The Great Physician's Rx for High Blood Pressure Jordan Rubin,David Remedios,2007-11-04 The New York Times-bestselling author of The Maker's Diet show how to keep your blood pressure in check using biblical and natural health concepts. An estimated one in every three American adults—sixty-five million in all—has high blood pressure, or hypertension. In general, the older you are, the greater your chance of developing high blood pressure. Once high blood pressure develops, it usually lasts a lifetime unless steps are taken to control it. More than two-thirds of the Americans with hypertension are taking at least one medication for their afflictions. Following the Seven Keys that make up the Great Physician's prescription for health and wellness can set you down the right road toward lowering your high blood pressure and regaining your health. This strategy for defeating hypertension is based on the Seven Keys to unlock your God-given health potential first described in The Great Physician's Rx for Health and Wellness.

The Great Physician's Rx for Health and Wellness Jordan Rubin,2007-06-03 At 19 years old, Jordan Rubin was a healthy 6'1 and 180 pounds. Shockingly, his weight fell to just 104 lbs. in a matter of months. His immune system was at an all-time low, as he suffered from Crohn's disease, food allergies, anemia, fibromyalgia, intestinal parasites, and a host of other conditions. After seeing over 70 health professionals, using both conventional and alternative medicines, Rubin was sent home in a wheelchair to die. But his story didn't end there. Through determination and a powerful faith in God, Rubin refused to give in to disease. Instead, he educated himself on natural health, and applied its principles. Now, ten years later, Rubin is fully recovered—and he desires to share the keys to his own good health. These keys aren't just for the disease-ridden; they are for anyone desiring to live an abundant life of health and wellness.

The Juice Truck Zach Berman,Ryan Slater,Colin Medhurst,2017-06-06 From Zach Berman and Ryan Slater--the longtime friends behind Vancouver's wildly successful Juice Truck--comes an accessible, informative and fresh book on the popular and healthy juicing and cleansing lifestyle. There are lots of juice books out there, but few get it right. In The Juice Truck, Zach and Ryan make it their mission to make juicing approachable, fun, imaginative and healthy. Their obsession with juicing began when they took a trip to the Himalayas and Nepal, which quickly turned from a journey of self-discovery into a full-blown juice-seeking adventure once they were introduced to the most delicious, locally-sourced juices they had ever tried. They decided then to create the same community and street side accessibility to juice in Vancouver that had inspired them throughout their travels. Alongside colourful and eye-catching photographs and illustrations that match their company's brilliant branding, The Juice Truck incorporates advice from health coach Colin Medhurst, and outlines the tools you need to make the perfect juice, the science behind juicing, and the benefits of each specific ingredient. The book dives into the juice cleanse and tells you everything you need to know about this health trend, giving you the top 10 tips to consider before embarking on a cleanse. It debunks other cleanses and outlines which ones are actually good for you and how to cleanse in a safe and proper way. The authors also break down and profile their favourite superior foods, tinctures, supplements and boosters. Once the reader is perfectly equipped, Zach and Ryan provide over 110 mouth-watering drink recipes from nut milks, smoothies, juice and hot drinks, as well as easy-to-make and delicious plant-based food recipes that can be eaten alone or accompany the many drink recipes. Interspersed throughout the recipes are case studies by experts in their fields on subjects like meditation, sleep, yoga, fiber, microbes, food allergies, sensitivities and intolerance, and the nervous system. In addition to appealing to both loyal and first-time juicers everywhere (as well as the dedicated following of the Juice Truck in Vancouver), this book will be the definitive juicing guide for people who live a healthy, active lifestyle, and those who would like to transition to a healthier diet. This is not your average juice book--it's a combination of storytelling, nutrition and tried-and-true recipes that deserves a place in every juicer's kitchen.

Juicing for Health Donna Cavanaugh, 2015-02-17 Juicing For Health The Essential Guide To Healing Common Diseases with Proven Juicing Recipes and Staying Healthy For Life Today only, get this Kindle book for just \$0.99. Regularly priced at \$2.99. Read on your PC, Mac, smart phone, tablet or Kindle device. You are about to discover how to heal or at least improve today's most common diseases by juicing with specific ingredients. When foreign substances enter our bodies, our immune system goes into high alert to prevent those substances from causing damage. Our bodies do this through chemical and cellular mechanisms that result in inflammation. However, the inflammation that results is not without its own drawbacks. Think about a mosquito bite or an asthma attack. These are reactions that we can directly observe, but there are many others that occur throughout our bodies that contribute to heart disease, cancer, diabetes and autoimmune diseases such as rheumatoid arthritis or halitosis, to name a few. These inflammatory processes protect us, but can cause disease when the response is severe. A recent study conducted in Italy showed that drinking a fruit juice, rich in phytochemicals, reduced the high levels of inflammatory chemicals after eating a high-fat meal. Two other studies demonstrated that drinking orange juice or a strawberry juice decreased the pro-inflammatory effects of a high-fat, high-carbohydrate meal. Extensive research has revealed that plant-based medicines are the answer to diabetes, obesity, cancer, osteoporosis, heart disease, kidney stones, depression and psychosis, behavioral disorders, liver disease, kidney disease, urinary tract infections, skin problems, bad breath, body odor, Alzheimer's, eye health, longevity, colorectal cancer, Crohn's Disease, asthma and too many other health conditions to name. Once you start drinking plant medicines on a daily basis, your so-called diseases simply start to vanish. This book examines today's most common diseases and provides specific, easy to make juice recipes for each particular affliction. Do you suffer from: rheumatoid arthritis, menopause, diabetes, cancer, acne, hypertension, celiac disease or another common disease? Then I highly recommend you click the download button above and read on. Here is a preview of some chapters this book will cover Allergies Arthritis Cancer Diabetes Kidney Stones Menopause Ulcers Much, much more! Scroll up and download your copy today!
