Jury Selection Procedures in United States District Courts Gordon Bermant, Federal Judicial Center, 1982

How to Get Good Judges John A. Wright, 1892

What Judges Want James M. Stanton, 2014 *What Judges Want: A Former Judges Guide to Success in Court*, a new book by James M. Stanton of the Stanton Law Firm in Dallas. After leaving the civil district bench in Dallas, Stanton began memorializing strategies and tactics that are effective in the courtroom. These methods are not found in legal hornbooks or practice guides; rather they are based on his collective experience at over 100 trials and thousands of hearings as a lawyer and judge. Now in private practice, he has effectively used these methods to persuade judges to find for his clients. A must-have for any trial lawyer, this is a field guide for preparing pleadings and oral arguments before hearings. Each chapter includes examples of how to effectively persuade judges and checklists of tips and hints that can be immediately used by the reader.

A Litigator's Guide to Convincing the Judge Cecil C. Kuhne (III), 2019 The book before you is an attempt to distill the advice of judges to practitioners appearing in their courtrooms. After all, judges have seen just about everything, and frankly, they know what works--

Certifying Questions of State Law Carroll Seron, 1983

Judicial Disqualification Richard E. Flamm, 2007 This book is a comprehensive and intensively-researched guide to the law which governs motions

to disqualify judges in the federal and state courts of America.

How to Win Jury Trials Stephen D. Easton, 1998

Getting a Job in the Legal Profession Kathy Furgang, 2016-07-15 Lawyers and judges are the backbone of our criminal and civil legal systems and the products of rigorous education and dedication. While they represent the pinnacle of the legal profession, this book also covers many of the supporting players that are essential to its smooth running, including court stenographers, paralegals and clerks, legal mediators, legal secretaries, and transcription professionals. It also gives readers guidance on what educational routes to take and tips on how to land the ideal job in this vital and stimulating field.

Make Your Case Tanya Acker, 2020-10-06 "Tanya Acker lays out a common sense approach to deciding when to go—or not to go—to court. Make Your Case is straightforward and an invaluable resource from someone with the legal insight to tell it like it is." —Judge Judy Sheindlin Tanya Acker, co-star of the nationally syndicated and Emmy-nominated show Hot Bench, demystifies civil litigation—from common lawsuits to new cases emanating from Covid-19 and looting (tenant vs. landlord rent disputes, small business damage, and more)—and lays out an expert's guide to legal proceedings inside the courtroom and out, giving readers professional insider information they need to find THEIR WIN in a lawsuit. Millions of people end up in civil court each year. They assume going to court is the next logical step in their fight, but they often have little idea about how the court system works or what they can reasonably expect of it. They make poorly informed judgments about whether court is the best option for solving a problem, what kind of solutions it can provide, and why it proceeds in the (sometimes) counterintuitive way it does. They think "winning" is only about the judgment or verdict rendered by judge or jury. Those "wins" are great—but if you don't know what the process can exact from you or why it works as it does, that blind procession to victory can end up costing you your real win. In Make Your Case, Tanya Acker cuts straight to the essentials, providing curated, targeted information based on her extensive experience regarding exactly what people want to know: what happens during court proceedings and why, and how to best prepare for it—or how to avoid court entirely and find a better way. Be smart. Be ready. Make your case.
