The Android's Dream John Scalzi, 2007-04-01 From New York Times bestseller and Hugo Award-winner John Scalzi, a wild-and-woolly caper novel of interstellar diplomacy A human diplomat creates an interstellar incident when he kills an alien diplomat in a most . . . unusual . . . way. To avoid war, Earth's government must find an equally unusual object: a type of sheep (The Android's Dream), used in the alien race's coronation ceremony. To find the sheep, the government turns to Harry Creek, ex-cop, war hero and hacker extraordinaire, who, with the help of a childhood friend turned artificial intelligence, scours the earth looking for the rare creature. But there are others with plans for the sheep as well. Mercenaries employed by the military. Adherents of a secret religion based on the writings of a 21st century SF author. And alien races, eager to start a revolution on their home world and a war on Earth. To keep our planet from being enslaved, Harry will have to pull off a grand diplomatic coup, a gambit that will take him from the halls of power to the lava-strewn battlefields of alien worlds. There's only one chance to get it right, to save the life of the sheep—and to protect the future of humanity. Other Tor Books

Tokyo Geek's Guide Gianni Simone, 2017-07-11 Tokyo is ground zero for Japan's famous geek or otaku culture--a phenomenon that has now swept across the globe. This is the most comprehensive Japan travel guide ever produced which features Tokyo's geeky underworld. It provides a comprehensive run-down of each major Tokyo district where geeks congregate, shop, play and hang out--from hi-tech Akihabara and trendy Harajuku to newer and lesser-known haunts like chic Shimo-Kita and working-class Ikebukuro. Dozens of iconic shops, restaurants, cafes and clubs in each area are described in loving detail with precise directions to get to each location. Maps, URLs, opening hours and over 400 fascinating color photographs bring you around Tokyo on an unforgettable trip to the centers of Japanese manga, anime and geek culture. Interviews with local otaku experts and

people on the street let you see the world from their perspective and provide insights into Tokyo and Japanese culture, which will only continue to spread around the globe. Japanese pop culture, in its myriad forms, is more widespread today than ever before--with J-Pop artists playing through speakers everywhere, Japanese manga filling every bookstore; anime cartoons on TV; and toys and video games, like Pokemon Go, played by tens of millions of people. Swarms of visitors come to Tokyo each year on a personal quest to soak in all the otaku-related sights and enjoy Japanese manga, anime, gaming and idol culture at its very source. This is the go-to resource for those planning a trip, or simply dreaming of visiting one day!

The 33 Strategies Of War Robert Greene,2010-09-03 The third in Robert Greene's bestselling series is now available in a pocket sized concise edition. Following 48 Laws of Power and The Art of Seduction, here is a brilliant distillation of the strategies of war to help you wage triumphant battles everyday. Spanning world civilisations, and synthesising dozens of political, philosophical, and religious texts, The Concise 33 Strategies of War is a guide to the subtle social game of everyday life. Based on profound and timeless lessons, it is abundantly illustrated with examples of the

genius and folly of everyone from Napoleon to Margaret Thatcher and Hannibal to Ulysses S. Grant, as well as diplomats, captains of industry and Samurai swordsmen.

Reading behind Bars Jill Grunenwald, 2019-07-02 “A fascinating look into a world many of us never see, and a powerful story about one woman’s journey to find her own strength, with a clear message of the importance of books and information for all.”

—Booklist (American Library Association), starred review Shortlisted for the 2020 Social Justice & Advocacy Book Award by In the Margins Book Awards. In December 2008, twentysomething Jill Grunenwald graduated with her master’s degree in library science, ready to start living her dream of becoming a librarian. But the economy had a different idea. As the Great Recession reared its ugly head, jobs were scarce. After some searching, however, Jill was lucky enough to snag one of the few librarian gigs left in her home state of Ohio. The catch? The job was behind bars as the prison librarian at a men’s minimum-security prison. Talk about baptism by fire. As an untested twentysomething woman, to say that the job was out of Jill’s comfort zone was an understatement. She was forced to adapt on the spot, speedily learning to take the metal detectors, hulking security guards, and colorful inmates in

stride. Over the course of a little less than two years, Jill came to see past the bleak surroundings and the orange jumpsuits and recognize the humanity of the men stuck behind bars. They were just like every other library patron—persons who simply wanted to read, to be educated and entertained through the written word. By helping these inmates, Jill simultaneously began to recognize the humanity in everyone and to discover inner strength that she never knew she had. At turns poignant and hilarious, *Reading behind Bars* is a perfect read for fans of *Orange is the New Black* and *Shakespeare Saved My Life*.

