

Journey To India

Sir Mountstuart Elphinstone Grant Duff

Journey Through India Mark Probert,2021-11-30 Ever wondered what it's like to backpack across India? Two sixty-somethings go for one more adventure and just about survive a five-week journey involving world famous sights, crazy incidents and lots of cows. The journey begins in Mumbai and using trains, planes, camels, tuk-tuks and bicycle rickshaw, it finally ends 8,000 kms later in Kolkata.

India's Unending Journey Mark Tully,2012-02-29 Sir Mark Tully is one of the world's leading writers and broadcasters on India, and the presenter of the much loved radio programme 'Something Understood'. In this fascinating and timely work, he reveals the profound impact India has had on his life and beliefs, and what we can all learn from this rapidly changing nation. Through interviews and anecdotes, he embarks on a journey that takes in the many faces of India, from the untouchables of Uttar Pradesh to the skyscrapers of Gurgaon, from the religious riots of Ayodhya to the calm of a university campus. He explores how successfully India reconciles opposites, marries the sensual with the sacred, finds harmony in discord, and treats certainty with suspicion.

40 Beneficial Lessons from the Journey to India Salih Al Usaymi,2020-04-07 This publication was originally a lecture delivered by Sheikh Salih Ibn 'Abdullah Al 'Usaymi-May Allāh preserve him- in 1423 A.H. The Sheikh highlights 40 benefits from his trip to India in search for knowledge; he discusses relevant points which are of benefit to the student of religious knowledge, as well as Muslims travelling to a foreign country. Leaving India Minal Hajratwala,2009-03-18 The PEN Award-winning chronicle of the Indian diaspora told through the stories of the author's own family. In this "rich, entertaining and illuminating story," Minal Hajratwala mixes history, memoir, and reportage to explore the collisions of choice and history that led her family to emigrate from India (San Francisco Chronicle). "Meticulously researched and evocatively written" (The Washington Post), *Leaving India* looks for answers to the eternal questions that faced not only Hajratwala's own Indian family but all immigrants, everywhere: Where did we come from? Why did we leave? What did we give up and gain in the process? Beginning with her great-grandfather Motiram's original flight from British-occupied India to Fiji, where he rose from tailor to department store mogul, Hajratwala follows her ancestors across the twentieth-century to explain how they came to be spread across five continents and nine countries. As she delves into the relationship between personal choice and the great historical forces—British colonialism, apartheid, Gandhi's salt march, and American immigration policy—that helped shape her family's experiences, Hajratwala brings to light for the very first time the story of the Indian diaspora. A luminous narrative from "a fine daughter of the continent, bringing insight, intelligence and compassion to the lives and sojourns of her far-flung kin," *Leaving India* offers a deeply intimate look at what it means to call more than one part of the world home (Alice Walker).

The Billionaire Raj James Crabtree,2019-07-02 A colorful and revealing portrait of the rise of India's new billionaire class in a radically unequal society India is the world's largest democracy, with more than one billion people and an economy expanding faster than China's. But the rewards of this growth have been far from evenly shared, and the country's top 1% now own nearly 60% of its wealth. In megacities like Mumbai, where half the population live in slums, the extraordinary riches of India's new dynasties echo the Vanderbilts and Rockefellers of America's Gilded Age, funneling profits from huge conglomerates into lifestyles of conspicuous consumption. James Crabtree's *The Billionaire Raj* takes readers on a personal journey to meet these reclusive billionaires, fugitive tycoons, and

shadowy political power brokers. From the sky terrace of the world's most expensive home to impoverished villages and mass political rallies, Crabtree dramatizes the battle between crony capitalists and economic reformers, revealing a tense struggle between equality and privilege playing out against a combustible backdrop of aspiration, class, and caste. The Billionaire Raj is a vivid account of a divided society on the cusp of transformation—and a struggle that will shape not just India's future, but the world's.

