Big & Tall Chronicles Gary Michael Marino,2004-06-09 Big & Tall Chronicles is a revealing and powerful, yet surprisingly comical account of Gary Marino's lifelong battle with obesity. It details how growing up overweight in America negatively affects an individual. Anecdotes demonstrate how Mr. Marino's weight problem put him in situations or misadventures that he normally would not have experienced, and offers a brutally honest look into the self-destructive mindset that modern day food addicts go through, and the frustrations and downfalls that occur while trying to live a normal life. The passionate soul-searching that ultimately pushed Marino's inner button and led him to a healing path resonates with a bittersweet familiarity for anyone recovering from an addictive disorder. Marino shares the knowledge and insights he has gained with the help of his Dream Team of experts, including a sports medicine specialist, a nutritionist, a personal trainer, and a therapist specializing in weight-loss issues. Truthful, educational and soul baring with a humorous undercurrent, Big & Tall Chronicles may very well be the breakthrough personal journey and addiction recovery book millions of Americans have been waiting for to dig deep into themselves and fix themselves once and for all.

Dad Is Fat Jim Gaffigan,2017 In Dad is Fat, stand-up comedian Jim Gaffigan, who's best known for his legendary riffs on Hot Pockets, bacon, manatees, and McDonald's, expresses all the joys and horrors of life with five young children--everything from cousins (celebrities for little kids) to toddlers' communication skills (they always sound like they have traveled by horseback for hours to deliver important news), to the eating habits of four year olds (there is no difference between a four year old eating a taco and throwing a taco on the floor). Reminiscent of Bill Cosby's Fatherhood, Dad is Fat is sharply observed, explosively funny, and a cry for help from a man who has realized he and his wife are outnumbered in their own home--

Only Joking Jimmy Carr,Lucy Greeves,2006-09-21 Britain's hottest young comedian presents a seriously funny, up-close look at joking matters—from the social origins of laughter, to the art and craft of humor, to why we can never remember the punch line—featuring over 300 jokes. As the host of the hit game show Distraction (now in its third season on Comedy Central) and one of the premier stand-up acts working today, award-winning comedian Jimmy Carr has won over millions of fans around the world with his trademark rapier wit, laced with exquisitely economical and perfectly timed one-liners (The Guardian). For this book he

teams up with friend and fellow comedy writer Lucy Greeves to take an in-depth look at where humor comes from and how it works, through exploring its purest form: the joke. Only Joking begins with the mechanism of laughter—how it happens and why even infants do it—then delves into the power of the punch line, exploring the basics of all jokes, from the use of shock and surprise to advanced stand-up techniques such as the pull-back/reveal. Carr and Greeves go on to explore taboo humor, jokes that bomb, and the psychology of finding something funny. They look into the long-standing connection between politics and humor, and discuss the survival prospects for contentious jokes in the current political climate. Throughout the book they conjure up a supporting cast of colorful joke enthusiasts, from Sigmund Freud to Lenny Bruce, and discuss their influence on the jokes we tell today. Surveying across national, ethnic, and gender divides, this rollicking analysis of why joking will always be close to the human heart is an irresistible exploration of humor that makes clear why we need a good laugh now more than ever.

Plato and a Platypus Walk into a Bar . . . Thomas Cathcart,Daniel Klein,2008-06-24 This New York Times bestseller is the hilarious philosophy course everyone wishes they’d had in school. Outrageously funny, Plato and a Platypus Walk into a Bar... has been a breakout bestseller ever since authors—and born vaudevillians—Thomas Cathcart and Daniel Klein did their schtick on NPR’s Weekend Edition. Lively, original, and powerfully informative, Plato and a Platypus Walk Into a Bar... is a not-so-reverent crash course through the great philosophical thinkers and traditions, from Existentialism (What do Hegel and Bette Midler have in common?) to Logic (Sherlock Holmes never deduced anything). Philosophy 101 for those who like to take the heavy stuff lightly, this is a joy to read—and finally, it all makes sense! And now, you can read Daniel Klein's further musings on life and philosophy in Travels with Epicurus and Every Time I Find the Meaning of Life, They Change it.
