Video Poker Profits from the Ground Up (2nd Edition) Adam Gregory Koch, 2012-11-26 It is

here! The second edition is now in your hands! Revised and expanded with new strategy tables consisting of the more difficult to master but well paying versions of video poker such as “Aces & Eights” and “All American”, in addition to the nearly dozen Jacks or Better and wild card strategies present in the first edition, all of which will work just as well for those of you who frequent online casinos in addition to offline casinos! Learn about video poker from an author who himself has made profit for years on video poker! These years of knowledge and insight gained through the transition from being a normal gambler who never really had a chance to ever win, to rarely ever having another losing session, are contained within these covers! The mechanics of the how’s and why’s explained in as simple terms as possible that most anyone can understand. The author’s success was inspired by watching others continuing to be successful at video poker every time he was at the casino, and decided if they are able to do it, why can’t he? After learning all he could and duplicating the success for himself, the author began asking, why can’t everyone else? So here we are. Don’t know how to play video poker? This book will teach you. Don’t think you can possibly ever win anything because your luck is so bad? This book will convince you otherwise since video poker is a skill game, you know. Do you simply want to learn how you can lose less often and smaller amounts? For that matter, would you like to know how video poker can have an edge over the house for the player? This is the book to learn that too! It is never too late to find out what you are missing, and to prepare yourself so that you, also, can have “Video Poker Profits” of your very own!

The Video Poker Answer Book John Grochowski, 2000 In this book, John Grochowski gives his easy-to-understand insight in to how the machines work and the best strategies for attacking up-to-date variations on this casino standard. How does the player recognise a high-paying machines? How do bonuses on certain rare hands affect strategy? Does the best method of play change on new

machines that have the customer playing three, four, five, 10 or even 50 hands at once? It answers more than 300 questions.
