🔒 **ForDESS** J. Han,2011-02 The book is about the absolute. What would reality be if you had the opportunity to do whatever you wished, with only one stipulation. The prerequisite that you had to accept responsibility for all of your actions, would it really be any different than the reality you experience now? The story relates the effects of massive rationalizations that befall us all, regardless of the circumstances, it flows from the ridiculous, to the demonic, and asks the one unavoidable question, where am I, and how the hell did I get here? All of the players find themselves rolling the proverbial blind dice, and then making a random, disconnected choice based on serendipity, even the given reality is a juxtaposition between oblivion and the unknown. It's all about, the danger in being, choices, and the slings and arrows that inevitably follow.

📖 **A** *NCIENT TRADITIONS AND SECRET FAMILIES* JAY LUCAS,2023-06-26 Joe was living what he thought was a normal life with his girlfriend Laura. He knew his girlfriend was right about getting a new job that paid better, but hated to admit she was right. The aspirations of a home and getting married made him think that she was behind the job recruiter that came harassing him with a job offer. When he gave in and talked to the recruiter, he did not expect him to call his bluff on the pay increase he asked for. The job was a simple one of driving an old man around town and taking care of the car. He never expected Mr. Preston to have wealth and need a driver who had no experience acting like a chauffeur. Joe soon found out that working for Mr. Preston was nothing that he expected as it was a constant party of girls all with the approval and watchful eyes of his wife. It was a strange life that paid well and soon found himself without a girlfriend and living at the Preston mansion. Mr. Preston was old but acted like a bachelor in his twenties who had boundless energy for strip clubs and female escorts. After months of working for such an odd man, he could see that his age was catching up on him. It soon became apparent that the job would be ending when Mr. Preston became bed ridden. There was no need for a driver when he could not get out of bed and Joe figured that he would be out of a job. Not one for assuming he would be l the will, he did think that he might get the expensive sports car that he used to drive Mr. Preston around in. On his death bed, Joe found out that he was not just getting the car, but a life that he never knew existed. The secret that was held from him was that he was not some random hire, but a member of the family who was in line to take over. Joe finds himself the heir apparent to an ancient family whose blood lines date back to biblical times. He must now go through the initiation of being a member of the family that was from the long-lost city of Gomorrah who was known for their sexual perversions. Thinking it was just the money he inherited soon ends when he finds out that there are other families to this lost city, and they all want to celebrate him in being the head of a house from the lost city.

📖 **T** *EQUILA BLUES* BIJOU HUNTER,2017-09-03 HEAT 📖 HUMOR 📖 HEA Not to brag, but I'm a lying, sneaky, hard drinking jerk. I come from money and power. Around here, the name Dayton Rutgers means I get to cut to the front of the line, take the best of everything, and never worry about consequences. Yep, I'm living the dream. Just until the night Harmony Slater gives me the green light to take our flirting to the hip-thrusting next step. That's when I realize my giant ego might not be such a winning quality. Now, she's all I think about, and I'm crazy with regret. Lonely nights over, I'm on the hunt for my second chance. Harmony will no doubt attempt to use logic to stop me. Nothing she says or does will change how this time is forever. Tequila Blues contains graphic sexual content, violent situations, and harsh language. The book is only appropriate for adult readers age 18+.
