else you want me to be... People ask me what do I do for a living, that would take all day but I can say I was once a king of the road, a hobo by trade, a man of the street. School, sure, school of hard knocks and I got plenty of lumps to prove it. I would hop on trains and have been from the east coast to the west coast about 25 times and I do know all the trains in between. I've been known to have sticky fingers. I pick not only locks but old stogies, you know, cigarette buds off the ground and I've done it all from pushing broom to pot washing and digging graves but I rather not talk about that cos I never heard of dumping 3 or 4 bodies into the same pit. If you see me coming step aside cos if you don't I will send you to the promise land. Hey enjoy Roger Miller he too is a hobo like me, a King Of The Road, ciao Jimmy
