Joseph Woldu: More Than a Survivor Wesley Powell, Joseph Woldu, 2019-01-29 This book chronicles the journey of Eritrean born Joseph Woldu. As a child refugee he found himself having to adapt to changes of place, language and customs; then as a man forced to relearn much of the same after involvement in a disastrous accident two days before the 9/11 terrorist attacks. What makes Joseph's story so incredible is not that he survived change and tragedy, but how he continually found the strength to improve himself and his circumstances. His story reflects the importance good relationships play in our lives. Through the many life challenges Joseph has faced, his greatest lesson learned is survivors must allow others into their lives in order not to be just a survivor. This book tells how Joseph became more than a survivor. It was written with the hope to help other survivors in the world. We are All survivors!

The Suburban Footballer Tom Siegert, 2020-03-31 Tom Siegert is The Suburban Footballer Tom was a below average junior player and his career has been in free fall ever since. It is the final round of the season and once again he finds himself in the familiar position of warming the interchange bench. It's freezing cold, rain is tumbling down and his head is thumping with his worst hangover since last week. As he sits, wishing he was anywhere but playing a game of footy, he wonders why he does it to himself. Should this be his final season or should he go around one last time?

Mad Men of the Mountains Al Lester, 2013-07-24 'The mountains have a habit of bringing out the best in people, despite the hardships that rain, hail and snow often throw in. Those with a love for the hills take these things on the chin and just get on with enjoying it.' Once described as 'Barry Crump meets Fred Dagg', 'Big Al' Lester is the modern-day master of the hunting genre. *Mad Men of the Mountains* - Al's seventh collection of yarns - is another rollicking ride through New Zealand's wild outdoors, a countryside he so obviously loves. Armed with his rucksack, a rifle and a keen sense of humour, Al and his mates encounter all manner of beasts that got in the way and many a curly situation to test their mettle. Plenty of off-the-wall adventure for the hunting mad and hard case! Also available as an eBook
