**Old Stoneface - My Autobiography** John Lowe,2009-06-08 Since the age of twenty-one, darts has been my life - and what a life!'John Lowe is one of Britain's greatest ever darts champions. Unruffled on the oche, even in the face of the greatest challenges, 'Old Stoneface', as John is known, became an indomitable force in the darts world. With every major darts accolade under his belt, his name has gone down in the history of the game.It was fate that kick-started John's career in the sport when, one evening, he was asked to take someone's place during a match. Had it not been for this, John would have followed his father down the mine and led quite a different life.In this fascinating book, John speaks candidly of his two marriages, the glamour and the strain brough about by jetting around the world to play in tournaments, as well as tales from all the major matches and what he really thinks about his big-name opponents. A must-read for any sports fan.'A must-read for darts fans' - Sid Waddell'Priceless stuff.' - Andrew Baker, Daily Telegraph'John lifts the lid off darts...something that no other darts player has dared to do thus far.' - Darts World magazine

**Punk Rock is My Religion** Francis Stewart,2017-06-26 As religion has retreated from its position and role of being the glue that holds society together, something must take its place. Utilising a focused and detailed study of Straight Edge punk (a subset of punk in which adherents abstain from drugs, alcohol and casual sex) Punk Rock is My Religion argues that traditional modes of religious behaviours and affiliations are being rejected in favour of key ideals located within a variety of spaces and experiences, including popular culture. Engaging with questions of identity construction through concepts such as authenticity, community, symbolism and music, this book furthers the debate on what we mean by the concepts of ‘religion’ and ‘secular’. Provocatively exploring the notion of salvation, redemption, forgiveness and faith through a Straight Edge lens, it suggests that while the study of religion as an abstraction is doomed to a simplistic repetition of dominant paradigms, being willing to examine religion as a lived experience reveals the utility of a broader and more nuanced approach.

Powerful Days Charles Moore,Michael Schelling Durham,2007 This chronological collection of Moore's most compelling and dramatic images, taken as the movement progressed through Alabama, Mississippi, Tennessee, and Georgia, highlights activity from 1958 to 1965. Included are the iconic scenes of black protestors huddled in a doorway to escape the crippling blasts of fire hoses in Birmingham; a white bigot swinging a baseball bat seconds before cracking it on the head of a black woman during the desegregation of the Capitol Cafeteria in Montgomery; a young and stunned Dr. Martin Luther King Jr. pinned to the counter of a police precinct, his arm twisted behind his back; the devastating aftermath of Bloody Sunday on the Edmund Pettus Bridge in Selma; and Bull Connor's police dogs tearing mercilessly at the legs of a protestor in downtown Birmingham. Celebrity protestors--comedian Dick Gregory, poet Galway Kinnell, singers Joan Baez, Mary Travers, Pete Seeger, and Harry Belafonte, actor Pernell Roberts, and writer James Baldwin--are featured alongside the many nameless but committed participants and the recognized major leaders of the movement

