

Joongang Ilbo

AW Rasmussen

Korean Journalist Kim Young-su, 2016-02-22 Korea in Turbulent Years, And The Man Who Wrote Front Page Stories When South Korea was going through its turbulent years, one journalist stood out more than any other; his name was Kim Young-Su. He made stops at three most representative newspaper companies in Korea, collectively so-called Cho-Joong-Dong, before he became a report bureau chief of MBC where he reported on the most fluctuating times in the modern history of Korea. [Korean Journalist] resonated with readers who were curious about what happened behind the scenes throughout modern times of Korea. The Events Were His Life! Korea's Modern History through the Eyes of a Journalist [Korean Journalist] is filled with vivid recounts of memorable events that marked modern history, inviting readers to observe the past through the eyes of the experienced journalist. Transcending time and space, his stories will engage readers in the past events from Presidents Rhee Syngman to Park Chung-hee, and from Defense Security Command to Panmunjeom to Vietnam. MBC's exclusive coverage of the assassination of the First Lady Yuk Young-Su, in particular, captured such a breathtaking moment that still echoes down to this day. Did Kim Young-Su say 'Yes'? If he is in, I am in. - An Inspirational Life Story of a Journalist When the newly established JoongAng Daily was seeking to bring in new journalists, the first question to be asked was this: Did Kim Young-Su say 'Yes'? If he is in, I am in. Around that time, people could recognize his news articles simply by the first letter of his name, Young, appearing on the page. Most importantly, along with his faithful nature and good-fellowship, his undying spirit in which he held up a recorder even in the face of death makes him a role model and inspiration to every journalist of our time.

Glimpse of Seoul II JoongAng Daily, 2004

Consolidating Democracy in South Korea Larry Jay Diamond, Byung-Kook Kim, Pyöng-guk Kim, 2000 A review of the

dilemmas, tensions and contradictions arising from democratic consolidation in South Korea. It explores the turbulent features of Korean democracy in its first decade, assesses the progress that has been made, and identifies the key obstacles to effective democratic governance.

Samsung, Media Empire and Family Chunhyo Kim, 2016-02-26

This book analyses media conglomerates owning multiple media holdings under centralized ownership within and across media markets. It argues that Asian capitalists utilize both a market-oriented ideology and family connections to build their media empires, thereby creating cultural conglomerates that exercise corporate censorship over media markets. It focuses on family-controlled media conglomerates in Korea, specifically the international business giant, Samsung, and its related media companies, Cheil Jedang and JoongAng Ilbo, all of which are controlled by the single Lee family. Utilizing the theoretical approach of political economy of communication, the book examines how and why the Lee family exercise corporate censorship over Korean society. Offering an essential take on Asia's political economy of communication in order to understand the workings of Asian media empires, this book will appeal to students and scholars of Korean Studies, Korean Business and Mass Communications.

Korea Observer, 1999

Korea Naval War College (U.S.). Asia-Pacific Studies Group. Asia-Pacific Forum, 2006 This book is a collection of 16 essays by international authors who participated in an academic conference on Korea sponsored by the U.S. Naval War College. Papers were originally presented at the Naval War College's Asia-Pacific Forum, the annual conference of the college's Asia-Pacific Studies Group, held in Newport, R.I., on 26-27 August 2004.

The United States and the Korean Peninsula in the 21st Century Tae-Hwan Kwak, Seung-Ho Joo, 2017-11-30 In the post-Cold War era, US relations with the two Korean states - the Republic of

Korea (ROK) and the Democratic People's Republic of Korea (DPRK) - have been undergoing profound changes, with critical and immediate repercussions for peace and security in the Korean Peninsula and Northeast Asia. This volume examines the key political, security and economic aspects of US-ROK and US-DPRK relations, focusing on the current status, salient issues and future prospects. Drs Kwak and Joo are distinguished professionals in the field and their volume constitutes a very interesting addition to the available literature.

Red Rogue Bruce E. Bechtol, Jr., 2011 A unique analysis of the evolving North Korean threat and the challenges facing the South Korea-U.S. alliance.

Political Transitions in Dominant Party Systems Joseph Wong, Edward Friedman, 2008-10-27 This is a path-breaking study by leading scholars of comparative politics examining the internal transformations of dominant parties in both authoritarian and democratic settings. The principle question examined in this book is what happens to dominant political parties when they lose or face the very real prospect of losing? Using country-specific case studies, top-rank analysts in the field focus on the lessons that dominant parties might learn from losing and the adaptations they consequently make in order to survive, to remain competitive or to ultimately re-gain power. Providing historical based, comparative research on issues of theoretical importance, *Political Transitions in Dominant Party Systems* will be invaluable reading for students and scholars of comparative politics, international politics and political parties.