Excess Baggage Karen Ma, 2013 With vivid prose, Karen Ma takes us on a momentous journey with a Chinese family as it tries to grow new roots in a foreign land.—Geling Yan, author of *Banquet Bug*, *White Snake*, and *The Flowers of War* Karen Ma's debut novel chronicles two Chinese sisters, one raised in China during the desolate years of the Cultural Revolution; the other in Japan during the freewheeling years of bubble capitalism. They reunite as adults in Tokyo in the early 1990s, and as the sisters circle warily, their distrust grows, fueled by family lies and secrets. Exploring themes of identity, alienation, love, jealousy, and family obligations in the face of cultural and geographic adversity, ultimately each

must confront a fundamental question: what's the meaning of home when your roots aren't secure? Karen Ma is the author of *The Modern Madame Butterfly* (Tuttle Publishing, 2006). She has lived a combined twenty years in China and Japan working as a writer and journalist.

World Spice Plants Johannes Seidemann, 2005-06-13 The many spice and aromatic plants are arranged in alphabetical order of their botanical relevance. It includes all species which have been cultivated for the above purposes. It also covers species whose usage has long ceased or which are used only rarely or have become wild. In total over 1400 plants have been collated. The register of literature has been designed to facilitate the study of a specific plant or spice. Works both on botany and agriculture, and on chemistry, pharmacodynamics and usage have been considered.

Black Moses Alain Mabanckou, 2017-03-23 It's 1970, and in the People's Republic of Congo a Marxist-Leninist revolution is ushering in a new age. But at the orphanage on the outskirts of Pointe-Noire where young Moses has grown up, the revolution has only strengthened the reign of Dieudonn Ngoulmoumako, the orphanage's corrupt director. So Moses escapes to Pointe-Noire,

where he finds a home first with a larcenous band of Congolese Merry Men and then among the Zairian prostitutes of the Trois-Cents quarter. But the authorities won't leave Moses in peace, and intervene to chase both the Merry Men and the Trois-Cents girls out of town. All this injustice pushes poor Moses over the edge. Could he really be the Robin Hood of the Congo? Or is he just losing his marbles? Vivid, exuberant and heartwarming, *Black Moses* is a vital new extension of Alain Mabanckou's extraordinary, interlinked body of work dedicated to his native Congo, and confirms his status as one of our great storytellers.

"---and *Ladies of the Club*" Helen Hooven Santmyer, 2000 A great novel that is American to its core...so gently memorable, so bursting with life, that those who abandon themselves to its pages will find it claiming a permanent place close to their hearts. --New York Daily News A warm, evocative, often hilarious picture of society, culture, politics and family life. --Atlanta Constitution A warmly human story...never flags from first page to last. --Publishers Weekly A groundbreaking bestseller with two and a half million copies in print, ...*And Ladies of the Club* centers on the members of a book club and their struggles to understand themselves, each other, and the tumultuous world they live in. A

true classic, it is sure to enchant, enthrall, and intrigue readers for years to come. It is hard to think of a better place to spend the summer than in AHelen Hooven Santmyer's? world. --Cosmopolitan

Farm business in the ,1925

Polyphagous Pests of Crops Omkar,2021-01-04 Polyphagous pests are primarily agricultural pests that feed on economically important agricultural and horticultural crops of wide taxonomic diversity across the globe. They cause immense damage across different crop varieties owing to their generalist and voracious food habits. The advent of mono-crop culture in a huge area and the massive use of pesticides post green revolution have massively increased pest outbreaks all over the world. The Middle Eastern countries, African continent and even the Indian subcontinent is increasingly facing resurgences of polyphagus pests. This book compiles an inclusive account of polyphagous pests. It covers locusts, termites, aphids, whiteflies, mealybugs, scale insects, gram pod borer, fall armyworm, thrips, mites and rodents. The book discusses mode of spread, enormity of losses caused, mechanism of action, and also means to reduce the crop losses. It brings together a unique perspective for researchers to learn effective pest management practices across all crops. This book is a

reference guide to researchers and also useful for academicians and students of entomology.

A Moment in the Sun John Sayles, 2011-10-18 It's 1897. Gold has been discovered in the Yukon. New York is under the sway of Hearst and Pulitzer. And in a few months, an American battleship will explode in a Cuban harbor, plunging the U.S. into war. Spanning five years and half a dozen countries, this is the unforgettable story of that extraordinary moment: the turn of the twentieth century, as seen by one of the greatest storytellers of our time. Shot through with a lyrical intensity and stunning detail that recall Doctorow and Deadwood both, *A Moment in the Sun* takes the whole era in its sights—from the white-racist coup in Wilmington, North Carolina to the bloody dawn of U.S. interventionism in the Philippines. Beginning with Hod Brackenridge searching for his fortune in the North, and hurtling forward on the voices of a breathtaking range of men and women—Royal Scott, an African American infantryman whose life outside the military has been destroyed; Diosdado Concepción, a Filipino insurgent fighting against his country's new colonizers; and more than a dozen others, Mark Twain and President McKinley's assassin among them—this is a story as big as its subject: history rediscovered

through the lives of the people who made it happen.

Some Stories Yvon Chouinard, 2019 Through a compilation of his many articles on sports, from falconry to fishing and climbing to surfing, along with musings on the purpose of business and the importance of environmental activism, the author reveals his extraordinary and varied life experiences.

Essential Russian-English Dictionary B G

Anpilogova, 2018-10-12 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.