Zuni Origins David A. Gregory,David R. Wilcox,2009-12-01 The Zuni are a Southwestern people whose origins have long intrigued anthropologists. This volume presents fresh approaches to that question from both anthropological and traditional perspectives, exploring the origins of the tribe and the influences that have affected their way of life. Utilizing macro-regional approaches, it brings together many decades of research in the Zuni and Mogollon areas, incorporating archaeological evidence, environmental data, and linguistic analyses to propose new links among early Southwestern peoples. The findings reported here postulate the differentiation of the Zuni language at least 7,000 to 8,000 years ago, following the initial peopling of the hemisphere, and both formulate and test the hypothesis that many Mogollon populations were Zunian speakers. Some of the contributions situate Zuni within the developmental context of Southwestern societies from Paleoindian to Mogollon. Others test the Mogollon-Zuni hypothesis by searching for contrasts between these and neighboring peoples and tracing these contrasts through macro-regional analyses of environments, sites, pottery, basketry, and rock art. Several studies of late prehistoric and protohistoric settlement systems in the Zuni area then express more cautious views on the Mogollon connection and present insights from Zuni traditional history and cultural geography. Two internationally known scholars then critique the essays, and the editors present a new research design for pursuing the question of Zuni origins. By taking stock and synthesizing what is currently known about the origins of the Zuni language and the development of modern Zuni culture, Zuni Origins is the only volume to address this subject with such a breadth of data and interpretations. It will prove invaluable to archaeologists working throughout the North American Southwest as well as to others struggling with issues of ethnicity, migration, incipient agriculture, and linguistic origins. CONTENTS Foreword by William H. Doelle Preface: Constructing and Refining a Research Design for the Study of Zuni Origins David A. Gregory and David R. Wilcox Acknowledgments Part I Large-Scale Contexts for the Study of Zuni Origins: Language, Culture, and Environment 1. Introduction: The Structure of Anthropological Inquiry into Zuni Origins David R. Wilcox and David A. Gregory 2. Prehistoric Cultural and Linguistic Patterns in the Southwest since 5 BC Cynthia Irwin Williams (1967) 3. The Zuni Language in Southwestern Areal Context Jane H. Hill 4. **The Global Indian** Gurmukh Singh, 2003 This glossy coffee-table book captures in vivid detail the rise of the Sikhs as a global community. The Sikhs started migrating to various corners of the globe from about the end of the 19th century. However, today they occupy a place of pride in their adopted lands owing to their sterling success in fields as diverse as politics, business, entertainment and administration. The lucid style of writing, combined with exhaustive research conducted across various parts of the world, makes this book an important tool in assessing the success of this enterprising and global community.

*Vietnam Helicopter Pilots Association* Bill Greenhalgh, Ken Fritz, 2007 Presents the Vietnam Helicopter Pilots Association (VHPA), a nonprofit war veterans organization dedicated to bringing together rotary wing aircrews that flew in Southeast Asia during the Vietnam War. Posts contact information for the head quarters in Citrus Heights, California via mailing address, telephone and fax numbers, and e-mail. Contains information on membership, subscribing to VHPA publications, and annual reunions. Provides a membership report and individual war stories. Links to related organizations and helicopter unit sites.

**An Outlaw and a Lady** Jessi Colter, David Ritz, 2017-04-11 Renowned songwriter, singer, and wife of Waylon Jennings writes an intimate, enormously entertaining memoir of American music, of life with Waylon and the Outlaws, and of faith lost and found. The daughter of a Pentecostal evangelist and a race-car driver, Jessi Colter played piano and sang in church before leaving Arizona to tour with rock-n-roll pioneer Duane Eddy, whom she married. Colter became a successful recording artist, appearing on American Bandstand and befriending stars such as the Everly Brothers and Chet Atkins, while her songs were recorded by Nancy Sinatra, Dottie West, and others. Her marriage to Eddy didn't last, however, and in 1969 she married the electrifying Waylon Jennings. Together, they made their home in Nashville which, in the 1970s, was ground zero for roots music, drawing Bob Dylan, Johnny Cash, Willie Nelson, Kris Kristofferson, Shel Silverstein, and others to the Nashville Sound. And Jessi was at the center of it all, the only woman on the landmark *Wanted: The Outlaws* album, the record that launched the Outlaw Country genre and was the first country album to go platinum. She also tasted personal commercial success with the #1-single "I'm Not Lisa." But offstage, life was a challenge, as Waylon pursued his addictions and battled his demons. Having drifted from the church as a young woman, Jessi returned to her faith and found in it a source of strength in the turmoil of living with Waylon. In the 1980s, Waylon helped launch the super group The Highwaymen with Willie Nelson, Johnny Cash, and Kris Kristofferson, and the hits kept rolling, as did Waylon's reckless living. Amid it all, Jessi faithfully prayed for her husband until finally, at Thanksgiving 2001, Waylon found Jesus, just months before he died. *An Outlaw and a Lady* is a powerful story of American music, of love in the midst of heartache, and of faith that sustains.