News, Signs and Culture Seon-gi Baek, 2004

Social Media and South Korean National Security Yongho Kim, 2017-05-15 South Korea offers a timely illustration of the relationship between social media and national security. Following the country's democratization in the 1990s and the explosion of communication technology since the millennium, citizens have joined the discussion of national interests and ideological conflicts,

involving anti-Americanism, reunification and North Korea's provocations. South Korean media have influenced an ideological divide that distinguishes between young and old, haves and have-nots, security and nationalism, and pro and anti-North Korean sentiments. The author describes the trade-offs between security and civil liberties and how narratives advanced through social media differ from those reported by traditional news outlets.

Korean Journalist(□□□) Kim Young-su,2016-01-18

Topics in Public Health David Claborn,2015-06-17 Public health has been defined as the efforts of a community that allow a population to remain healthy. This definition is very inclusive, so elements of clinical care, health promotion and many other fields contribute to the larger discipline of public health. The profession has evolved in recent years, with the emphasis in the developed world changing from the hygiene method for control of infectious diseases to a more complex approach to address chronic disease. However, the focus in public health continues to be the population. This book provides a sample of fields that contribute to the public health profession. Its broad approach provides examples of the core fields of public health, including environmental health, epidemiology, biostatistics, health administration, and health behavior.

Pleasure Travel Markets to North America ,1992

Under the Loving Care of the Fatherly Leader Bradley K. Martin,2007-04-01 Under the Loving Care of the Fatherly Leader offers in-depth portraits of North Korea's two ruthless and bizarrely Orwellian leaders, Kim Il-Sung and Kim Jong-Il. Lifting North Korea's curtain of self-imposed isolation, this book will take readers inside a society, that to a Westerner, will appear to be from another planet. Subsisting on a diet short on food grains and long on lies, North Koreans have been indoctrinated from birth to follow unquestioningly a father-son team of megalomaniacs. To North Koreans, the Kims are more than just leaders. Kim Il-Sung is the country's leading novelist, philosopher, historian, educator,

designer, literary critic, architect, general, farmer, and ping-pong trainer. Radios are made so they can only be tuned to the official state frequency. Newspapers are filled with endless columns of Kim speeches and propaganda. And instead of Christmas, North Koreans celebrate Kim's birthday--and he presents each child a present, just like Santa. The regime that the Kim Dynasty has built remains technically at war with the United States nearly a half century after the armistice that halted actual fighting in the Korean War. This fascinating and complete history takes full advantage of a great deal of source material that has only recently become available (some from archives in Moscow and Beijing), and brings the reader up to the tensions of the current day. For as this book will explain, North Korea appears more and more to be the greatest threat among the Axis of Evil countries--with some defector testimony warning that Kim Jong-Il has enough chemical weapons to wipe out the entire population of South Korea.

Between Compliance and Conflict Jorge Dominguez, Byung Kook Kim, 2013-01-11 This book examines the responses to U.S. power in the two areas of the world where U.S. primacy was first successfully consolidated: East Asia and Latin America. The U.S. has faced no comparably powerful challengers to the exercise of its power in Latin America for much of the past century. It established its primacy over much of East Asia in the aftermath of WW II and extended its influence in the late 1970's and after the end of the Vietnam War through its entente with China to balance the Soviet Union. By contrast, the U.S. has always encountered rivals and challengers in Europe, has attempted unsuccessfully thus far to impose its primacy in the Middle East, and has paid only intermittent attention to South Asia and Africa. The essays in this volume will explore three important themes 1.) How do region-wide economic trends and arrangements sustain or modify U.S. influence in the region? 2.) How do rising powers in these regions (Japan, China, Brazil) reshape their policies to cope with the U.S. and 3.) How do new (South Korea) and old (Cuba) challengers to

U.S. power shape their policies to account for the unrivaled exercise of U.S. power. This collection will place the United States at the hub of relations with countries in East Asia and Latin America and examine the new policies and new styles of engagement that are employed to address the prolonged U.S. interest in these areas—approaches from which the rest of the world might learn.