Patterns of India Christine Chitnis, 2020-03-03 It's the trip of a lifetime—a textile-based tour of colorful Rajasthan, India featuring more than 200 lush photographs depicting everyday life in one of the most vibrant regions in the world. "Get lost in the beauty of the photographs in *Patterns of India*, a striking journey through the colorful Indian state of Rajasthan."—BuzzFeed *Patterns of India* is a visual experience that offers intimate insights into the diverse and richly hued Western Indian culture. Color is the thread that binds the vast country together, defining every aspect of life from religion and politics to food and dress. Organized by the five dominant colors royal blue, sandstone, marigold, ivory, and rose, this book explores how deeply color and pattern exist in a symbiotic relationship and are woven into every part of the culture. For instance, the fuchsia found in the draping fabric of a sari is matched by the vibrant chains of roses offered at temple, and the burnt orange spices in the marketplaces are reflected in the henna tattoos given to brides and wedding guests. While every color is imbued with meaning, it is often within the details of patterns that the full story comes to light. Photographer and writer Christine Chitnis spent over a decade traveling through, getting to know, and falling in love with the intricate patterns of everyday Rajasthani life. With history and culture-based essays woven throughout the more than 200 stunning photographs of architecture, markets, cuisine, art, textiles, and everyday goings-on, *Patterns of India* captures the beauty and essence of this unique part of the world.

Around India in 80 Trains Monisha Rajesh, 2012-11-08 Taking a page from Jules Verne's classic tale, Monisha Rajesh embarked on an adventure around India in eighty trains. Monisha hopes that her journeys across India will lift the veil on a country that had become a stranger to her.

Journey After Midnight Ujjal Dosanjh, 2016-05-01 A midnight's child of poor rural India, Ujjal Dosanjh emigrated to the United Kingdom in 1964 at the age of eighteen, and spent nearly four years making crayons, car parts and shunting trains while he attended night school and learned English by listening to BBC Radio. He moved to Canada in 1968, to the west coast, where he pulled lumber in a sawmill for a few years, eventually earning a B.A from Simon Fraser University in 1973 and then his law degree from the University of British Columbia three years later. He practiced law for many years, and was a social justice advocate who fought for the rights of farm and domestic workers. After many years as a Member of the Legislative Assembly he became Attorney General and then Premier of British Columbia, the first person of Indian descent to hold these offices anywhere in the country. This

is a deeply personal and thoughtful memoir of Dosanjh's journey from his beloved India to the upper echelons of Canadian politics, a story that is both wise and compelling, about a man passionate about social justice and democratic process who continues to rail against injustice and corruption wherever it is happening in the world.

One can learn many unique things about different yet common places, about their history and culture apart from all that everybody knows. As the voyage starts, the author finds herself being a coward who couldn't even speak for herself but through the journey realises the courage and the strength that she had within herself. She didn't have much social circle initially but as the time passes she discovers many mates who were like her and created a bond with them. She realises the true meaning of enjoying life. She had a relationship that was no more than an embarrassment to her and because of which she even tried to commit suicide during the journey but later realised that her life was far more precious than a relationship. The book is like a train ride, where you can have a glimpse of outside view along with a toast of emotions.

India My Love Osho, 2002-01-23 India is not just a geography or history. It is not only a nation, a country, a mere piece of land. It is something more: it is a metaphor, poetry, something invisible but very tangible. It is vibrating with certain energy fields that no other country can claim. For almost ten thousand years, thousands of people have reached to the ultimate explosion of consciousness. Their vibration is still alive, their impact is in the very air; you just need a certain perceptivity, a certain capacity to receive the invisible that surrounds this strange land. It is strange because it has renounced everything for a single search, the search for the truth. In these pages, we are treated to a spellbinding vision of what Osho calls the real India, the India that has given birth to enlightened mystics and master musicians, to the inspired poetry of the Upanishads and the breathtaking architecture of the Taj Mahal. We travel through the landscape of India's golden past with Alexander the Great and meet the strange people he met along the way. We are given a front-row seat in the proceedings of the legendary court of the Moghul Emperor Akbar, and an insider's view of the assemblies of Gautama the Buddha and his disciples. In the process, we discover just what it is about India that has made it a magnet for seekers for centuries, and the importance of India's unique contribution to our human search for truth.