*One Handed* Donald Patterson, 1999-09-30 This guide to the piano literature for the one-handed pianist surveys over 2,100 individual piano pieces which include not only concert literature but pedagogical pieces as well. Following the introduction are four chapters cataloguing original works for the right hand alone, original works for the left hand alone, music arranged or transcribed for one hand alone, and concerted works for one hand in concert with other pianists, instruments, or voices. Each entry assesses the individual composition, its quality, its difficulty, its particular appeal, and its uses with the composer's name, dates, and nationality, where possible. Also included is a selected discography of commercially produced phonodiscs, compact discs, and cassettes. Instructors and pianists alike will appreciate this exhaustive guide to one-handed piano music. To aid further research, a bibliography of books, articles, and theses about the literature is provided along with a chapter that lists the contents of thirty-six anthologies devoted to one-handed piano music. This unique reference also includes an index.

**Broken K Pueblo** James N. Hill, 1970 This report presents an analysis of a prehistoric Pueblo community in structural, functional, and evolutionary terms; it is a sequel to William A. Longacre's *Archaeology as Anthropology*. The emphasis is on social organization (including the patterning of community activities) and on understanding changes in this organization in terms of adaptive responses to a shifting environment.

*Roosevelt: 9: 6* Emil Walter Haury, 1932

*The Australian Official Journal of Trademarks*, 1906

*Excavations at Snaketown* Harold S. Gladwin, Emil W. Haury, E. B. Sayles, Nora Gladwin, 2016-10-18 [Gladwin] accomplished, from the 1920's on, a series of fundamentally important studies of the prehistoric cultures of the region from Texas to California. None of these surveys or excavations was more important than the excavation of Snaketown, in the southern Arizona desert. It provided a wealth of details for a major prehistoric culture, the Hohokam, which previously had been scarcely recognized. It dislodged many long-held dogmas of Southwestern archaeology and provided the basis for a major reorientation in thinking about the nature of the prehistoric occupations of Arizona and adjacent states. . . . [This volume] has remained indispensable for its detailed reporting of house remains, ball courts, canals, cremations, pottery, carved stone, and other artifacts.—*Science* The reprint will come as a blessing to many archaeologists who have sought in vain to obtain a copy of the original volume. It now stands as a body of data easily accessible to all workers, and we look forward to a new phase of synthesis of Hohokam archaeology.—*American Antiquity*

**Taking Shelter From the Storm** Federal Emergency Management Agency, 2014-08-19 Every year, tornadoes, hurricanes, and other extreme windstorms injure and kill people, and damage millions of dollars worth of property in the United States. Even so, more and more people build houses in tornado- and hurricane-prone areas each year, possibly putting themselves into the path of such storms. Having a shelter, or a safe room, built into your house can help you protect yourself and your family from injury or death caused by the dangerous forces of extreme winds. It can also relieve some of the anxiety created by the threat of an oncoming tornado or hurricane. Should you consider building a shelter in your house to protect yourself and your family during a tornado or hurricane? The answer depends on your answers to many questions, including: - Do you live in a high-risk area? - How quickly can you reach safe shelter during extreme winds? - What level of safety do you want to provide? - What is the cost of a shelter? This guide will help you answer these and other questions so you can decide how best to protect yourself and your family. It includes the results of research that has been underway for more than 20 years, by Texas Tech University's Wind Engineering Research Center (WERC) and other wind engineering research facilities, on the effects of extreme winds on buildings. The guide also provides shelter designs that will show you and your builder/contractor how to construct a shelter underneath a new house, in the basement of a new house, or in an interior room of a new house, or how to modify an existing house to add a shelter in one of these areas. These shelters are designed to protect you and your family from the high winds expected during tornadoes and hurricanes and from flying debris, such as wood studs, that tornadoes and hurricanes usually create. The National Association of Home Builders (NAHB) Research Center has evaluated these designs for construction methods, materials, and costs. Engineers at Texas Tech University have confirmed the design requirements for the expected forces from wind pressure and the impact of typical flying debris. The shelters are designed with life safety as the primary consideration.

The Top Books of the Year Jimmy Pataya The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous compelling novels enthralling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have captivated audiences this year. Jimmy Pataya : Colleen Hoovers "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