South Korea's Wild Ride Gilbert Rozman, Sue Mi Terry, Eun A Jo, 2023-09-01 Rozman, Terry, and Jo analyze the geopolitical shifts in South Korea's policies toward its neighbors and allies over the course of the Park Geun-hye and Moon Jae-in administrations into the early years of the Yoon Suk-yeol administration. 2013 to 2022 was a tumultuous decade in South Korean politics and especially in its foreign policy. Through two changes of its own presidency, as well as the rise and fall of the Trump administration in the United States, South Korea's politicians and diplomats have pursued different attempts at bridge-building with North Korea, before arriving at a more cautious and defensive position. The authors track the different attempts by Park and Moon to pursue increasingly optimistic attempts at reconciliation, and how they were thwarted by excessive idealism, domestic divisions, and broader great power rivalries—notably including Russia, China, and Japan. An essential guide to understanding the trajectory of South Korean foreign policy, for students of Korean politics as well as scholars and policy practitioners.

The Last Days of Kim Jong-il Bruce E. Bechtol, 2013 North Korea has remained a thorn in the side of the United States ever since its creation in the aftermath of the Korean conflict of 1950 - 1953. Crafting a foreign policy that effectively deals with North Korea, while still ensuring stability and security on the Korean Peninsula - and in Northeast Asia as a whole - has proved very challenging for successive American administrations. In the wake of ruler Kim Jong-il's death in December 2011, analysts and policymakers continue to speculate about the effect his last years as leader will

have on the future of North Korea. Bruce Bechtol, Jr. conte.

Big Data Research for Social Sciences and Social Impact
Miltiadis D. Lytras, Anna Visvizi, Kwok Tai Chui, 2020-03-19 A new era of innovation is enabled by the integration of social sciences and information systems research. In this context, the adoption of Big Data and analytics technology brings new insight to the social sciences. It also delivers new, flexible responses to crucial social problems and challenges. We are proud to deliver this edited volume on the social impact of big data research. It is one of the first initiatives worldwide analyzing of the impact of this kind of research on individuals and social issues. The organization of the relevant debate is arranged around three pillars: Section A: Big Data Research for Social Impact: • Big Data and Their Social Impact; • (Smart) Citizens from Data Providers to Decision-Makers; • Towards Sustainable Development of Online Communities; • Sentiment from Online Social Networks; • Big Data for Innovation. Section B. Techniques and Methods for Big Data driven research for Social Sciences and Social Impact: • Opinion Mining on Social Media; • Sentiment Analysis of User Preferences; • Sustainable Urban Communities; • Gender Based Check-In Behavior by Using Social Media Big Data; • Web Data-Mining Techniques; • Semantic Network Analysis of Legacy News Media Perception. Section C. Big Data Research Strategies: • Skill Needs for Early Career Researchers—A Text Mining Approach; • Pattern Recognition through Bibliometric Analysis; • Assessing an Organization's Readiness to Adopt Big Data; • Machine Learning for Predicting Performance; • Analyzing Online Reviews Using Text Mining; • Context-Problem Network and Quantitative Method of Patent Analysis. Complementary social and technological factors including: • Big Social Networks on Sustainable Economic Development; Business Intelligence.

Korean Digital Diaspora Hojeong Lee, 2020-12-10 Through a critical examination of the Korean diaspora in transnational contexts as a case study, Korean Digital Diaspora: Transnational

Social Movements and Diaspora Identity unmasks the process of how people of the diaspora have built social interactions and communication with others online, how they have orchestrated social movements, and finally, how they have narrated and reshaped their diaspora identities in their everyday lives. Utilizing an ethnographical approach, including in-depth interviews, participant observation, and a field study in New York City and Philadelphia, Hojeong Lee delineates how digital media technology has expanded into a new form of diaspora, digital diaspora, within the Korean diaspora community, and how it has mobilized the social movements of Korean diaspora members. Accordingly, Korean diaspora members have begun to imagine their community as a transnational global diaspora. Korean Digital Diaspora concludes with an analysis of how the changed attitudes of diaspora members have also influenced how they define themselves and how they are reshaping their diaspora identities. This multi-site, three-year study reveals the nexus of media, individuals, and society, highlighting the transnational social movements of diaspora members.

Unveiling the Power of Verbal Beauty: An Mental Sojourn through **Joongang Ilbo**

In some sort of inundated with monitors and the cacophony of instantaneous interaction, the profound energy and mental resonance of verbal artistry often diminish in to obscurity, eclipsed by the continuous onslaught of sound and distractions. However, located within the lyrical pages of **Joongang Ilbo**, a charming perform of literary beauty that impulses with fresh feelings, lies an unforgettable trip waiting to be embarked upon. Published by a virtuoso wordsmith, this magical opus manuals readers on a psychological odyssey, delicately exposing the latent potential and profound impact embedded within the delicate web of language.

Within the heart-wrenching expanse of the evocative analysis, we can embark upon an introspective exploration of the book's main styles, dissect their captivating publishing fashion, and immerse ourselves in the indelible effect it leaves upon the depths of readers' souls.
