The Joker's Guide to Winning in Poker Jonathan Kerr,2016-06-17 Poker is the only single game in casino that if you have enough skill you can turn out to be the winner. All other casino games like Roulette, Blackjack, Baccarat where you are playing against the house you are destined to lose because you are given worse odds. There are skilled players in the world who will make money in poker and in an year would make over 100,000 dollars by playing the cash games. With this book I want to bridge the gap between the world's best players and amateurs and average players so that you are not crushed by the great players. You hold your ground and you win. This is a great book, it is small simple concise to the point, I hate books that are voluminous enough to end up in the rack never to be read, the WSOP is running and

can you even afford to miss a book like these and not take advantage of the juicy cash games running? So pickup this book and this is the joker's book what have you got to loose, no other book will come close to what this book will teach you. Joker is here to make you win at poker and CONSISTENTLY.
